VICTER is published by VTAC for Year 10 students who are considering applying for tertiary study in 2014.

It is written to help Year 10 students make choices about their Year 11 and 12 studies so that they can plan their pathways towards tertiary study.

VICTER provides information about entrance requirements for courses commencing in 2014 in universities, TAFE providers and independent tertiary colleges that participate in the VTAC system. Each participating institution has listed the courses it plans to offer in 2014 (as far as is known at the time of printing VICTER). For each course that has prerequisites, the institution lists the prerequisites and the selection criteria.

VICTER also lists courses for 2014 that do not have prerequisites, including TAFE courses. These courses are listed under each institution. There are hundreds of courses in the VTAC system without prerequisites.

Refer to CourseSearch on www.vtac.edu.au for a more extensive list of the types of courses available through VTAC.

The important thing to remember is that the study choices you make now are not binding for life and, like most of us, you will probably make several different work and career choices throughout your life.

Study choice is a personal decision and requires you to think carefully about what you are good at, what you are interested in and what studies help keep your options open.

This digital edition of VICTER 2014 has been updated to include amendments published in the VTAC Bulletin. Information in this publication is correct at the time of publication (July 2012). Any changes will be notified to schools in VTAC Bulletins and on the VTAC website www.vtac.edu.au

Please note that the inclusion of course information in this document does not guarantee:

- the course will be available in 2014
- the course will be available at the published campus
- the course name will remain the same.

Enquiries about any information in this publication should be directed to the Deputy Director Information and Publishing Services, VTAC.

Some hints to help you choose your VCE study program:

Do:
- think about what interests you and what you like doing
- check out the VCE studies your school is offering
- talk with your careers teacher and/or VCE coordinator
- keep your options open
- log on to VTAC CourseLink to start researching the types of courses you are interested in
- attend Open Days.

Don’t:
- panic if you have no idea what studies to take up
- choose studies you don’t like just because you think doing those studies will help you get a good ATAR—your ATAR represents your performance across all of your studies
- choose studies based on their scaling. There is no point selecting a study that you struggle with simply because it has traditionally been scaled up. You will get higher scores in studies that you like and are good at, even after scaling.

For further information about study selection and scaling refer to Choice or the VTAC website (www.vtac.edu.au).

Entrance requirements

This section provides information about tertiary entrance requirements and the ATAR.

To be offered a place in a course you must:
• meet the minimum tertiary entrance requirements for Victoria
• meet any VCE prerequisites (or equivalent) for the course
• be selected in competition with other eligible applicants.

Minimum tertiary entrance requirements

Certificate II and Certificate III

There are no set minimum tertiary entrance requirements for entry to Certificate II and III courses in VICTER 2014, however institutional and course requirements still apply.

Minimum tertiary entrance requirements for general entry are outlined below.

Vocational education and training VET: Certificate IV, Diploma, Advanced Diploma

For Year 12 students, the minimum tertiary entrance requirement for VET courses available at TAFE providers and independent tertiary colleges is:
The satisfactory completion of both the VCE# and Units 3 and 4 English (any)* or equivalent senior secondary completion such as Senior VCAL or literacy requirements as stated in VET Training packages/curriculum. VET courses are displayed with this colour:

Higher education

For higher education courses the minimum tertiary entrance requirement for courses available at university, some independent tertiary colleges and TAFE providers is:
• The satisfactory completion of both the VCE# and Units 3 and 4 English (any)* or equivalent.

Note: Some institutions may accept applicants with equivalent senior secondary completion such as Senior VCAL—check with individual institutions for their entrance requirements. Higher education courses are displayed with this colour:

Vocational Education and Training Qualification

Higher Education Qualification

VCE VET qualifications, including block credit granted for VET or Further Education training, may contribute to the award of the VCE.

*Any of the four VCE English studies—English, English (ESL), Literature or English Language—satisfies the requirement for English (any), however Units 3 and 4 must be completed in sequence and in the same calendar year (unless granted interrupted study status by the VCMA in the studies concerned).

VCE = Victorian Certificate of Education
VCAL = Victorian Certificate of Applied Learning

Other qualifications

Applicants may be considered as satisfying minimum tertiary entrance requirements on the basis of other qualifications. These may include completion of:
• the International Baccalaureate Diploma
• overseas qualifications deemed comparable by VTAC to the required Victorian qualifications.

Victoria uses the home state rule for determining minimum tertiary entrance requirements for interstate applicants. The rule states:
• If an applicant meets minimum tertiary entrance requirements for all institutions in their home state, they will meet minimum tertiary entrance requirements for all interstate Australian institutions.

Note: For the purposes of tertiary entrance rank calculation and university admission under the home state rule, Northern Territory and South Australia are combined and treated as a single entity. The eligibility requirements applied to students presenting the SACE will be applied to students presenting the NTCE.

VTAC automatically assesses these qualifications as part of the application process and advises appropriate course authorities of the status of any such applicants.

Refer to VTAC CourseLink (see inside back cover) at www.vtac.edu.au to view a list of interstate study equivalences.

Course requirements

A number of courses have requirements additional to the minimum tertiary entrance requirements. These may be in the form of:
• Prerequisite studies
• Extra requirements

If you do not meet the prerequisite(s) for a course you may not be selected for that course, however your results will still be provided to the course selection authorities of each course to which you have applied.

Prerequisites

Units 1 and 2 prerequisites

If a course specifies Units 1 and 2 of a study as prerequisites, this means that a satisfactory result must be awarded in both Units 1 and 2.

Units 3 and 4 prerequisites

If a course specifies prerequisites for a study at Units 3 and 4, this means that a minimum VCE study score of 10 is required, with at least two graded assessments higher than UG. Some courses specify a higher VCE study score.

Extra requirements

In addition to the requirements outlined above, many courses have extra requirements such as a folio, an interview, performance audition or completion of a questionnaire.

Details of course extra requirements are not contained in this publication, but will be available in the VTAC Guide 2014, published in July 2013. This is because extra requirements often include requirements that must be met on particular dates for the year concerned. As a guide however, you might like to refer to the current edition of the VTAC Guide, or investigate course entries using CourseSearch on the VTAC website.

How do institutions select applicants?

Approximately 50% of the courses in the VTAC Guide use a range of criteria that may include the ATAR as well as other factors such as interview, folio presentations, pre-selection tests, additional forms and so on.
Australian Tertiary Admission Rank (ATAR)

What is the ATAR?
The ATAR is an overall percentile ranking reflecting a student’s comparative Year 12 achievement relative to the relevant age group in a given year. The ATAR allows tertiary institutions to compare students who have completed different combinations of VCE studies. It is calculated by VTAC solely for use by institutions.
The ATAR is reported as a rank between 0.00 and 99.95 with increments of 0.05. An ATAR of 75.00 means that a student with that ATAR has achieved VCE results that places them in the top 25% of the Year 12 age group.

Eligibility for an ATAR
To qualify for an ATAR a student must:
• qualify for the VCE
• achieve study scores in at least four permissible Unit 3 and 4 VCE studies, including one from the English group.

Who receives an ATAR?
VTAC calculates an ATAR for all students who have qualified for an ATAR, however only those who apply through VTAC for tertiary courses receive an ATAR statement.
An ATAR will be calculated by VTAC for applicants when they first qualify for an ATAR. If you undertake further study in a later year and are awarded at least one study score or complete a non-scored VET sequence that entitles you to an additional VET increment, a new ATAR will be calculated. Ranking for courses will be based on the highest ATAR achieved.
You will receive an official statement containing your ATAR from VTAC at the same time that you receive study scores from the VCAA if you have applied for tertiary entry through VTAC.

Calculation of the ATAR
Your ATAR is developed from an aggregate produced by adding your results for up to six studies as follows:
• the scaled study score in one of English, English (ESL), Literature or English Language
• the next best three scaled study scores permissible (which together with the English study make the “primary four”)
• 10% of any fifth and/or sixth permissible scores that are available (these are called increments).

If you have more than six results, the six permissible results that give the highest ATAR are used.

Studies used in the calculation of the ATAR may be taken over any number of years; however the time taken to complete VCE studies may be taken into account by institutions when considering applicants.
You are then ranked in order of these aggregates—the highest rank being 99.95 and then decreasing in steps of 0.05. The group of students with the highest aggregates will be assigned the highest rank of 99.95. The lowest automatically reported ATAR is 30.00, with ATARs below 30.00 being reported as ‘less than 30’.

Notional ATARs
Notional ATARs are used to rank applicants who either have previous Victorian Year 12 results (other than VCE results) or another qualification obtained in Victoria such as the International Baccalaureate. In the case of previous Victorian Year 12 results, a Notional ATAR is calculated using the same rules as for the ATAR. For other qualifications, different methods are used whilst still adhering to the same underlying principles. Further information may be obtained from VTAC.

All International Baccalaureate students who qualify for the IB Diploma in Victoria in the current year are eligible for a Notional ATAR. Only Victorian IB students who sit the GAT and are VTAC applicants will be issued with a Notional ATAR statement.

Interstate use of ATARs
Victorian VCE applicants applying for tertiary courses in other Australian states will be considered on the basis of their ATAR.

Scaling VCE study scores for the ATAR
In calculating VCE study scores, the VCAA does not determine any measure of overall performance in the VCE, but rather the performance of each student in each individual study. In order to facilitate selection, institutions require an overall measure of the performance of students undertaking the VCE.
Before the scores of different VCE studies can be added together for the ATAR, they need to be scaled to take account of the different abilities of the students taking different studies.
The VCE study score is not a score out of 50. It is a ranking or relative position which shows a student’s performance compared with all other students who took that study in the same year. A student with a VCE study score of 30 is in the middle of the cohort, or has performed better than about half of all students. A student with a VCE study score of 40 has performed better than about 91% of all students who did that study.

What this means is that the middle student in any study will have a VCE study score of 30, regardless of how strong the other students were in the study and how difficult it was to achieve the middle ranking.

Therefore all study scores are scaled by VTAC before they are used to calculate the ATAR. Scaling adjusts the study scores in each study to take account of the strength of competition among students taking the study. The strength of competition in each study is measured by how well the students performed in all their studies. The study scores are scaled so that the overall level of scores in that study matches the scores obtained by the same group of students in all of their studies. The scaled study scores are called ATAR subject scores and it is the ATAR subject scores that are used to calculate the ATAR. VCE studies are always scaled in the year in which they were undertaken (this may not necessarily be in the year in which you receive your ATAR).
By using ATAR subject scores, fair comparisons can be made of students’ achievements over all their studies, regardless of the studies they have taken.

Because of this, students can freely choose studies they like or are good at without worrying about their ATAR.
This is not always well understood and many students believe that to achieve their best possible ATAR they need to choose studies that are scaled up. This is not true and may even work against you.
If you choose a study that you are not very good at simply because it will be scaled up, the VCE study score you receive will be a lot lower than what you could expect in a study you are good at and that interests you. While your score will be scaled up, it is unlikely that your scaled ATAR subject score would be any higher than if you had chosen a more suitable study, even one that is scaled down.
The way to ensure that you achieve your best ATAR is to choose your studies according to what you are interested in; what you are good at; and what studies you need for future study.

The calculation of the ATAR guarantees that all studies are treated equally and provides you with a common score for tertiary selection across Australia.

**Studies with additional scaling**

**Mathematics**

VCE Mathematics studies are designed to cater for students of differing abilities and interests. Specialist Mathematics is the most difficult, followed by Mathematical Methods (CAS) and then by Further Mathematics.

To ensure that students undertaking the more difficult Mathematics studies are not disadvantaged, Mathematical Methods (CAS) is compared to Further Mathematics and scaled up if necessary. Similarly, Specialist Mathematics is compared to Mathematical Methods (CAS) and scaled up if necessary.

**Languages Other Than English (LOTE)**

As a result of government policy to encourage the study of languages, a further adjustment is made during the scaling process. Each LOTE is adjusted by adding five to the initial ATAR subject score average. All students of a LOTE receive an adjustment, but it is not a uniform adjustment. For scores at or close to 30, the adjustment is 5, but the adjustment decreases as the score moves away from 30.

**Studies used for the ATAR**

Subject to the rules and restrictions that are described in the sections that follow, the studies that can be used for the ATAR are:

- All VCE Unit 3 and 4 sequences
- Vocational Education and Training (VET) Programs with Unit 3 and 4 sequences
- Approved Higher Education studies (replacing Extension studies in 2012).

**VET Programs**

VET programs that contribute to the VCE are used in the calculation of the ATAR as follows:

**VCE VET Unit 3 and 4 sequences with scored assessment:**

- study scores are scaled and may be included in the calculation of the ATAR aggregate
- where a scored assessment is available and you decide not to take it, no increment will be available.

**VCE VET Unit 3 and 4 sequences with no scored assessment available:**

- may be counted as fifth and/or sixth studies. The increment will be 10% of the average of the primary four ATAR subject scores.

If you have completed two VET Unit 3 and 4 sequences deemed by the VCAA to be equivalent because of significant duplication only one result can contribute to the ATAR. If one sequence has scored assessment available, then your result in the scored sequence will be used in the calculation of your ATAR. If both sequences have scored assessment, then the higher result will be used. If neither sequence has scored assessment, one VET increment will be available.

