About VICTER

VICTER is published by VTAC for Year 10 students who are considering applying for tertiary study in 2017.

It is written to help Year 10 students make choices about their Year 11 and 12 studies so that they can plan their pathways towards tertiary study.

VICTER provides information about entrance requirements for courses commencing in 2017 in universities, TAFE providers and independent tertiary colleges that participate in the VTAC system. Each institution which accepts applications and offers through VTAC has listed the courses it plans to offer in 2017 (as at 30 June 2014). For each course that has prerequisites, the institution lists the prerequisites and the selection criteria.

Courses without prerequisites are listed under each institution. There are hundreds of courses in the VTAC system without prerequisites.

Institutions may amend their 2017 course prerequisites up until 31 August 2016. This online publication will be updated regularly so students can access the most up to date course prerequisites.

It is important to note that changes are only permitted in the following circumstances:

- Addition of prerequisite subjects as alternatives to those prerequisite studies already published.

Information for courses at institutions where applications are through VTAC is available in section one under courses and institutions.

VICTER also lists institutions which administer their own applications and offers but promote their courses through VTAC. These institutions are listed in section two under courses and institutions.

Refer to CourseSearch on the VTAC website for a more extensive list of the types of courses available through VTAC and directly. Refer to the major studies index available in the current VTAC Guide and on page 51 of this publication.

The important thing to remember is that the study choices you make now are not binding for life and, like most of us, you will probably make several different work and career choices throughout your life.

Study choice is a personal decision and requires you to think carefully about what you are good at, what you are interested in and what studies help keep your options open.

Information is correct at the time of publication. Any changes will be notified to schools in the VTAC Gazette, in this online publication and through VTAC’s blog and Facebook pages.

Please note that the inclusion of course information in this document does not guarantee:

- the course will be available in 2017
- the course will be available at the published campus
- the course name will remain the same.

Enquiries about any information in this publication should be directed to the Deputy Director Information and Publishing Services, VTAC.

Some hints to help you choose your VCE study program:

Do:

- think about what interests you and what you like doing
- check out the VCE studies your school is offering
- talk with your careers teacher and/or VCE coordinator
- keep your options open
- log on to VTAC CourseLink to start researching the types of courses you are interested in
- attend Open Days.

Don’t:

- panic if you have no idea what studies to take up
- choose studies you don’t like just because you think doing those studies will help you get a good ATAR—your ATAR represents your performance across all of your studies
- choose studies based on their scaling. There is no point selecting a study that you struggle with simply because it has traditionally been scaled up. You will get higher scores in studies that you like and are good at, even after scaling.

For further information about study selection and scaling refer to Choice or the VTAC website

</table>
This section provides information about tertiary entrance requirements and the ATAR.

To be offered a place in a course you must:
- meet the minimum tertiary entrance requirements for Victoria
- meet any VCE prerequisites (or equivalent) for the course, and
- be selected in competition with other eligible applicants.

Minimum tertiary entrance requirements

Vocational education and Training VET: Certificate II and Certificate III

There are no set minimum tertiary entrance requirements for entry to Certificate II and III courses in VIC THER 2017, however institutional and course requirements still apply.

Minimum tertiary entrance requirements for general entry are outlined below.

Vocational education and training VET: Certificate IV, Diploma, Advanced Diploma

For Year 12 students, the minimum tertiary entrance requirement for VET courses available at TAFE providers and independent tertiary colleges is:

Satisfactory completion of any of the qualifications listed for Higher Education courses or satisfactory equivalent senior secondary completion such as Senior VCAL (Victorian Certificate of Applied Learning) or literacy requirements as stated in VET Training packages/curriculum (training.gov.au) you will meet minimum tertiary entrance requirements for VET courses

VET courses are displayed with this colour:

Higher education

For higher education courses the minimum tertiary entrance requirement for courses available at university, independent tertiary colleges and TAFE providers is:

The satisfactory completion of both the VCE# and Units 3 and 4 English (any)* or equivalent.