**Restriction on use of VET results within an Industry Area**

Only in cases where no scorable sequence in an industry area has been attempted, can two VET increments from that area contribute to the ATAR.

Where a single scorable VCE VET sequence has been attempted in an industry area, then that result will be the first possible industry area contributor to the ATAR, and at most one increment can be added by non-scorable VET or VFE sequences in the same industry area.

Where two scorable non-equivalent VCE VET sequences have been attempted in an industry area, then those results will be the first possible industry area contributors to the ATAR, and at most one increment can be added by non-scorable VET or VFE sequences in the same industry area.

Where more than two scorable non-equivalent VCE VET sequences have been attempted in an industry area, then only those results will be possible industry area contributors to the ATAR, with at most two being permissible in the primary four and at most three being permissible in the ATAR.

It should be noted that VET sequences within the Information Technology industry area are also considered to be in the IT Studies study area, whilst VET sequences within the Music Industry area are also considered to be in the Music Studies study area.

**Restriction on use of VFE Block Credit in the ATAR calculation where a student has previously been awarded an ATAR**

In cases where a student was previously eligible for an ATAR, new VFE results only contribute to the ATAR when fewer than six VCE and VCE VET results are available.

**Approved Higher Education studies in schools—an expansion of the previous Extension Studies program**

The VCAA provides for very able students to have an opportunity to undertake some approved Higher Education study as part of the VCE. Such studies are recognised as Higher Education studies contributing to completion of the VCE.

If you are undertaking such a study, it may count as an increment in the ATAR provided that it is passed, that VCAA co-requisite or prerequisite conditions were met, and subject to the restricted study combinations below.

An increment will be awarded for the Higher Education study. The increment will be determined as follows:

**Note:** From 2012 Higher Education studies will include first-year university studies and advanced standing TAFE courses recognised by the VCAA and made available to VCE students who are very able academically and have the endorsement of their school principal. Upon satisfactory completion, the increment will be determined as follows:

- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 90, the Higher Education increment will be 5.0.
- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 80 but less than 90, the Higher Education increment will be 4.5.
- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 70 but less than 80, the Higher Education increment will be 4.0.
• Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 60 but less than 70, the Higher Education increment will be 3.5.

• Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 50 but less than 60, the Higher Education increment will be 3.0.

Restrictions on use of approved Higher Education studies in schools

If your ATAR incorporates a Higher Education increment from any of the study areas of mathematics, English, LOTE, music, history or computer science/information technology then at most two VCE ATAR subject scores and/or VET increments from that study area may be used.

All VCAA designated rules for Higher Education studies must be satisfied prior to a Higher Education study increment being available. Check the VCAA “VCE and VCAL Administrative Handbook” and current VCAA “Bulletin VCE, VCAL and VET” for the latest information.

Restrictions on subject use in the ATAR calculation

The restrictions listed here are for studies completed after 2007. Additional restrictions may apply where earlier studies have been completed. Contact VTAC for further information.

Restrictions on studies in the ATAR

Only one of the following combinations can be used in the best six (that is, in the calculation of the ATAR):

• English/English as a Second Language (ESL)
• Chinese (FL)/Chinese (SL)/Chinese (SL Advanced)
• Indonesian (FL)/Indonesian (SL)
• Japanese (FL)/Japanese (SL)
• Korean (FL)/Korean (SL)
• Mathematical Methods/Mathematical Methods (CAS).

In each of the study areas of English, mathematics, history, Contemporary Australian studies, information technology, LOTE and music:

• at most two results can contribute to the primary four
• at most three results can contribute to the ATAR, be they VCE results, Higher Education study results, or VET results.

The studies included in these study areas are those listed in the appropriate study area groupings (see page 9).

Please note: The VET industry area restrictions and VFE Block Credit restrictions also apply.

Note: VCAA restrictions on Music introduced in 2011 apply to the ATAR calculation
Types of institutions and courses to get you started...

### Higher education

**Courses**

Higher education courses provide professional qualifications with an emphasis on theory and the development of transferable skills. Some courses are vocational, leading to careers in clearly identified areas (e.g. Accounting) while others are ‘generalist’ with no particular vocational skills component. Although courses vary, many higher education courses include formal lectures and tutorials.

**Length**

The majority of higher education courses with applications through VTAC are bachelor degrees and a few associate degrees. A basic undergraduate degree usually requires a minimum of three to four years full-time study. Many courses such as combined degrees and industry-based learning (work experience degrees) are longer. For further information about Higher education courses through VTAC see CourseSearch on the VTAC website.

### Vocational Education Training (VET) courses

**Courses**

VET courses provide professional and para-professional qualifications with an emphasis on practical skills and vocational pathways that lead into higher level training, higher education or employment. A wide variety of study areas are offered; each one involving training for expertise in a particular skill area. VET qualifications are designed for close consultation with industry to ensure the training is current and relevant for industry requirements. Class sizes are usually small allowing for individual attention. These courses may be work based or involve a work placement. VET courses include certificate II, certificate III, certificate IV, diplomas and advanced diplomas.

**Length**

Diplomas and advanced diplomas are normally equivalent to two years full-time study. Some courses offer one year accelerated programs. Refer to the individual course entries in the VTAC Guide 2012, under title and length, for specific details. Certificate IV can be (but are not always) equivalent to one year full-time study. For general VET course enquiries telephone 131 823.

### Teaching styles

**University**

University teaching styles vary, however they generally include formal lectures, tutorials, seminars, practical workshops and/or laboratory classes and work experience placements.

**TAFE**

TAFE teaching styles involve small classes, individual attention and diverse programs. They are devised to ensure that they are highly accessible, provide a range of pathways and ensure practical learning while bridging the gap between work and education.

**Independent Tertiary Colleges**

Independent tertiary colleges offer a diverse range of teaching styles including lectures, workshops, laboratory classes, seminars, small group tutorials, practical work placements, industry visits and self-paced virtual classrooms. Courses may lead to employment or further study at degree or postgraduate level. A number of these courses offer credit transfer or arrangements with other institutions.

All campuses 21 August (10am - 4pm) • The University of Ballarat
All campuses 28 August • The University of Melbourne
Parkville Sunday 21 August, Southbank Sunday 21 August • Victoria University Virtual Open Day 26 June - 30 September (www.vu.edu.au/openday) • William Angliss Institute of TAFE Sunday 7 August (10am - 4pm).
VTAC does not select applicants nor does VTAC influence decisions made by selection authorities at institutions.

Selection is the responsibility of each institution's course selection authorities. When considering your application, course authorities take into account published institutional and course entrance requirements, prerequisite studies and methods such as interviews, folios and supplementary forms.

For a list of the methods used for selection to a course, see Selection mode in the course entries of the VTAC Guide 2012 or 2013 and on the VTAC website.

Two models of selection:
Approximately 50% of all courses use a range of criteria that may include the ATAR as well as other factors such as interview, folio presentations, pre-selection tests, additional forms and so on. Within this mix of criteria there may be different requirements for Year 12 students and non-year 12 students.

ATAR and two-stage process with a middle band of 20%
For courses using this selection method about 80% of places are determined by the ATAR alone. For the remainder of places in these courses additional information is considered for the applicants who do not have an ATAR high enough to guarantee automatic selection, but have an ATAR above that which leads to automatic rejection. These applicants are in the middle-band and they are evaluated in accord with the middle-band criteria published in each year’s VTAC Guide.

Information about factors other than the ATAR are published in the middle-band statement within each course entry in each year's VTAC Guide. These factors are used in addition to the prerequisites and extra requirements in course entries to rank applicants in the middle-band and fill the balance of the course quota.

Study area groupings

Mathematics studies
- Further Mathematics
- Mathematical Methods
- Mathematical Methods (CAS)
- Specialist Mathematics
- Change and Approximation
- Extensions—Change and Approximation
- Reasoning and Data
- Extensions—Reasoning and Data
- Space and Number
- Extensions—Space and Number
- any Mathematics Higher Education study.

English studies
- English
- English (ESL)
- Literature
- English Language
- any English Higher Education study.

Music studies
- Music—History and Styles
- Music Styles
- Music Performance—Group
- Music Performance—Solo
- VCE VET Music Industry—Music Performance
- VCE VET Music Industry—Technical Production
- any Music Higher Education study.

Please note: There are a number of non-scored VET sequences available in this study area.

History studies
- Asian History
- Australian History
- The City in History
- Koori History
- Revolutions
- History of Western Ideas
- Renaissance Italy
- Nationalism and Modern State
- any History Higher Education study.

Contemporary Australian studies
- Contemporary Society
- Australian Studies
- Contemporary Australian Society
- Sociology
- any Contemporary Higher Education study.

IT studies
- VCE Information Systems
- VCE Information Processing and Management
- VCE Information Technology in Society
- VCE VET Information Technology
- VCE Software Development
- VCE IT Applications
- any IT higher education study.

Please note: There are a number of non-scored VET sequences available in this study area, including from the CISCO Networking Program.

*All study grouping areas are correct as at 30 June 2011, but may be revised on the VTAC website and through VTAC Bulletins to schools as soon as revision is confirmed.
### Courses with prerequisites available in 2014

- **Games and Virtual Worlds (Programming)**
  - **Prerequisites:** Units 3 and 4— a study score of at least 20 in English (any) and a study score of at least 20 in Mathematics (any).

### Courses without prerequisites

- **Game Art (Animation)**
- **Game Programming**
- **Screen Art (Animation)**

### Advance TAFE

#### Courses without prerequisites

- **Accounting**
- **Alcohol and Other Drugs**
- **Children’s Services**
- **Community Services Work**
- **Conservation and Land Management**
- **Disability**
- **Graphic Design (Diploma)**
- **Human Resource Management**
- **Management**
- **Nursing**
- **Organic Farming**

### Australian Academy of Design

#### Courses without prerequisites

- **Advertising (Degree)**
- **Fashion Design (Degree)**
- **Graphic Design (Degree)**
- **Photo Media (Degree)**
- **Visual Arts (Degree)**
Courses with prerequisites available in 2014

- **Applied Public Health**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts (Psychology)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts/Commerce**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts/Global Studies**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts/Laws**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Business Administration**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Business Administration/Global Studies**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Business Administration/Laws**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Commerce**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Commerce/Business Administration**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Commerce/Global Studies**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Commerce/Laws**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Counselling**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Creative Arts**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Exercise and Health Science**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English. A study score of at least 25 in mathematics (any) and in one of physics, biology, physical education, health and human development, or outdoor and environmental studies.

- **Exercise and Sports Science**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Human Resource Management**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **International Development Studies**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Laws**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Laws/Global Studies**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Marketing**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Media Communication**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Midwifery**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Nursing**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Nursing (Mental Health)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Nursing (Practice Leadership)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Nursing/Business Administration**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Nursing/Paramedicine**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Occupational Therapy**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English; and a study score of at least 25 in one of biology; chemistry or physics.

- **Paramedicine**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Psychology**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Social Science**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Social Science (Psychology)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.
Courses with prerequisites available in 2014

- **Speech Pathology**
  Prerequisites: Units 3 and 4—studied at least 30 in English (ESL) or 25 in any other English; and a study score of at least 25 in one of biology, chemistry, physics, physical education or health and human development.

- **Teacher Education—Early Childhood and Primary**
  Prerequisites: Units 1 and 2—two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or a study score of 25 in any other English.

- **Teacher Education—Primary**
  Prerequisites: Units 1 and 2—two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or a study score of 25 in any other English.

- **Teaching/Arts (Humanities)**
  Prerequisites: Units 1 and 2—two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English. For major in Mathematics: Units 3 and 4—mathematical methods (CAS) or specialist mathematics.

- **Teaching/Arts (Mathematics)**
  Prerequisites: Units 3 and 4—a study score of at least 25 in mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or 25 in any other English.

- **Theology**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Theology/Laws**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Visual Arts and Design**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in one of art, studio arts, or visual communication and design.

- **Youth Work**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Box Hill Institute  www.boxhill.edu.au

General Principle of Admission Policy

Many TAFE certificate I-IV courses have no prerequisites. Some diploma/advanced diploma courses will require the completion of pathway courses first, such as a certificate III or IV in the same course area.

The eligibility requirement for most Box Hill Institute degree courses is a study score of at least 20 in VCE English (any) Units 3 and 4. In addition some degree courses also require studies in VCE Units 3 and 4 Mathematics, Chemistry or Art. Please see specific course entries below for details.

Box Hill Institute encourages all applicants who do not satisfy course entry requirements to undertake some TAFE pathway or preparatory studies.

Detail of Folio and Audition Preparation

Some TAFE and degree level courses do require applicants to meet folio, audition or interview requirements.

- Most music/performance-related courses will require an audition and interview (e.g. Dance, Music Performance, Music Audio Production, Music Composition)
- Most arts-related courses will require an interview and folio submission as part of the application requirement. (e.g. Design, Fashion, Engineering Jewellery, Graphic Design, Interior Decoration & Design, Professional Writing & Editing, Screen & Media).

Some courses will simply require applicants to attend an information session, or submit a supplementary application form.

Auditions

For courses where applicants are required to attend an audition, applicants are usually required to be able to demonstrate their proficiency as a musician/artist.

Folios

For courses where applicants are required to submit a folio, the folio should usually contain work demonstrating the applicant’s conceptual, creative and technical ability. You may refer to Box Hill Institute’s online ‘Guide to Folio Presentation’, at http://www.bhtafe.edu.au/courses/CI/Pages/auditions-interviews.aspx, to help with your preparation.

Otherwise, detail of specific audition, interview and folio preparation information is available under the relevant course entry, at www.boxhill.edu.au.

Detail of Interview Preparation/Requirements

For courses where applicants are required to attend an interview, applicants are usually asked a series of questions relating to their suitability for the course, demonstration of clear career goals, citing of any relevant industry experience if applicable, and their general aptitude for the course of study.

Refer to the course entries in the VTAC Guide, visit www.boxhill.edu.au, or contact our course information hotline on 1300 269 445 for further information.

  - Prerequisites: Units 3 and 4 – a study score of at least 20 in mathematics (any) and a study score of at least 25 in English (ESL) or 20 in any other English.

- **Engineering–Mechatronics**
  - Prerequisites: Units 3 and 4 – a study score of at least 20 in mathematics (any) and a study score of at least 25 in English (ESL) or 20 in any other English.
General Principle of Admission Policy

Deakin University has general principles of selection, which apply for entry to all undergraduate courses and special principles of selection for entry into specific courses. A study score of at least 25 in English (ESL) or 20 in any other English in Units 3 and 4 of a VCE English is a prerequisite for all Deakin courses, unless a higher study score is specified in the course entry requirements. Further information about admission and selection policy can be found at http://theguide.deakin.edu.au

Detail of Interview Preparation/Requirements

Applicants who are required to attend an interview or supply any additional information must demonstrate a range of attributes, e.g. personal motivation, relevant experience or previous study, an understanding of the course and/or potential employment opportunities.

Courses with prerequisites available in 2014

- Architectural Technology
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English

- Architecture
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

- Architecture/Construction Management
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

- Arts
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

- Arts/Commerce
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

- Arts/Law
  Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English.

- Arts/Management
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

- Arts/Science
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

- Biological Science
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.
Biomedical Science
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English, and a study score of at least 20 in one of biology, chemistry or physics.

Business (Sport Management)
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Business Information Systems
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Business Information Systems/Information Technology
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Chinese/Commerce
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Commerce
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Commerce (Dean’s Scholars Program)
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English.

Commerce/Law
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English.

Commerce/Science
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Construction Management
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Criminology
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Criminology/Law
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English.

Dance
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Drama
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Engineering (Civil)
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English, and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics.

Engineering (Engineering Scholars Program)
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English, and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics. Minimum ATAR of 80.00.

Engineering Science–Medical Technology
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Engineering Science–Sports Technology
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Engineering/Commerce
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics.

Engineering/Information Technology
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics.

Engineering/Science
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics.

Engineering–Electrical and Electronics
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English, and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics.

Engineering–Mechanical
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English, and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics.

Engineering–Mechatronics and Robotics
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English, and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics.

Environmental Management and Sustainability
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Exercise and Sport Science
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Exercise and Sport Science/Business (Sport Management)
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Film and Digital Media
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Fisheries and Aquaculture
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Food and Nutrition
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Forensic Science
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English, and a study score of at least 20 in mathematics (any).

Forensic Science/Criminology
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English, and a study score of at least 20 in mathematics (any).

Global Science and Technology Program
Prerequisites: Applicants must refer to the prerequisites for their specific Science, Engineering, Architecture, Construction Management, Environmental Science or Information Technology preference. Minimum ATAR of 80.00.

Health and Physical Education (Secondary)
Prerequisites: Units 1 and 2 – two units (any study combination) from general mathematics or mathematical methods (CAS) OR Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Health Sciences
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Health Sciences/Arts
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Information Technology
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Information Technology (Honours)
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English. Minimum ATAR of 80.00.

Information Technology (Professional Practice)
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English. Minimum ATAR of 80.00.

Information Technology–Computer Science/Software Development
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.
Information Technology–Games Design and Development
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Information Technology–IT Security
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Information Technology–Mobile and Apps Development
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

International Studies
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

International Studies/Commerce
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

International Studies/Law
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English.

Language (Diploma)
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Law
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English.

Law/Science
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English.

Management
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Management/Law
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English.

Marine Biology
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Media and Communication
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Nursing
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Nursing/Midwifery
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Nursing/Psychology
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Nursing/Public Health and Health Promotion
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Occupational Therapy
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Optometry
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Professional and Creative Writing
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Property and Real Estate
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Property and Real Estate/Commerce
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Psychology
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Psychology
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Public Health and Health Promotion
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Public Health and Health Promotion/Commerce
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Public Relations
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Science
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Science and Technology (Dean’s Scholars Program)
Prerequisites: Applicants must refer to the prerequisites for their specific Science, Engineering, Architecture, Construction Management, Environmental Science, or Information Technology preference. Minimum ATAR of 90.00.

Social Work
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Sport Development
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Teaching–Primary
Prerequisites: Units 1 and 2 – two units (any study combination) from general mathematics or mathematical methods (CAS), or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Teaching–Science/Science
Prerequisites: Units 1 and 2 – two units (any study combination) from general mathematics or mathematical methods (CAS), or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 20 in any one of mathematics (any), biology, chemistry, environmental science.

Teaching–Secondary/Arts
Prerequisites: Units 1 and 2 – two units (any study combination) from general mathematics or mathematical methods (CAS), or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Tourism/Management
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Visual Arts
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Visual Communication Design
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Wildlife and Conservation Biology
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

Zoology and Animal Science
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

### Detail of Folio Audition/Preparation

Art and Design Courses: Folios should contain items that best demonstrate the range of skills and abilities that the applicant has achieved in areas of art and design. Examples can include sketches, ideas, journals, print media, 3D models, photo media, digital arts, multimedia, painting, sculpture, drawings. Original examples are preferred where possible however photographic documentation is acceptable. Folio preparation courses are available. Visit www.thegordon.edu.au or contact course information on (03) 5225 0800 for more information.

### Detail of Interview Preparation/Requirements

**Interview Criteria**

In general terms the following areas may be covered during the interview process: communication and teamwork skills, personal motivation, careers outcomes and opportunities, and the ability to demonstrate an awareness and understanding of the course.

**Sport and Recreation:**

Applicants will be assessed on their experience in the outdoor recreation and sport industries, either from school, work or in their leisure time.

### Courses without prerequisites

- Accounting
- Beauty Therapy
- Building and Construction
- Building Design
- Building Surveying
- Computer Systems
- Conservation and Land Management
- Engineering–Mechanical/Manufacturing
- Events
- Events/Sport and Recreation Administration
- Events/Sustainability
- Fashion and Textile Merchandising
- Fashion Design
- Graphic Design
- Hospitality
- Hospitality/Events
- Information Technology
- Information Technology (Networking)
- Information Technology (Website Development)
- Interior Design and Decoration
- International Business
- Laboratory Technology
- Make-up
- Marketing
- Outdoor Recreation
- Outdoor Recreation/Youth Work
- Sport (Sport Coaching)
- Sport (Sport Development)
- Tourism
- Tourism/Events
- Tourism/Sustainability

### General Principle of Admission Policy

For more information on all GOTAFE courses visit www.gotafe.vic.edu.au or call 1300 GOTAFE (1300 468233). Many GOTAFE Certificate I to IV qualifications have no prerequisites. Some Diploma/Advanced Diploma courses will require the completion of pathway courses first, such as a Certificate III or IV in the same course area.

Applicants may be required to attend an information session, interview or folio presentation. Applicants required to attend an interview will be expected to demonstrate communication skills, literacy and numeracy skills, personal motivation, enthusiasm and an awareness and understanding of the course.

### Courses without prerequisites

- Accounting
- Acting
- Agriculture
- Events
- Graphic Design
- Hospitality
- Information Technology (Networking)
- Live Production, Theatre and Events
- Media Games Development
- Nursing
- Outdoor Recreation
- Professional Writing & Editing
- Sport Development
- Tourism
- Visual Art
Courses without prerequisites

- Advertising and Graphic Design
- Beauty Therapy
- Business
- Design
- Interior Decoration and Design

Courses without prerequisites

- Accounting
- Business (Degree)
- Fashion and Business
- Hospitality
- Information Technology
- Management
- Professional Accounting (Degree)

General Principle of Admission Policy

For degree programs, some courses may require studies in VCE Units 3 and 4 Mathematics, folio submissions or an interview. Pathways through TAFE studies are available to applicants who do not satisfy entry requirements for a degree. Students who successfully complete a Diploma or Advanced Diploma in a related field may receive up to 8 to 12 credits for a degree.

For further information about entry criteria for Holmesglen courses refer to the course information on www.holmesglen.edu.au or contact (03) 9564 1555.

Detail of Folio Audition/Preparation

Folios that best demonstrate the ability of an applicant to undertake a program in a particular discipline should be presented at interview. Folio contents are not limited to, but could include, observational drawing, sketches, concept drawings, use of the design process, 2D and 3D work, photography, media, short films, storyboards, textiles, fashion garments and other art forms and media. Original artwork is preferred, but good quality photographic documentation is acceptable.

Detail of Interview Preparation/Requirements

Courses that require interviews will cover the following areas at interview: motivation for completion of a particular course, communication skills, ability to present artwork knowledge of course structure and job outcomes.

Courses with prerequisites available in 2014

- Early Childhood Education (Degree)
  Prerequisites: Units 1 and 2–general mathematics or mathematical methods (CAS) or Units 3 and 4–mathematics (any). Units 3 and 4–a study score of 25 in English (any).

- Nursing (Degree)
  Prerequisites: Units 3 and 4–mathematics (any), and a study score of at least 25 in English (any).

Courses without prerequisites

- Accounting
- Accounting (Degree)
- Administration
- Advertising
- Animation–Screen Production (Degree)
- Banking Services
- Building (Construction Management) (Degree)
- Building and Construction (Building)
- Building Design
- Building Surveying
- Business Administration (Degree)
- Ceramics
- Conservation and Land Management/ Sustainability
- Design
Kangan Institute

General Principle of Admission Policy

Information about selection criteria will be outlined in Selection mode and Extra requirements in the VTAC Guide 2014. Some useful information that students should consider when applying for particular courses at Kangan Institute is listed below.

Detail of Interview/Preparation Requirements

Applicants that are required to submit a resume should list previous work experience, extra curricular activities, competition/prizes, recent school report and any other relevant information that may support their application for that course.

Students may be required to complete a test as part of the selection process. Tests may vary from general aptitude tests to more course-specific tests.

Detail of Folio/interview preparation

Applicants that are required to submit samples of work will need to provide three pieces of their own work which can include fashion garments, textiles art & craft, wearable art, accessories, studio art, photography, multimedia or graphic work.

Applicants that are required to present a folio at their interview should provide a folio that reflects how the applicant creates mood and style, originality and creativity, the different disciplines that are conveyed e.g. fashion garments, wearable art, accessories and layout techniques and presentation.

Courses without prerequisites

- Accounting
- Administration
- Auslan
- Building and Construction
- Building and Construction/Sustainability
- Fashion and Textiles Merchandising
- (Fashion Buyer)
- Fashion Design
- Information Technology Networking
- Interactive Digital Media
- Justice
- Liberal Arts
- Management
- Massage Therapy
- Printing and Graphic Arts (Multimedia)
- Tourism
- Visual Merchandising

Courses and Institutions
Courses with prerequisites available in 2014

- **Bioscience**
  Prerequisites: Units 3 and 4—a study score of at least 20 in English (any) and a study score of at least 20 in Mathematics (any).

- **Business**
  Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

- **Health Sciences**
  Prerequisites: Units 3 and 4—a study score of at least 20 in English (any) and a study score of at least 20 in one of Biology, Chemistry, Mathematics (any), Physical Education or Physics.

- **Information Technology**
  Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

- **Mass Media and Communications**
  Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

La Trobe University

**General Principle of Admission Policy**

In pursuing its regional mission, the University may adjust upwards the aggregate of applicants from regional schools. Some courses are available for commencement at other campuses. Please check the VTAC Guide 2013 for accurate campus information.

**Detail of Folio/interview preparation**

Studies such as visual communication and design or studio arts will assist in the development of a portfolio for:
- Graphic Design (Bendigo & Mildura)
- Visual Arts (Bendigo & Mildura)

**Detail of Interview Preparation/Requirements**

General awareness of and enthusiasm for aesthetics and design sense, initiative, personal motivation and the ability to communicate, an understanding of the course structure and a commitment to tertiary study.

Courses with prerequisites available in 2014

- **Accounting**
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

- **Accounting**
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

- **Accounting and Finance**
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematics (any).

- **Accounting/Economics**
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematics (any).

- **Accounting/Finance**
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English, and a study score of at least 20 in mathematics (any).