Note: Some institutions may accept applicants with equivalent senior secondary completion such as Senior VCAL—check with individual institutions for their entrance requirements. Higher education courses are displayed with this colour:

Other qualifications

Applicants may be considered as satisfying minimum tertiary entrance requirements on the basis of other qualifications. These may include completion of:
- the International Baccalaureate Diploma
- overseas qualifications deemed comparable by VTAC to the required Victorian qualifications.

Victoria uses the home state rule for determining minimum tertiary entrance requirements for interstate applicants. The rule states:
- If an applicant meets minimum tertiary entrance requirements for all institutions in their home state, they will meet minimum tertiary entrance requirements for all interstate Australian institutions.

Note: For the purposes of ATAR calculation and university admission under the home state rule, Northern Territory and South Australia are combined and treated as a single entity. The eligibility requirements applied to students presenting the SACE will be applied to students presenting the NTCE.

VTAC automatically assesses these qualifications as part of the application process and advises appropriate course authorities of the status of any such applicants.

Refer to the Student Access function of VTAC CourseLink to view a list of interstate study equivalences.

Course requirements

A number of courses have requirements additional to the minimum tertiary entrance requirements.

These may be in the form of:
- Prerequisite studies
- Selection requirements

If you do not meet the prerequisite(s) for a course you may not be selected for that course, however your results will still be provided to the course selection authorities of each course to which you have applied.

Prerequisites

Units 1 and 2 prerequisites

If a course specifies Units 1 and 2 of a study as prerequisites, this means that a satisfactory result must be awarded in both Units 1 and 2.

Units 3 and 4 prerequisites

If a course specifies prerequisites for a study at Units 3 and 4, this means that a minimum study score will be specified.

Selection requirements

In addition to the requirements outlined above, many courses have selection requirements such as a folio, an interview, performance audition or completion of a questionnaire.

Details of course selection requirements are not contained in this publication, but will be available in course entries for 2017 available in July 2016. This is because selection requirements often include requirements that must be met on particular dates for the year concerned. As a guide however, you might like to refer to the current course entries using CourseSearch on the VTAC website.

How do institutions select applicants?

Approximately 50% of the courses accepting applications and offers through VTAC use a range of criteria that may include the ATAR as well as other factors such as interview, folio presentations, pre-selection tests, additional forms and so on.
What is the ATAR?
The ATAR is an overall percentile ranking reflecting a student’s comparative Year 12 achievement compared to the relevant age group in a given year. The ATAR allows tertiary institutions to compare students who have completed different combinations of VCE studies. It is calculated by VTAC solely for use by institutions.

The ATAR is reported as a rank between 0.00 and 99.95 with increments of 0.05. An ATAR of 75.00 means that a student with that ATAR has achieved VCE results above 75% of the population of the relevant age group.

Eligibility for an ATAR
To qualify for an ATAR a student must:
- qualify for the VCE
- achieve study scores in at least four permissible Unit 3 and 4 VCE studies, including one from the English group.

Who receives an ATAR?
VTAC calculates an ATAR for all students who have qualified for an ATAR, however only those who apply through VTAC for tertiary courses and paid their VTAC processing fees receive an ATAR statement.

An ATAR will be calculated by VTAC for applicants when they first qualify for an ATAR. If you undertake further study in a later year and are awarded at least one study score or complete a non-scored VET sequence that entitles you to an additional VET increment, a new ATAR will be calculated. Ranking for courses will be based on the highest ATAR achieved.

If you have applied for tertiary entry through VTAC and paid your processing fee, you will receive a statement containing your ATAR from VTAC at the same time that you receive study scores from the VCAA.

Calculation of the ATAR
Your ATAR is developed from an aggregate produced by adding your results for up to six studies as follows:
- the VTAC Scaled Study score in one of English, English (EAL), Literature or English Language
- the three next highest VTAC scaled study scores permissible (which together with the English study make the “primary four”)
- 10% of any fifth and sixth permissible scores that are available (these are called increments).

If you have more than six results, the six permissible results that give the highest ATAR are used.

Studies used in the calculation of the ATAR may be taken over any number of years; however the time taken to complete VCE studies may be taken into account by institutions when considering applicants.