- **Accounting/Information Technology**
  Prerequisites: Minimum ATAR of 70.00, Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

- **Agricultural Sciences**
  Prerequisites: Units 3 and 4—English (any).

- **Agricultural Sciences/Business**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Agricultural Sciences/International Development**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Animal and Veterinary Biosciences**
  Prerequisites: Units 3 and 4—English (any).

- **Archeology**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts**
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

- **Arts/Accounting**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts/Arts Education**
  Prerequisites: Units 1 and 2—two units, any study combination from general mathematics or mathematical methods (CAS), Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts/Economics**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 20 in mathematics (any).

- **Arts/Health Sciences**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 20 in one of biology, chemistry, mathematics (any), physics or physical education.

- **Arts/Science**
  Prerequisites: Units 3 and 4—one of mathematical methods (CAS) or specialist mathematics and a study score of at least 25 in English (ESL) or 20 in any other English.
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematics (any).

**Biological Sciences (Advanced Science)**
Prerequisites: A minimum ATAR of 85.00. Units 3 and 4 – English (any).

**Biomedical Science**
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of 25 in chemistry.

**Bioscience**
Prerequisites: Units 1 and 2 – two units (any study combination) from science (any), mathematics (any), geography, health & human development, information technology or physical education or Units 3 and 4 – science (any), mathematics (any), geography, health & human development, information technology or physical education. Units 3 and 4 – English (any).

**Business**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

**Business Information Systems**
Prerequisites: Units 1 and 2 – two units (any study combination) from general mathematics or mathematical methods (CAS), Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

**Business/Information Technology**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

**Civil Engineering**
Prerequisites: Units 3 and 4 – English (any), mathematical methods (CAS) and either specialist mathematics or physics.

**Civil Engineering/Business**
Prerequisites: Units 3 and 4 – English (any), mathematical methods (CAS) and one of specialist mathematics or physics.

**Civil Engineering/Science**
Prerequisites: Units 3 and 4 – English (any), mathematical methods (CAS) and either specialist mathematics or physics.

**Community Development**
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

**Computer Science**
Prerequisites: Units 3 and 4 – English (any) and either mathematical methods (CAS) or specialist mathematics.

**Computer Science (Honours)/Electronic Engineering**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English and either a study score of at least 25 in mathematical methods (CAS) or a study score of at least 20 in specialist mathematics.

**Computer Science in Games Technology**
Prerequisites: Units 3 and 4 – English (any) and either mathematical methods (CAS) or specialist mathematics.

**Computer Science/Accounting**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English and either a study score of at least 25 in mathematical methods (CAS) or a study score of at least 20 in specialist mathematics.

**Computer Systems Engineering**
Prerequisites: Units 3 and 4 – English (any) and either mathematical methods (CAS) or specialist mathematics.

**Corporate Finance**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematics (any).

**Creative Arts**
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

**Early Childhood Education**
Prerequisites: Units 3 and 4 – two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4 mathematics (any), Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

**Economics**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematics (any).

**Education**
Prerequisites: Units 1 and 2 – two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4 mathematics (any), Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

**Electronic Engineering**
Prerequisites: Units 3 and 4 – English (any) and either mathematical methods (CAS) or specialist mathematics.

**Electronic Technology**
Prerequisites: Units 3 and 4 – English (any) and either mathematical methods (CAS) or specialist mathematics.

**Event Management**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

**Event Management/Marketing**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

**Event Management/Tourism Management**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

**Finance**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematics (any).

**Financial Risk Management**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematics (any).

**Financial Services**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

**Graphic Design**
Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or 20 in any other English.

**Health Sciences**
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 20 in one of biology, chemistry, mathematics (any), physical education or physics.

**Health Sciences in Dentistry/Dentistry**
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (any) and a study score of at least 25 in biology and chemistry.

**Health Sciences/Business**
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 20 in one of biology, chemistry, mathematics (any), physical education or physics.

**Health Sciences/Clinical Prosthetics and Orthotics**
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in two of biology, chemistry, mathematics (any), physical education or physics.

**Health Sciences/Dietetic Practice**
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in two of biology, chemistry, mathematics (any), physical education or physics.

**Health Sciences/Exercise Physiology**
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 20 in one of biology, chemistry, mathematics (any), physical education or physics.

**Health Sciences/Health Information Management**
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 20 in one of biology, chemistry, mathematics (any), physical education or physics.
Health Sciences/International Development
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 20 in one of biology, chemistry, mathematics (any), physical education or physics.

Health Sciences/Occupational Therapy Practice
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in one of biology, chemistry, physics, physical education or mathematics (any).

Health Sciences/Orthoptics
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in two of biology, chemistry, mathematics (any), physical education or physics.

Health Sciences/Paramedic Practice
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 20 in two of biology, chemistry, health and human development, mathematics (any), physical education, physics or psychology.

Health Sciences/Physiotherapy Practice
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in two of biology, chemistry, mathematics (any), physical education or physics.

Health Sciences/Podiatric Practice
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in two of biology, chemistry, mathematics (any), physical education or physics.

Health Sciences/Speech Pathology
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English and a study score of at least 25 in one of biology, chemistry, mathematics (any), physical education or physics.

Human Nutrition
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in two of biology, chemistry, mathematics (any), physical education or physics.

Human Resource Management
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Human Services/Social Work
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Information Technology
Prerequisites: Units 3 and 4—English (any).

Information Technology (Professional)
Prerequisites: Minimum ATAR of 80.00. Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English, and a study score of at least 20 in mathematics (any).

International Banking and Finance
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematics (any).

International Business
Prerequisites: Units 1 and 2—any two units of general mathematics or mathematical methods (CAS), Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

International Development
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

International Relations
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Investments
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematics (any).

Journalism
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Journalism (Sport)
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Law (undergraduate entry)
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English.

Law/Accounting
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English.

Law/Arts
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English.

Law/Business
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English.

Law/Economics
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English and a study score of at least 20 in mathematics (any).

Law/Finance
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English and a study score of at least 20 in mathematics (any).

Law/International Relations
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English.

Law/Media Studies
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English.

Law/Psychological Science
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English.

Law/Science
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics.

Leadership and Management
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Legal Studies
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Marketing
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Media Studies
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Medicinal Chemistry
Prerequisites: Units 3 and 4—English (any), chemistry and either mathematical methods (CAS) or specialist mathematics.

nanotechnology/Science
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, chemistry and in mathematical methods (CAS) and at least 20 in specialist mathematics or physics.

Natural Resources Education
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Nature Tourism
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Oral Health Science
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in one of biology, chemistry or physical education.

Outdoor Education
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.
Outdoor Environmental Education
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Outdoor Recreation Education
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Outreach and Community Education
Prerequisites: Units 1 and 2—two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4 mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Pharmacy
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in chemistry and in mathematical methods (CAS).

Physical and Health Education
Prerequisites: Units 1 and 2—two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4 mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Physical and Outdoor Education
Prerequisites: Units 1 and 2—any two units of general mathematics or mathematical methods (CAS) or Units 3 and 4 mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English; and a study score of at least 25 in one of physical education, health and human development or outdoor and environmental studies.

Politics, Philosophy and Economics
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in English (any) and at least 25 in mathematics (any). Accelerated entry may be granted to applicants with an ATAR better than 90 and Units 3 and 4—a study score of at least 30 in mathematics (any).

Psychological Science
Prerequisites: Units 3 and 4—English (any).

Science
Prerequisites: Units 3 and 4—English (any) and further mathematics or mathematical methods (CAS) and one of specialist mathematics, biology, chemistry, physics, psychology or environmental science.

Science (Applications in Society)
Prerequisites: Units 3 and 4—a study score of 25 in English (ESL) or 20 in any other English.

Science (Honours)/Nanotechnology
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, chemistry and mathematical methods (CAS), and a study score of at least 20 in one of specialist mathematics or physics.

Science (Wildlife and Conservation Biology)
Prerequisites: Units 3 and 4—English (any).

Science Double Degree Program
Prerequisites: A minimum ATAR of 80.00. Units 3 and 4—English (any) and either mathematical methods (CAS) or specialist mathematics.

Science/Accounting
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics.

Science/Science Education
Prerequisites: Units 3 and 4—mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or 25 in any other English.

Social Sciences
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Sport Management
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Strategic Communication
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Teaching (Primary)
Prerequisites: Units 1 and 2—two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Teaching (Secondary)
Prerequisites: Units 1 and 2—two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4 mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Tourism and Hospitality
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Tourism Management
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Tourism Management/Marketing
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Urban, Rural and Environmental Planning
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Visual Arts
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English.

Wealth Management
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or 20 in any other English and a study score of at least 20 in mathematics (any).

- **Art and Design Studies**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts (Human Behaviour Stream)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts (Psychology Stream)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Business (Business stream)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematics (any).

- **Business (Commerce stream)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in specialist mathematics or mathematical methods (CAS).

- **Engineering Studies**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English. A study score of at least 25 in specialist mathematics or mathematical methods (CAS) and in at least one of chemistry or physics.
Monash University

General Principle of Admission Policy

Institutional Requirement

VCE: A minimum of four Units 3 and 4 study scores including a study score of at least 30 in English (ESL) or 25 in any other English is required. See course entries for further details and specific faculty requirements on the level of achievement in study scores.

Eligibility score

Monash University has set an eligibility score for courses (based on ATAR). A list of the University’s eligibility scores can be found at the Going to Uni website http://myuniversity.gov.au/CourseSearch Please note that the University also has a minimum ATAR of 70.00 for all Bachelor Degree courses, even where middle-band is not used or where a range of selection criteria is used. This applies to both Commonwealth Supported and International Full Fee places. Domestic applicants who receive a SEAS bonus may be selected under the eligibility score or the University’s minimum ATAR if the bonus lifts them above this rank.

Middle-band

Selection officers will take into account each student’s academic performance. This will include all information associated with the VCE, IB or interstate Year 12 performance in alternative qualifications (i.e. VET or higher education studies) and studies additional to those used for the determination of theATAR (i.e. a 7th VCE study). For applicants that fall into a course middle-band, selection officers will pay particular attention to performance in prerequisites studies and relevant higher education studies.

Middle-band consideration cannot be extended to applicants with an ATAR below the minimum eligibility score for the course as published via the course information system on the DEST GoingToUni website at http://myuniversity.gov.au/CourseSearch

Aptitude Tests

Year 12 applicants may receive some middle-band consideration for GAT results and this consideration may still be available in 2015. For current information see www.adm.monash.edu.au/admissions/aptitude-tests.html and the VTAC Guide 2014.

New Zealand Applicants

New Zealand secondary school students must successfully complete the NCEA (level 3) and must have completed achievement standards with a minimum of 80 credit points in no more than 5 subjects from a list of approved subjects (see website below). Applicants are advised to complete 24 credit points at level 3 in English (or at level 3 in another English rich subject) to meet the University’s minimum English language requirements. For more information visit www.adm.monash.edu.au/admissions/undergrad/entry-requirements/nzncearequirements.html

For further information on Monash institutional entry requirements see www.adm.monash.edu.au/admissions

Detail of Folio Preparation/Requirements

The folio should contain 10–15 items that give the best indication of the standard and potential of the applicant’s work. Applicants are advised to undertake the following subjects/studies in the development of the folio:

- Industrial Design/Interior Architecture: VCE Product Design and Technology or Visual Communication and Design;
- Communication Design: VCE Art, Studio Arts, Visual Communication and Design VCE Art, Studio Arts, Visual Communication and Design, Media, Information technology, Product Design and technology or equivalent;
- Visual Arts/Visual and Media Arts/Fine Art: VCE Art, Studio Arts or equivalent.

Applicants should present a folio which best demonstrates skills in their chosen art forms. Examples can include design work/ideas, drawings, drawing models, paintings, photography, prints, 2D or 3D works. The submission of sketchbooks, art notebooks and journals is also acceptable. Original works are preferred, but where works are too large to bring to the interview, they can be presented in photographic form, preferably in colour. Applicants who live interstate or in remote areas, or who cannot produce their folio because it is required for external examination purposes, should present photographic evidence of their work in colour. Information on presenting a folio for interview is available at: www.artdes.monash.edu.au/study/apply/

Detail of Interview/Preparation Requirements

Art Design and Architecture courses: An interview panel will study the quality and potential of the folio and assess ability and motivation for successful study and communication skills.

Music (Clayton) (Performance): Applicants should prepare two contrasting (e.g. style, period, composer) works, no longer than 10–15 minutes altogether. Technical and/or sight work may also be requested. The audition will comprise selections from the applicant’s audition material and a brief interview. (Composition): Applicants must compile a composition folio with two original compositions (any style). They can be submitted as audio recordings, music scores or both. Further details are available at www.arts.monash.edu.au/auditions/music.php

Performing Arts (Clayton): The audition/interview focuses on providing students with an opportunity to introduce themselves rather than demonstrating skills (i.e. who you are, not just how well you can read, act or sing). Applicants should bring along a sample audition piece and/or any other creative materials. Further details are available at www.arts.monash.edu.au/auditions/performing-arts.php

Academic Performance

Academic achievement is a significant consideration in arriving at a final ranking. Evidence of such achievement, such as references, reports and mid-year examination results or school assessments of VCE potential results may be brought to the interview. A minimum ATAR is a factor in the selection process for the following Art and Design courses: Fine Art, Industrial Design, Interior Architecture, Visual Communication and Visual and Media Arts. Refer to course entries in the VTAC Guide 2014 for details of the minimum ATAR required.

Weighting Criteria

All interview and folio assessment and academic performance criteria are weighted equally.
Courses with prerequisites available in 2014

- **Accounting**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

- **Accounting**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

- **Accounting and Finance**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

- **Accounting/Banking and Finance**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

- **Accounting/Management**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

- **Aerospace Engineering**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

- **Aerospace Engineering/Arts**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

- **Aerospace Engineering/Law**
  Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

- **Aerospace Engineering/Science**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

- **Applications Development**
  Prerequisites: Units 1 and 2 or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Architecture**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

- **Architecture Scholars program**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

- **Arts**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts (Global)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts (Global)/Commerce**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

- **Arts (Global)/Science**
  Prerequisites: Units 3 and 4—one of biology, chemistry, mathematical methods (CAS), physics, geography, psychology or specialist mathematics, and a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts and Social Sciences**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts and Social Sciences (Associate Degree)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts and Social Sciences/Business and Commerce**
  Prerequisites: Units 1 and 2—two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts and Social Sciences/Community Welfare and Counselling**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts and Social Sciences/Fine Arts (Pre-Professional) and Arts (Global)**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

- **Arts and Social Sciences/Visual and Media Arts**
  Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 30 in art or studio arts.
**Chemistry and in one of mathematical methods**

**Arts/Science**
Prerequisites: Units 3 and 4—one of biology, chemistry, mathematical methods (CAS), physics, geography, psychology or specialist mathematics, and a study score of at least 30 in English (ESL) or 25 in any other English.

**Arts/Social Work**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

**Arts/Visional Arts**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 30 in art or studio arts.

**Banking and Finance**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics.

**Behavioural Science**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

**Biomedical Science**
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 25 in chemistry and in one of physics, mathematical methods (CAS) or specialist mathematics.

**Biomedical Science (Scholar Program)**
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 40 in chemistry and in one of physics, mathematical methods (CAS) or specialist mathematics.

**Biomedical Science Advanced with Honours**
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 30 in chemistry and in one of physics, mathematical methods (CAS) or specialist mathematics.

**Biomedical Science/Commerce**
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 25 in chemistry and mathematical methods (CAS) or specialist mathematics.

**Biomedical Science/Engineering**
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 25 in chemistry, mathematical methods (CAS) and in one of physics or specialist mathematics.

**Biomedical Science/Law**
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 25 in chemistry and in one of physics, mathematical methods (CAS) or specialist mathematics.

**Biomedical Science/Science**
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, and a study score of at least 25 in chemistry and in one of mathematical methods (CAS), specialist mathematics or physics.

**Biotechnology**
Prerequisites: Units 3 and 4—a study score of at least 25 in chemistry and one of mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or 25 in any other English.

**Business**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

**Business (Psychology)**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

**Business and Commerce**
Prerequisites: Units 1 and 2—two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

**Business and Commerce/Visual and Media Arts**
Prerequisites: Units 1 and 2—two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 30 in one of art or studio arts.

**Business Information Systems**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

**Business Law**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

**Business/Sport and Outdoor Recreation**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematics (any).

**Business/Visual Arts**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any) and a study score of at least 30 in art or studio arts.

**Civil and Environmental Engineering**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in chemistry, physics and in mathematical methods (CAS).

**Commerce**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

**Commerce Scholars program**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

**Commerce Scholars program/Economics**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

**Commerce/Aerospace Engineering**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

**Commerce/Economics**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

**Commerce/Education (Secondary)**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

**Commerce/Engineering**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

**Commerce/Law**
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

**Commerce/Mechatronics Engineering**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

Communications Design
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a minimum ATAR of 70.

Community Welfare and Counselling
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Community Welfare and Counselling (Associate Degree)
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Community Welfare and Counselling/ Diploma of Community Services (Alcohol, Other Drugs and Mental Health)
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Community Welfare and Counselling/ Diploma of Disability
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Computer Science
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 20 in mathematical methods (CAS) or specialist mathematicians, or at least 35 in further mathematics.

Computer Systems Engineering
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in each of physics and mathematical methods (CAS).

Criminal Justice
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Diploma of Tertiary Studies
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a minimum ATAR of 50 and, Business stream: Units 3 and 4 – a study score of at least 25 in mathematics (any), Business and Commerce, Education, Nursing streams: Units 1 and 2 – two units (any study combination) from general mathematics or mathematical methods (CAS) or Units 3 and 4 – mathematics (any), Sciences stream: Units 3 and 4 – one of biology, chemistry, mathematical methods (CAS), physics, geography, psychology or specialist mathematics.

Early Childhood Education
Prerequisites: Units 1 and 2 – two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4 – mathematics (any), Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Economics
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

Economics Advanced with Honours
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a score of at least 25 in mathematical methods (CAS) or specialist mathematics.

Education (P-10)
Prerequisites: Units 1 and 2 – two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4 – mathematics (any), Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Education (Special Education)
Prerequisites: Units 1 and 2 – two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4 – mathematics (any), Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Emergency Health (Paramedic)
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematics (any).

Engineering
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Engineering/Architectural Design
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Engineering/Arts
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Engineering/Industrial Design
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Engineering/Law
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Engineering/Pharmaceutical Science
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in each of mathematical methods (CAS), chemistry and one of biology, physics or specialist mathematicians.

English Language
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Enterprise Information Management
Prerequisites: Units 1 and 2 or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Environmental Engineering
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Environmental Engineering/Arts
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Environmental Engineering/Commerce
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Environmental Engineering/Science
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Environmental Science
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Fine Art
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a minimum ATAR (refer to VTAC Guide for details of the minimum ATAR required).

Games Development
Prerequisites: Units 1 and 2 or Units 3 and 4 – mathematics (any), Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Health Promotion
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Health Science
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Health Science/Business
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematics (any).

Health Science/Social Work
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Industrial Design
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, a study score of at least 20 in mathematics (any) and a minimum ATAR (refer to VTAC Guide for details of the minimum ATAR required).
Information and Communication Technologies
Prerequisites: Units 1 and 2 or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Information Technology and Systems
Prerequisites: Units 1 and 2 or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Interior Architecture
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

International
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Journalism
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Journalism/Commerce
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematics (any).

Journalism/Science
Prerequisites: Units 3 and 4 – one of biology, chemistry, mathematical methods (CAS), physics, geography, psychology or specialist mathematics and a study score of at least 30 English (ESL) or 25 in any other English.

Journalism/Science
Prerequisites: Units 3 and 4 – one of biology, chemistry, mathematical methods (CAS), physics, geography, psychology or specialist mathematics and a study score of at least 30 English (ESL) or 25 in any other English.

Languages
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Law
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English.

Management/Marketing
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

Marketing
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematics (any).

Mechatronics Engineering
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Mechatronics Engineering/Arts
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Mechatronics Engineering/Science
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Medical Bioscience
Prerequisites: Units 3 and 4 – one of biology, chemistry, mathematical methods (CAS), physics, geography, psychology or specialist mathematics and a study score of at least 30 in English (ESL) or 25 in any other English.

Medicine/Surgery
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English and a study score of at least 30 in chemistry.

Midwifery
Prerequisites: Units 1 and 2 – two units (any study combination) from general mathematics or mathematical methods (CAS), or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Multimedia Development
Prerequisites: Units 1 and 2 or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Music
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Music/Commerce
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Music/Education (Primary)
Prerequisites: Units 1 and 2 – two units (any study combination of general mathematics or mathematical methods (CAS) or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Music/Education (Secondary)
Prerequisites: Units 1 and 2 – two units (any study combination of general mathematics or mathematical methods (CAS) or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Music/Law
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English.

Music/Performing Arts
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Nursing
Prerequisites: Units 1 and 2 – two units (any combination) from general mathematics or mathematical methods (CAS), or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Nursing (Community Health)
Prerequisites: Units 1 and 2 – general mathematics or mathematical methods (CAS), or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Nursing Practice
Prerequisites: Units 1 and 2 – two units (any combination) from general mathematics or mathematical methods (CAS), or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Nursing Practice/Midwifery
Prerequisites: Units 1 and 2 – two units (any study combination) from general mathematics or mathematical methods (CAS), or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Nursing/ Emergency Health
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematics (any).

Nursing/ Midwifery
Prerequisites: Units 1 and 2 – two units (any study combination) from general mathematics or mathematical methods (CAS), or Units 3 and 4 – mathematics (any). Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.

Nutrition and Dietetics
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English and a study score of at least 30 in chemistry.

Nutrition Science
Prerequisites: Units 3 and 4 – a study score of at least 35 in English (ESL) or 30 in any other English and a study score of at least 25 in chemistry.

Occupational Therapy
Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or 25 in any other English.
Performing Arts
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Performing Arts/Law
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English.

Pharmaceutical Science
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in chemistry and mathematical methods (CAS) or specialist mathematics.

Pharmaceutical Science Advanced with Honours
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in chemistry and mathematical methods (CAS) or specialist mathematics.

Pharmacy
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in chemistry and mathematical methods (CAS) or specialist mathematics.

Pharmacy Scholars program
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in chemistry and mathematical methods (CAS) or specialist mathematics.

Pharmacy/Commerce
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in chemistry and mathematical methods (CAS) or specialist mathematics.

Physiotherapy
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, and a study score of at least 25 in any two of chemistry, biology, mathematical methods (CAS), physics or specialist mathematics.

Primary Education
Prerequisites: Units 1 and 2—two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any), Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Primary Education
Prerequisites: Units 1 and 2—two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any), Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Professional Communication
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Professional Communication/Professional Writing and Editing (Chisholm)
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Psychology
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Psychology (with Honours)
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Psychology/Community Welfare and Counselling
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Radiography and Medical Imaging
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English and a study score of at least 25 in physics or biology and in mathematical methods (CAS) or specialist mathematics.

Science
Prerequisites: Units 3 and 4—one of biology, chemistry, mathematical methods (CAS), physics, geography, psychology or specialist mathematics, and a study score of at least 30 in English (ESL) or 25 in any other English.

Science Advanced with Honours
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, a study score of at least 30 in mathematical methods (CAS) and in two of biology, chemistry, geography, physics or specialist mathematics.

Science Scholar Program
Prerequisites: Units 3 and 4—a study score of at least 35 in English (ESL) or 30 in any other English, and a study score of at least 30 in mathematical methods (CAS) and in two of biology, chemistry, geography, physics or specialist mathematics.

Science/Computer Science
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics, or at least 35 in further mathematics.

Science/Education (Primary)
Prerequisites: Units 1 and 2—two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any), Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Science/Education (Secondary)
Prerequisites: Units 1 and 2—two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any), Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Science/Engineering
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 25 in mathematical methods (CAS) and in one of chemistry or physics.

Science/Law
Prerequisites: Units 3 and 4—one of biology, chemistry, mathematical methods (CAS), physics, geography, psychology or specialist mathematics, and a study score of at least 35 in English (ESL) or 30 in any other English.

Social Welfare
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Software Engineering
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 20 in mathematical methods (CAS) or specialist mathematics, or at least 35 in further mathematics.

Sport and Outdoor Recreation
Prerequisites: Units 1 and 2—two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any), Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Sport and Outdoor Recreation/Education (Primary)
Prerequisites: Units 1 and 2—two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any), Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Sport and Outdoor Recreation/Education (Secondary)
Prerequisites: Units 1 and 2—two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any), Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Veterinary Bioscience
Prerequisites: Units 3 and 4—one of biology, chemistry, mathematical methods (CAS), physics, geography, psychology or specialist mathematics and a study score of at least 30 in English (ESL) or 25 in any other English.

Visual and Media Arts
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English.

Visual and Media Arts (Diploma of Tertiary Studies)
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a minimum ATAR of 50.

Visual Arts
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English and a study score of at least 30 in art or studio arts.
Moorabbin Flying Services

Courses without prerequisites

- Aviation

Navitas College of Public Safety
www.ncps.edu.au

Courses with prerequisites available in 2014

- Criminal Justice (Degree)
  Prerequisites: Units 3 and 4—a study score of at least 25 in English (any).

Northern Melbourne Institute of TAFE
www.nmit.vic.edu.au

Courses with prerequisites available in 2014

- Accounting (Degree)
  Prerequisites: Units 3 and 4—English (any).

- Agriculture and Land Management (Degree)
  Prerequisites: Units 3 and 4—English (any) and mathematics (any) and one of chemistry or biology.

- Aquaculture and Environmental Management (Degree)
  Prerequisites: Units 3 and 4—mathematics (any) and one of chemistry or biology.

- Early Childhood Education
  Prerequisites: Units 1 and 2—general mathematics or mathematical methods (CAS), Units 3 and 4—a study score of at least 25 in English.