You are then ranked in order of these aggregates—the highest rank being 99.95 and then decreasing in steps of 0.05. The group of students with the highest aggregates will be assigned the highest rank of 99.95. The lowest automatically reported ATAR is 30.00, with ATARs being 99.95 and then decreasing in steps of 0.05. The group of students with the highest aggregates will be assigned the highest rank of 99.95. The lowest automatically reported ATAR is 30.00, with ATARs being 99.95 and then decreasing in steps of 0.05.

Notional ATARs
Notional ATARs are used to rank applicants who either have previous Victorian Year 12 results (other than VCE results) or another qualification obtained in Victoria such as the International Baccalaureate. In the case of previous Victorian Year 12 results, a Notional ATAR is calculated using the same rules as for the ATAR. For other qualifications, different methods are used whilst still adhering to the same underlying principles. Further information may be obtained from VTAC.

Only Victorian IB students who sit the GAT and are VTAC applicants will be issued with a Notional ATAR statement.

Interstate use of ATARs
Victorian VCE applicants applying for tertiary courses in other Australian states will be considered on the basis of their ATAR.

Scaling study scores for the ATAR
In calculating study scores, the VCAA does not determine any measure of overall performance in the VCE, but rather the performance of each student in each individual study. In order to facilitate selection, institutions require an overall measure of the performance of students undertaking the VCE in all studies.

Before the scores of different VCE studies can be added together for the ATAR, they need to be scaled to take account of the different levels of competition in different studies.

The study score is not a score out of 50. It is a ranking or relative position which shows a student’s performance compared with all other students who took that study in that year. A student with a study score of 30 is in the middle of the cohort, or has performed better than about half of all students. A student with a study score of 40 has performed better than about 91% of all students who did that study.

What this means is that the middle student in any study will have a study score of 30, regardless of how strong the other students were in the study and how difficult it was to achieve the middle ranking. This does not mean that some studies are inherently more difficult than others. In fact, most are designed to be of equal difficulty. However, the stronger the competition, the harder it is to achieve the middle score of 30.

So all study scores are scaled by VTAC before they are used to calculate the ATAR. Scaling adjusts the study scores in each study to take account of the strength of competition among students taking the study. The strength of competition in each study is measured by how well the students in that study performed in their other studies. The study scores are scaled so that the overall level of scores in that study matches the scores obtained by the same group of students in all of their other studies combined.

Once the study scores have been scaled, they are called VTAC Scaled Study Scores. It is the VTAC Scaled Study Scores that are used to calculate the ATAR. VCE studies are always scaled in the year in which they were undertaken. This may not necessarily be the year in which you receive your ATAR.

By using VTAC Scaled Study Scores, fair comparisons can be made of students’ achievements over all their studies, regardless of the studies they have taken. Because of this, students can freely choose studies they like or are good at without worrying about their ATAR.

This is not always well understood and many students believe that to achieve their best possible ATAR they need to choose studies that are scaled up. This is not true and may even work against you. Every year there are many students who achieve high VTAC Scaled Study Scores for studies that have been scaled down, and achieve lower VTAC Scaled Study Scores for studies that have been scaled up.

If you choose a study that you are not very good at simply because it will be scaled up, the study score you receive will be a lot lower than what you could expect in a study you are good at and that interests you. While your score will be scaled up, it is unlikely that your VTAC scaled study score would be any higher than if you had chosen a more suitable study, even one that is scaled down.

The way to ensure that you achieve your best ATAR is to choose your studies according to what you are interested in; what you are good at; and what studies you need for future study.
The calculation of the ATAR guarantees that all studies are treated equally and provides you with a common score for tertiary selection across Australia.

Studies with additional scaling

Mathematics
VCE Mathematics studies are designed to cater for students of differing abilities and interests. Specialist Mathematics is the most difficult, followed by Mathematical Methods (CAS) and then by Further Mathematics.