- Early Childhood Studies
  Prerequisites: Units 1 and 2—general mathematics or mathematical methods (CAS), Units 3 and 4—a study score of at least 25 in English.

- Education (Early years)
  Prerequisites: Units 1 and 2—general mathematics or mathematical methods (CAS), Units 3 and 4—a study score of at least 25 in English.

- Equine Studies (Degree)
  Prerequisites: Units 3 and 4—English and mathematics (any) and one of chemistry or biology.

- Hospitality Management (Degree, Associate Degree)
  Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

- Illustration (Degree)
  Prerequisites: Units 3 and 4—English (any), and visual communication and design.

- Music (Degree)
  Prerequisites: Units 3 and 4—music performance

Courses without prerequisites

- Accounting
- Administration
- Animal Care and Management
- Aromatherapy
- Beauty Therapy
- Building and Construction
- Building Design
- Building Surveying
- Commercial Cookery
- Computer Systems
- Conservation and Land Management
- Design
- Digital and Interactive Media
- Engineering—Civil
- Engineering—Mechanical/Manufacturing
- Events/Hospitality
- Fitness
- Graphic Design

Higher Education Qualification
Vocational Education and Training Qualification
General Principle of Admission Policy

For further information on the courses offered at OPIE please visit our website at www.opie.vic.edu.au. Alternatively, you can contact our administration on (03) 9663 3129 or refer to the VTAC Guide.

Detail of Interview Preparation/Requirements

Interview/Test: All applicants must attend an interview/test as part of meeting the requirements for selection into an OPIE course. The interview will examine the applicant's communication skills, awareness, commitment and motivation. The test will examine the applicant's skills and abilities in mathematical thought, visualisation, spatial arrangement and drawing skills.
Photography Studies College

General Principle of Admission Policy
For more information on the courses offered visit www.psc.edu.au or contact PSC directly on 03 96823191 or info@psc.edu.au or refer to the VTAC Guide.

Detail of Folio/Interview Preparation
Applicants are required to present a folio at interview that contains 10 - 15 well presented final images that are a selection of their own work and best demonstrate their aptitude for photography, their originality, their imagination and creative potential.

Detail of Interview Preparation/Requirements
Applicants will be given the opportunity to demonstrate their engagement with photography/image-making/visual culture and showcase their skills, interest, enthusiasm, strengths and personal motivation. Applicants should come to the interview prepared to discuss and answer questions about their folio, their processes, their inspirations, personal motivation and their career aspirations.

Courses without prerequisites
- Bachelor of Photography (commercial/art/photojournalism)
- Photography–Commercial/Photojournalism/Art

Qantm College

General Principle of Admission Policy
Applicants to Qantm College are selected on the basis of their interview performance and/or academic performance in Year 12 including the completion studies. It is highly desirable that candidates have a proven proficiency in advanced Senior Secondary School Mathematics for entry into the Qantm College Games Programming Major. Further details please refer to http://melbourne.qantm.com.au/en-gb/content/2545/Entry_Requirements_-_Domestic

Detail of Folio and Audition Preparation
The folio should contain sufficient items that give the best indication of the standard and potential of the applicant’s work. Applicants are advised to undertake the following subjects/studies in the development of the folio: Animation/Games Design/Games Programming/Graphic Design: VCE Product Design and Technology, Visual Communication and Design, VCE Art, Studio Arts, Media, Information technology and Design or equivalent;

Applicants should present a folio which best demonstrates skills in the areas of intended specialisation and other art forms. Examples can include design work/ideas, drawings, drawing models, paintings, photography, prints, 2D or 3D works. The submission of sketchbooks, art notebooks and journals is also acceptable. Original works are preferred, but where works are too large to bring to the interview, they can be presented in photographic form, preferably in colour.

Detail of interview preparation/requirements
Applicants who are required to attend an interview will be required to demonstrate a range of attributes, e.g. personal motivation, relevant experience or previous study, and an understanding of the opportunities upon completion of the course.

Courses without prerequisites
- Animation (Degree)
- Animation (Diploma)
- Creative Media (Graphic Design)
- Games Design (Degree)
- Games Programming (Degree)
General Principle of Admission Policy

RMIT will admit students on the basis of satisfaction of their demonstrated capacity to succeed in their chosen course. In addition to general entrance requirements, applicants must also satisfy the relevant prerequisite studies and additional entry requirements for their course of interest. The satisfactory completion of Units 3 and 4 of VCE English (any) or equivalent is a prerequisite for all RMIT University courses. In order to be eligible for admission to bachelor degrees, applicants must achieve a minimum study score of 30 in English as a Second Language (ESL), or at least 25 in any other English, unless a higher study score is specified. Applicants for associate degrees must achieve a minimum study score of at least 25 in English as a second language (ESL) or at least 20 in any other English, unless a higher study score is specified.

Extra Requirements

In addition to the general entrance requirements, some courses may have extra requirements including (but not limited to):

- Form/Kit
- Interview
- Folio, folio presentation
- Course specific or other admissions test

The purpose of these extra requirements is for an applicant to show that they have a good understanding of, and a strong desire to study the course they have applied for. If a course has extra requirements, detailed information will be available in the individual course entry in the VTAC Guide.

Detail of Folio/Preparation Requirements

Where applicants are required to submit a folio, generally the folio should comprise 15 to 30 pieces of original personal work.

Courses with prerequisites available in 2014

- **Accountancy**
  Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Accountancy**
  Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Advertising**
  Prerequisites: Units 3 and 4 – a study score of at least 30 in English (any).

- **Animation and Interactive Media**
  Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Architecture**
  Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Aviation**
  Prerequisites: Units 3 and 4 – mathematics (any) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Aviation/Business Management**
  Prerequisites: Units 3 and 4 – mathematics (any) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Biomedical Science**
  Prerequisites: Units 3 and 4 – chemistry and one of mathematics (any) or physics, and a study score of at least 30 in English (ESL) or 25 in any other English.

- **Biotechnology**
  Prerequisites: Units 3 and 4 – mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Biotechnology/Biomedical Science**
  Prerequisites: Units 3 and 4 – one of chemistry or physics, and one of mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Business (Associate Degree)**
  Prerequisites: Units 3 and 4 – a study score of at least 25 in English (ESL) or at least 20 in any other English.

- **Business Information Systems**
  Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Chemistry/Engineering–Chemical**
  Prerequisites: Units 3 and 4 – chemistry and one of mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Chemistry/Management**
  Prerequisites: Units 3 and 4 – chemistry and one of mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Chinese Medicine/Health Science**
  Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or at least 25 in any other English.

- **Chiropractic/Health Science**
  Prerequisites: Units 3 and 4 – a study score of at least 30 in English (ESL) or at least 25 in any other English.
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English and one of art, studio arts or visual communication and design.

Computer Science
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or a study score of at least 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

Computing Studies
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Construction Management
Prerequisites: Units 1 and 2—two units (any combination) mathematics (any) or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Creative Writing
Prerequisites: Units 3 and 4—a study score of at least 35 in English (any).

Criminal Justice Administration
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Criminology and Psychology
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Economics and Finance
Prerequisites: Units 3 and 4—mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Economics and Finance
Prerequisites: Units 3 and 4—mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Education
Prerequisites: Units 1 and 2—general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Education (Early Childhood)
Prerequisites: Units 1 and 2—two units of general mathematics or mathematical methods (CAS), or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Education/Disability
Prerequisites: Units 1 and 2—two units of general mathematics or mathematical methods (CAS), or Units 3 and 4—two units of mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Aerospace
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Aerospace/Management
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Automotive
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Automotive/Management
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Biomedical
Prerequisites: Units 3 and 4—mathematics (any) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Chemical
Prerequisites: Units 3 and 4—chemistry and mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Chemical/Biotechnology
Prerequisites: Units 3 and 4—chemistry and one of mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Chemical/Management
Prerequisites: Units 3 and 4—chemistry and mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Chemical/Pharmaceutical Science
Prerequisites: Units 3 and 4—chemistry and mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Civil (Associate Degree)
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 25 in English (ESL) or at least 20 in any other English.

Engineering—Civil and Infrastructure
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Civil and Infrastructure/Management
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Civil and Structural Design
Prerequisites: Units 1 and 2—two units (any study combination) mathematics (any).

Engineering—Computer and Network
Prerequisites: Units 3 and 4—mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Computer and Network/Computer Science
Prerequisites: Units 3 and 4—one of mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Computer and Network/Management
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Electrical
Prerequisites: Units 3 and 4—mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Electrical and Electronic
Prerequisites: Units 3 and 4—mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Electrical/Commerce
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Electrical/Electronics (Associate Degree)
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 25 in English (ESL) or at least 20 in any other English.

Engineering—Electrical/Management
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Electronic and Communication
Prerequisites: Units 3 and 4—mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Electronic and Communication/Computer Science
Prerequisites: Units 3 and 4—one of mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Electronic Product Design
Prerequisites: Units 3 and 4—mathematics (any) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Environmental
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Mechanical
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Mechanical (Associate Degree)
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 25 in English (ESL) or at least 20 in any other English.

Engineering—Mechanical/Biotechnology
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.
Prerequisites:

Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Mechanical/Industrial Design

Prerequisites:

Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Mechanical/Management

Prerequisites:

Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Mechatronics and Manufacturing

Prerequisites:

Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Engineering—Mechatronics and Manufacturing/International Business

Prerequisites:

Units 3 and 4—mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Entrepreneurship

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Environment

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Environment/Environmental Science

Prerequisites:

Units 3 and 4—mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Environmental Science

Prerequisites:

Units 3 and 4—one of mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Environmental Science/Engineering—Environmental

Prerequisites:

Units 3 and 4—one of mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Environmental Science/Management

Prerequisites:

Units 3 and 4—mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Exercise and Sport Science

Prerequisites:

Units 3 and 4—one of physical education, biology, chemistry, mathematical methods (CAS), specialist mathematics or physics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Fashion and Textiles Merchandising

(Associate Degree)

Prerequisites:

Units 3 and 4—a study score of at least 25 in English (ESL) or at least 20 in any other English.

Fashion Design

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Fashion Design (Associate Degree)

Prerequisites:

Units 3 and 4—a study score of at least 25 in English (ESL) or at least 20 in any other English.

Fine Art

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Food Technology and Nutrition

Prerequisites:

Units 3 and 4—mathematics (any) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Food Technology/Engineering—Chemical

Prerequisites:

Units 3 and 4—chemistry and one of mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Food Technology/Management

Prerequisites:

Units 3 and 4—mathematics (any) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Furniture Design (Associate Degree)

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Games and Graphics Programming

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Geospatial Science

Prerequisites:

Units 3 and 4—mathematics (any), and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Human Resource Management

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Industrial Design

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Information Technology

Prerequisites:

Units 3 and 4—mathematics (any) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Information Technology (Associate Degree)

Prerequisites:

Units 3 and 4—mathematics (any) and a study score of at least 25 in English (ESL) or at least 20 in any other English.

Interior Design

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

International Business

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

International Business

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

International Studies

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Journalism

Prerequisites:

Units 3 and 4—a study score of at least 35 in English (any).

Laboratory Medicine

Prerequisites:

Units 3 and 4—chemistry, and one of mathematics (any) or physics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Landscape Architecture

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Legal and Dispute Studies

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Legal Practice (Paralegal) Associate Degree

Prerequisites:

Units 3 and 4—a study score of at least 25 in English (ESL) or at least 20 in any other English.

Logistics and Supply Chain Management

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Logistics and Supply Chain Management

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Management

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Marketing

Prerequisites:

Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.
Mathematics
Prerequisites: Units 3 and 4—mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Media
Prerequisites: Units 3 and 4—a study score of at least 35 in English (any).

Medical Radiations
Prerequisites: Units 1 and 2—chemistry or biology. Units 3 and 4—one of mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or 25 in any other English.

Multimedia Systems (Design)
Prerequisites: Units 3 and 4—mathematics (any) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Music Industry
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Nanotechnology/Applied Sciences
Prerequisites: Units 3 and 4—one of chemistry or physics, and one of mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Nursing—Health Professional
Prerequisites: Units 1 and 2—mathematics (any) or Units 3 and 4—mathematics (any), Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Osteopathy/Health Science
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Pharmaceutical Sciences
Prerequisites: Units 3 and 4—chemistry, and one of mathematics (any) or physics, and a study score of at least 30 in English (ESL) or 25 in any other English.

Pharmacy
Prerequisites: Units 3 and 4—chemistry and mathematical methods (CAS) and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Photography (Arts)
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Physical Education
Prerequisites: Units 1 and 2—two units of general mathematics or mathematical methods (CAS). Units 3 and 4—any one of physical education, biology, chemistry, mathematical methods (CAS), specialist mathematics or physics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Physics/Engineering—Electronic and Communication
Prerequisites: Units 3 and 4—physics and one of mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Professional Communication
Prerequisites: Units 3 and 4—a study score of at least 35 in English (any).

Professional Writing and Editing
Prerequisites: Units 3 and 4—a study score of at least 25 in English (ESL) or at least 20 in any other English.

Project Management
Prerequisites: Units 1 and 2—two units (any combination) of mathematics (any) or Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Property and Valuation
Prerequisites: Units 1 and 2—two units (any combination) mathematics (any) OR Units 3 and 4—mathematics (any). Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Psychology (Applied Science)
Prerequisites: Units 3 and 4—one of biology, chemistry, geography, psychology or physics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Psychology (Social Science)
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Public Relations
Prerequisites: Units 3 and 4—a study score of at least 35 in English (any).

Science (Applied Sciences)
Prerequisites: Units 3 and 4—mathematical methods (CAS) or specialist mathematics, and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Science (Associate Degree)
Prerequisites: Units 3 and 4—mathematics (any) and a study score of at least 25 in English (ESL) or at least 20 in any other English.

Screenwriting
Prerequisites: Units 3 and 4—English (any).

Social Work
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Social Work/Psychology (Social Science)
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Software Engineering
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

Statistics
Prerequisites: Units 3 and 4—one of mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Surveying
Prerequisites: Units 3 and 4—one of mathematical methods (CAS) or specialist mathematics and a study score of at least 30 in English (ESL) or at least 25 in any other English.

Textile Design
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Textile Technology (Applied Science)
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Urban and Regional Planning
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Youth Work
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

Courses without prerequisites

Accounting
Administration
Advertising
Alcohol and Other Drugs
Audiovisual Technology
Building and Construction

Engineering—Aerospace
Engineering—Mechanical/Manufacturing
Fashion and Textiles Merchandising (TCF)
Financial Services
Food Science and Technology
Graphic Design

Higher Education Qualification
Vocational Education and Training Qualification
Courses without prerequisites

- Audio Production (Degree)
- Audio Production (Diploma)
- Film Production (Degree)
- Film Production (Diploma)
- Sound Production

Courses with prerequisites available in 2014

- Chinese Medicine (Degree)
  Prerequisites: Units 3 and 4–English (any).
- Clinical Myotherapy (Degree)
  Prerequisites: Units 3 and 4–English (any) and two of science (any).
- Naturopathy (Degree)
  Prerequisites: Units 3 and 4–English (any), and units 3 and 4 science (any).

Courses without prerequisites

- Massage Therapy Practice
- Remedial Massage
South West Institute of TAFE

General Principle of Admission Policy

Information on all courses offered can be found at: www.swtafe.vic.edu.au, by emailing info@swtafe.vic.edu.au or phoning 1300 648 911. Applicants may be required to attend an information session, interview, complete an entrance test or present a folio.

Detail of Folio and Audition Preparation:
Applicants required to submit a folio should note that work should be representative of their ideas and abilities, show originality, innovation, imagination and competence in the skills for the course to which they are applying.

Detail of interview preparation/requirements:
Applicants who are required to attend an interview will be expected to demonstrate a range of attributes, e.g. communication skills, personal motivation, relevant experience or previous study and an understanding of the opportunities available to them upon completion of the course.

Courses without prerequisites

- Accounting
- Agriculture
- Agronomy
- Art, Craft and Design
- Children’s Services
- Computer Systems
- Events
- Fine Art
- Fitness
- Graphic Design
- Horse Management
- Hospitality
- Interactive Digital Media
- Massage
- Photoimaging
- Rural Business Management
- Sport
- Tourism

Sunraysia Institute of TAFE

Courses without prerequisites

- Accounting
- Animal Studies
- Automotive (pre vocational)
- Building
- Business
- Carpentry non apprentice
- Children’s Services
- Conservation and Land Management
- Electrotechnology (Career Start)
- Engineering Studies
- Engineering: Fabrication Trade, non apprentice
- Engineering: Mechanical Trade non apprentice
- Environmental Monitoring and Technology
- Equine
- Events/Management
- Furniture Making non apprentice
- Graphic Design
- Horticulture
- Hospitality
- Interactive Digital Media
- Laboratory Techniques
- Management (VET)
- Nursing (Enrolled/Division 2)
- Photography
- Sound Production
- Sustainable Operations
- Visual Art
- Welfare Studies
Courses with prerequisites available in 2014

**Accounting (Hawthorn)**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Accounting (Lilydale)**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Accounting (Online)**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Accounting and Finance**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Advertising—Business**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Advertising—Communication**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Arts**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Aviation Management, Aviation Management/Commerce**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English and at least 20 in mathematics (any).

**Aviation, Aviation/Commerce**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English and at least 20 in mathematical methods (CAS).

**Biomedical Sciences, Biosciences, Medical Biophysics, Medical Technology**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English and at least 20 in mathematics (any).

**Biotechnology, Biotechnology/Commerce, Biochemistry, Chemistry**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English and at least 20 in mathematics (any).

**Business**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Business Administration**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Business Administration—Associate Degree**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Business Information Systems**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Business Information Systems/Commerce**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Business/Communication**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Business/Communication—Professional Communication**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Business/Social Science**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Commerence**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Commercial Law**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Communication**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Communication—Professional Communication**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Communication/Social Science**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Community Health**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Community Health—Social Science**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Computer Science**
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematical methods (CAS).

**Criminology and Forensic Science**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Dean’s Scholarship, Faculty of Higher Education Lilydale**
Prerequisites: Minimum ATAR of 89.00. Applicants should refer to the VTAC Guide 2014 (to be released in August 2013) for a list of courses, and associated prerequisites applicable to this scholarship.

**Dean’s Scholarship, Faculty of Life and Social Sciences**
Prerequisites: Minimum ATAR of 95.00. Applicants should refer to the VTAC Guide 2014 (to be released in August 2013) for a list of courses, and associated prerequisites applicable to this scholarship.

**Dean’s Scholarship, Faculty of Business and Enterprise**
Prerequisites: Minimum ATAR of 85.00. Applicants should refer to the VTAC Guide 2014 (to be released in August 2013) for a list of courses, and associated prerequisites applicable to this scholarship.
Design—Associate Degree in Applied Graphic Design
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Design—Business
Prerequisites: Units 3 and 4—one of product design and technology, studio arts or visual communication and design and a study score of at least 20 in English (any).

Design—Communication Design
Prerequisites: Units 3 and 4—one of product design and technology, studio arts or visual communication and design and a study score of at least 20 in English (any).

Design—Digital Media Design
Prerequisites: Units 3 and 4—one of product design and technology, studio arts or visual communication and design and a study score of at least 20 in English (any).

Design—Industrial Design
Prerequisites: Units 3 and 4—one of product design and technology, studio arts or visual communication and design and a study score of at least 20 in English (any).

Design—Interior Design
Prerequisites: Units 3 and 4—one of product design and technology, studio arts or visual communication and design and a study score of at least 20 in English (any).

Digital Media, Digital Media and Marketing
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Engineering—Associate Degree
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematics (any).

Engineering—Biomedical
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematical methods (CAS).

Engineering—Civil
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematical methods (CAS).

Engineering—Electrical and Electronic
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematical methods (CAS).

Engineering—Electronics and Computer Systems/Telecommunication and Network
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematical methods (CAS).

Engineering—Mechanical
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematical methods (CAS).

Engineering—Product Design
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematical methods (CAS).

Engineering—Robotics and Mechatronics
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematical methods (CAS).

Engineering—Robotics and Mechatronics/Computer Science and Software Engineering
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematical methods (CAS).

Entrepreneurship and Innovation
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Film and Television
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Finance
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Games and Interactivity
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Games and Interactivity/Computer Science and Software Engineering
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any) and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics.

Games Development/Programming
Prerequisites: Units 3 and 2—mathematics (any), Units 3 and 4—a study score of at least 20 in English (any).

Health and Community Care—Associate Degree
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Health and Community Care—Associate Degree
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Health Science
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any) and in mathematics (any).

Health Science—Public and Environmental
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any) and in mathematics (any).

Human Resource Management
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Human Resource Management
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Information and Communication Technology
Prerequisites: Units 1 and 2—mathematics (any), Units 3 and 4—a study score of at least 20 in English (any).

Information and Communication Technology (Applied)
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Information and Communication Technology (Applied—Associate Degree
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Information Technology Industry Scholarship Program
Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematics (any).

Interactive Digital Media—Associate Degree
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

International Business
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Italian/Commerce
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Japanese/Commerce
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Journalism
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Logistics and Supply Chain Management
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Management (Hawthorn)
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Management (Lilydale)
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Management (Online)
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Management (Applied)—Associate Degree
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Marketing (Hawthorn)
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Marketing (Lilydale)
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Marketing (Online)
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Media and Communications
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Media Studies—Communication
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

Media Studies—Social Science
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).
Prerequisites:

- Least 20 in English (any).
- Units 3 and 4—a study score of at least 20 in English (any).
- Psychology
  - Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Psychology and Forensic Science—Arts**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).
- Psychology and Forensic Science—Social Science
  - Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematics (any).

**Psychology and Psychophysiology—Arts**

- Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematics (any).

**Psychology and Psychophysiology—Science**

- Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematics (any).

**Psychology and Sport Science—Arts**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Psychology and Sport Science—Social Science**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Psychology—Arts**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Psychology—Science**

- Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematics (any).

**Psychology—Social Science**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Public Relations—Business**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Public Relations—Communication**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Public Relations—Social Science**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Public Relations—Business**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Public Relations—Communication**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Science**

- Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematics (any).

**Security and Counter Terrorism**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Social Science**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Software Development**

- Prerequisites: Units 1 and 2—mathematics (any). Units 3 and 4—a study score of at least 20 in English (any).

**Software Engineering**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any) and in one of mathematical methods (CAS) or specialist mathematics.

**Sports Management (Business)**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Sustainability Management**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Sustainability, Environmental Sustainability**

- Prerequisites: Units 3 and 4—a study score of at least 20 in each of English (any) and in mathematics (any).

**Technology (Information Systems)**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Tourism Management**

- Prerequisites: Units 3 and 4—a study score of at least 20 in English (any).

**Vice-Chancellor’s Scholarship—Arts and Social Sciences**

- Prerequisites: Minimum ATAR of 95.00. Applicants should refer to the VTAC Guide 2014 (to be released in August 2013) for a list of courses and associated prerequisites this scholarship is applicable to.

**Vice-Chancellor’s Scholarship—Business and Commerce**

- Prerequisites: Minimum ATAR of 95.00. Applicants should refer to the VTAC Guide 2014 (to be released in August 2013) for a list of courses, and associated prerequisites this scholarship is applicable to.

**Vice-Chancellor’s Scholarship—Design**

- Prerequisites: Minimum ATAR of 95.00. Applicants should refer to the VTAC Guide 2014 (to be released in August 2013) for a list of courses, and associated prerequisites this scholarship is applicable to.

**Vice-Chancellor’s Scholarship—Engineering**

- Prerequisites: Minimum ATAR of 95.00. Applicants should refer to the VTAC Guide 2014 (to be released in August 2013) for a list of courses, and associated prerequisites this scholarship is applicable to.

**Vice-Chancellor’s Scholarship—Information and Communication Technology/Science**

- Prerequisites: Minimum ATAR of 95.00. Applicants should refer to the VTAC Guide 2014 (to be released in August 2013) for a list of courses, and associated prerequisites this scholarship is applicable to.

General Principle of Admission Policy

Details of admissions requirements for programs are on the University website www.ballarat.edu.au/programfinder.

Detail of Folio and Audition Preparation

Applicants required to submit a folio should note that work should be representative of their ideas and abilities, show originality, imagination and competence in the skills for the course to which they are applying. Applicants should check the Extra Requirements sections of course entries in the current VTAC Guide for specific course requirements. The University runs occasional short courses in folio preparation. Contact the University on 1300 225 527 for further details. Detailed requirements for performing arts auditions are to be found on the University website or by calling the Arts Academy on (03) 5327 8600.

Detail of Interview Preparation/Requirements

Applicants required to attend interview or supply additional information should demonstrate a range of attributes, e.g. personal motivation, relevant experience, an understanding of the course and of potential employment opportunities.

Courses with prerequisites available in 2014

- **Arts**
  - Prerequisites: Units 3 and 4 – English (any).

- **Arts/Education**
  - Prerequisites: Units 1 and 2 (any study combination) of general mathematics or mathematical methods (CAS). Units 3 and 4 – a study score of at least 25 in English (any).

- **Arts/Professional Writing and Editing**
  - Prerequisites: Units 3 and 4 – English (any).

- **Biomedical Science**
  - Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any), mathematics (any) and in one of biology, chemistry or physics.

- **Business**
  - Prerequisites: Units 1 and 2 – two units (any study combination) of mathematics (any).

- **Business Systems**
  - Prerequisites: Units 1 and 2 – two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4 – mathematics (any). Units 3 and 4 – English (any).

- **Civil Engineering**
  - Prerequisites: Units 3 and 4 – mathematical methods (CAS).

- **Civil Engineering Technology**
  - Prerequisites: Units 3 and 4 – mathematical methods (CAS).

- **Commerce**
  - Prerequisites: Units 1 and 2 – two units (any study combination) of mathematics (any).

- **Commerce/Management**
  - Prerequisites: Units 1 and 2 – two units (any study combination) of mathematics (any).