To ensure that students undertaking the more difficult mathematics studies are not disadvantaged, all three mathematics studies are scaled against each other as well as being scaled against all other studies. The higher of the two resulting scales is used for each of the mathematics studies.

Languages
As a result of government policy to encourage the study of languages, a further adjustment is made during the scaling process. Each Language is adjusted up by adding five to the initial VCAA scaled study score average. All students of a Language receive an adjustment, but it is not a uniform adjustment. For study scores at or close to 30, the adjustment is 5, but the adjustment decreases as the study score moves away from 30.

Studies used for the ATAR
Subject to the rules and restrictions that are described in the sections that follow, the studies that can be used for the ATAR are:

- All VCE Unit 3 and 4 sequences
- Vocational Education and Training (VET) Programs with Unit 3 and 4 sequences
- Approved Higher Education studies.

VET Programs
VET programs that contribute to the VCE are used in the calculation of the ATAR as follows:

VCE VET Unit 3 and 4 sequences with scored assessment:
- study scores are scaled and may be included in the calculation of the ATAR aggregate
- where a scored assessment is available and you decide not to take it, no increment will be available.

VCE VET Unit 3 and 4 sequences with no scored assessment available:
- may be counted as fifth and sixth studies. The increment will be 10% of the average of the primary four VTAC scaled study scores.

If you have completed two VET Unit 3 and 4 sequences deemed by the VCAA to be equivalent because of significant duplication, only one result can contribute to the ATAR. If one sequence has scored assessment available, then your result in the scored sequence will be used in the calculation of your ATAR. If both sequences have scored assessment, then the higher result will be used. If neither sequence has scored assessment, one VET increment will be available.

Restriction on use of VET results within an Industry Area
In cases where no scorable sequence in an industry area has been attempted, two VET or VFE increments from that area can contribute to the ATAR.

Where a single scorable VCE VET sequence has been attempted in an industry area, then that result will be the first possible industry area contributor to the ATAR, and two increments can be added by non-scorable VET or VFE sequences in the same industry area.

Where two scorable non-equivalent VCE VET sequences have been attempted in an industry area, then those results will be the first possible industry area contributors to the ATAR, and at most one increment can be added by non-scorable VET or VFE sequences in the same industry area.

Where more than two scorable non-equivalent VCE VET sequences have been attempted in an industry area, then only those results will be possible industry area contributors to the ATAR, with at most two being permissible in the primary four and at most three being permissible in the ATAR.

It should be noted that VET sequences within the Information Technology industry area are also considered to be in the IT Studies study area, whilst VET sequences within the Music Industry area are also considered to be in the Music Studies study area.

Restriction on use of VET Block Credit in the ATAR calculation where a student has previously been awarded an ATAR
For an ATAR calculated up until and including 2014, if a student was previously eligible for an ATAR, then new VFE results can only contribute to the ATAR when fewer than six VCE and VCE VET results are available. For ATARs calculated in 2015 and later VFE results can only be used in the calculation of an ATAR if there are fewer than 6 VCE or VCE VET studies available. If there are 6 or more VCE or VCE VET studies available, a VFE block credit result cannot be used.

Approved Higher Education studies in schools
The VCAA provides for very able students to have an opportunity to undertake an approved Higher Education study as part of the VCE. Such studies are recognised as Higher Education studies contributing to completion of the VCE. Higher Education studies include first year university studies and advanced standing TAFE courses recognised by the VCAA and made available to VCE students who are very able academically and have the endorsement of their school principal.

If you are undertaking such a study, it may count as an increment (fifth or sixth study) in the ATAR provided that it is passed, that VCAA co-requisite or prerequisite conditions were met, and subject to the restricted study combinations below.

Upon satisfactory completion an increment will be awarded for the Higher Education study and will be determined as follows:

- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 90, the Higher Education increment will be 5.0.
- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 80 but less than 90, the Higher Education increment will be 4.5.
- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 70 but less than 80, the Higher Education increment will be 4.0.
- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 60 but less than 70, the Higher Education increment will be 3.5.
- Where a student completes a Higher Education VCE study and the average mark over all the HE units awarded is at least 50 but less than 60, the