- **Computer Games**
  - Prerequisites: Units 3 and 4 – a study score of at least 25 in each of English (any) and mathematical methods (CAS).

- **Education (Early Childhood)**
  - Prerequisites: Units 1 and 2 – (any study combination) of general mathematics or mathematical methods (CAS). Units 3 and 4 – a study score of at least 25 in English (any).

- **Education (P-6) or (P-10)**
  - Prerequisites: Units 1 and 2 – two units (any study combination) of general mathematics or mathematical methods (CAS). Units 3 and 4 – a study score of at least 25 in English (any).

- **Environmental Management**
  - Prerequisites: Units 3 and 4 – mathematics (any).

- **Exercise and Sport Science**
  - Prerequisites: Units 1 and 2 – general mathematics or mathematical methods (CAS). Units 3 and 4 – a study score of at least 25 in English (any).

- **Fine Arts**
  - Prerequisites: Units 3 and 4 – one of studio arts, art, visual communication and design, or media.

- **Food and Nutritional Sciences**
  - Prerequisites: Units 1 and 2 – two units (any study combination) mathematics (any) OR Units 3 and 4 – mathematics (any).

- **Geology**
  - Prerequisites: Units 3 and 4 – mathematics (any).
Graphic Design/Multimedia
Prerequisites: Units 3 and 4—one of studio arts, art, visual communication and design, or media.

Information Technology
Prerequisites: Units 1 and 2—two units (any study combination) of general mathematics or mathematical methods (CAS) or Units 3 and 4—mathematics (any). Units 3 and 4—English (any).

Information Technology (Associate Degree)
Prerequisites: Units 1 and 2 (any study combination) of general mathematics or mathematical methods (CAS) OR Units 3 and 4 mathematics (any). Units 3 and 4—English (any).

Information Technology (Professional Practice)
Prerequisites: Units 1 and 2 (any study combination) of general mathematics or mathematical methods (CAS) OR Units 3 and 4 mathematics (any). Units 3 and 4—English (any).

International Studies
Prerequisites: Units 3 and 4—English (any).

Management
Prerequisites: Units 1 and 2—two units (any study combination) of mathematics (any).

Mathematical Sciences
Prerequisites: Units 3 and 4—a study score of at least 25 in each of English (any) and mathematical methods (CAS).

Mathematical Sciences (Health Analytics)
Prerequisites: Units 3 and 4—a study score of at least 25 in each of English (any) and mathematical methods (CAS).

Mathematical Sciences/Education
Prerequisites: Units 3 and 4—mathematical methods (CAS) and a study score of at least 25 in English (any).

Mechanical Engineering
Prerequisites: Units 3 and 4—mathematical methods (CAS).

Mechanical Engineering Technology
Prerequisites: Units 3 and 4—mathematical methods (CAS).

Metallurgy
Prerequisites: Units 3 and 4—mathematics (any).

Mining Engineering
Prerequisites: Units 3 and 4—mathematical methods (CAS).

Mining Engineering Technology
Prerequisites: Units 3 and 4—mathematical methods (CAS).

Nursing
Prerequisites: Units 1 and 2—mathematics (any). Units 3 and 4—one of biology, chemistry, health and human development, physics, psychology and a study score of at least 25 in English (any).

Physical Education
Prerequisites: Units 1 and 2—two units of general mathematics or mathematical methods (CAS). Units 3 and 4—a study score of at least 25 in English. One of physical education, outdoor and environmental studies, health and human development or biology. Mathematics alternative method stream: Units 3 and 4—mathematical methods (CAS) or specialist mathematics. Health alternative method stream: Units 3 and 4—one of biology, health and human development or psychology. Science alternative method stream: Units 3 and 4—at least one of biology, chemistry, environmental science or physics.

Psychology
Prerequisites: Units 3 and 4—English (any).

Rural Social Welfare
Prerequisites: Units 3 and 4—English (any).

Science
Prerequisites: Units 3 and 4—mathematics (any).

Science/Education
Prerequisites: Units 3 and 4—mathematics (any) and a study score of at least 25 in English (any).

Software Engineering
Prerequisites: Units 3 and 4—a study score of at least 25 in both English (any) and mathematical methods (CAS).

Sport Management
Prerequisites: Units 3 and 4—English (any).

Sport Management/Business
Prerequisites: Units 1 and 2—mathematics (any). Units 3 and 4—English (any).

Visual Arts/Education
Prerequisites: Units 1 and 2 (any study combination) of general mathematics or mathematical methods (CAS), Units 3 and 4—one of studio arts, art, visual communication, media and design and a study score of at least 25 in English (any).

Courses with prerequisites available in 2014

**Agriculture**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics, or a study score of at least 30 in further mathematics.

**Arts**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Arts (Chancellor’s Scholars Program)**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Arts (Extended)**
Prerequisites: Units 3 and 4—a study score of at least 20 in English (any). Note: Applicants must be of Aboriginal or Torres Strait Islander descent.

**Biomedicine**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English, and a study score of at least 25 in chemistry and in either mathematical methods (CAS) or specialist mathematics.

**Biomedicine (Chancellor’s Scholars Program)**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English, and a study score of at least 25 in chemistry and in mathematical methods (CAS) or specialist mathematics.

**Commerce (Chancellor’s Scholars Program)**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English and a study score of at least 25 in mathematical methods (CAS) or in specialist mathematics. Note: Applicants intending to major in Actuarial Studies or complete a breadth sequence in Engineering Systems may be required to undertake a bridging subject in mathematics as first year breadth. The bridging subject is equivalent to Units 3 and 4 specialist mathematics.

**Environmental Horticulture (Associate Degree)**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English.

**Environments**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or at least 25 in any other English, and a study score of at least 25 in mathematics and in one of biology, chemistry or physics; or Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) and specialist mathematics. Note: Applicants intending to progress to the Doctor of Veterinary Medicine are encouraged to have completed Units 3 and 4 chemistry or equivalent.

**Environmental Horticulture (Associate Degree)**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in both mathematical methods (CAS) or specialist mathematics and in one of biology, chemistry or physics; or Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in both mathematical methods (CAS) and specialist mathematics. Note: Applicants intending to progress to the Doctor of Veterinary Medicine are encouraged to have completed Units 3 and 4 chemistry or equivalent.

**Science**
Prerequisites: Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in mathematical methods (CAS) or specialist mathematics and in one of biology, chemistry or physics; or Units 3 and 4—a study score of at least 30 in English (ESL) or 25 in any other English, and a study score of at least 25 in both mathematical methods (CAS) and specialist mathematics. Note: Applicants intending to progress to the Doctor of Veterinary Medicine are encouraged to have completed Units 3 and 4 chemistry or equivalent.
General Principle of Admission Policy
The first principle of the University’s admissions policy is that applicants should be capable of successfully completing the course/s for which they are applying. Details of the admission requirements for courses are given on the university website (www.vu.edu.au/courses/) or online via VTAC (www.vtac.edu.au).

Victoria University anticipates that applicants for degree courses that select by ATAR and a two-stage process using middle-band of approximately 20% will have a minimum ATAR consistent with that in the relevant course entry. The ATAR required for admission may be higher than this minimum.

Victoria University encourages all applicants who do not satisfy institutional entry requirements to undertake some university study (Preparation for Tertiary Studies) and/or VET study.

Detail of Interview/Preparation Requirements
Applicants who are required to attend an interview will be required to demonstrate a range of attributes, e.g. personal motivation, relevant experience or previous study, an understanding of the course and potential employment opportunities.

Folios
Applicants required to submit a folio should note that work should be representative of their ideas and abilities, show originality, innovation, imagination, experimentation and competence in the basic skills for the course to which they are applying.

Courses with prerequisites available in 2014

- **Accounting**
  Prerequisites: Units 3 and 4 – a study score of at least 25 in English (any).

- **Arts**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any).

- **Arts (Community) – Diploma**
  Prerequisites: Units 3 and 4 – English (any).

- **Arts/TAFE Liberal Arts**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any).

- **Banking and Finance**
  Prerequisites: Units 3 and 4 – a study score of at least 25 in English (any).

- **Biomedical Sciences**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any).

- **Business (Preliminary)**
  Prerequisites: Units 3 and 4 – a study score of at least 25 in English (any).

- **Business-Enterprise (Diploma)**
  Prerequisites: Units 3 and 4 – English (any).

- **Communication (Professional Writing and Public Relations)**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any).

- **Community Development**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any).

- **Creative Arts Industries**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any).

- **Creative Industries (Diploma)**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any).

- **Criminal Justice Studies**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any).

- **Dermal Therapies**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any).

- **Education (P-12) Physical Education (Primary)**
  Prerequisites: Units 1 and 2 – two units of general mathematics or mathematical methods (CAS), Units 3 and 4 – a study score of at least 25 in English (any).

- **Education (P-12) – Creativity and the Arts**
  Prerequisites: Units 1 and 2 – two units of general mathematics or mathematical methods (CAS), Units 3 and 4 – a study score of at least 25 in English (any).

- **Education (P-12) – Home Economics**
  Prerequisites: Units 1 and 2 – two units of general mathematics or mathematical methods (CAS), Units 3 and 4 – a study score of at least 25 in English (any).

- **Education (P-12)**
  Prerequisites: Units 1 and 2 – two units of general mathematics or mathematical methods (CAS), Units 3 and 4 – a study score of at least 25 in English (any).

- **Education (P-12) – Humanities and Social Sciences**
  Prerequisites: Units 1 and 2 – two units of general mathematics or mathematical methods (CAS), Units 3 and 4 – a study score of at least 25 in English (any).

- **Education (P-12) – Science Teaching**
  Prerequisites: Units 1 and 2 – two units of general mathematics or mathematical methods (CAS), Units 3 and 4 – a study score of at least 25 in English (any) and a study score of at least 20 in one of biology, chemistry or physics.

- **Education (P-12) – Outdoor Education**
  Prerequisites: Units 1 and 2 – two units of general mathematics or mathematical methods (CAS), Units 3 and 4 – a study score of at least 25 in English (any).

- **Education Studies (Diploma)**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any).

- **Education – Early Childhood/Primary**
  Prerequisites: Units 1 and 2 – two units of general mathematics or mathematical methods (CAS), Units 3 and 4 – a study score of at least 25 in English (any).

- **Engineering Science – Electrical and Electronic Engineering**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any) and in one of further mathematics, mathematical methods (CAS) or specialist mathematics.

- **Engineering Science – Sports Engineering**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any) and in a mathematics (any).

- **Engineering – Alternative Entry**
  Prerequisites: Units 3 and 4 – English (any) and mathematics (any).

- **Engineering – Architectural Engineering**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any) and in mathematical methods (CAS) or specialist mathematics.

- **Engineering – Building Engineering**
  Prerequisites: Units 3 and 4 – a study score of at least 20 in English (any) and in mathematical methods (CAS) or specialist mathematics.
Prerequisites:
Units 3 and 4—a study score of at least 25 in English (any).

**Law**
Prerequisites:
Units 3 and 4—a study score of at least 35 in English (any).

**Law/Arts**
Prerequisites:
Units 3 and 4—a study score of at least 35 in English (any).

**Law/Business**
Prerequisites:
Units 3 and 4—a study score of at least 35 in English (any).

**Legal Practice Management**
Prerequisites:
Units 3 and 4—a study score of at least 25 in English (any).

**Legal Studies**
Prerequisites:
Units 3 and 4—a study score of at least 20 in English (any).

**Logistics (Associate Degree)**
Prerequisites:
Units 3 and 4—a study score of at least 25 in English (any).

**Management**
Prerequisites:
Units 3 and 4—a study score of at least 25 in English (any).

**Marketing**
Prerequisites:
Units 3 and 4—a study score of at least 25 in English (any).

**Midwifery**
Prerequisites:
Units 1 and 2—mathematics (any). Units 3 and 4—a study score of at least 25 in English (any) and a study score of at least 20 in one of biology, chemistry, health and human development, mathematics (any), physics or psychology.

**Music Industry**
Prerequisites:
Units 3 and 4—a study score of at least 25 in English (any).

**Network and Systems Computing**
Prerequisites:
Units 3 and 4—a study score of at least 20 in English (any) and in mathematics (any).

**Nursing**
Prerequisites:
Units 1 and 2—mathematics (any). Units 3 and 4—a study score of at least 25 in English (any) and a study score of at least 20 in one of biology, chemistry, health and human development, mathematics (any), physics or psychology.

**Nutrition, Food and Health Sciences**
Prerequisites:
Units 3 and 4—a study score of at least 20 in English (any).

**Nutritional Therapy**
Prerequisites:
Units 3 and 4—a study score of at least 20 in English (any).

**Osteopathy**
Prerequisites:
Units 3 and 4—a study score of at least 20 in English (any). A study score of at least 20 in one of chemistry or biology and in one of physics or mathematics (any).

**Paramedic**
Prerequisites:
Units 3 and 4—a study score of at least 20 in English (any).

**Physical Education (Secondary)**
Prerequisites:
Units 3 and 4—a study score of at least 20 in English (any).

**Psychological Studies**
Prerequisites:
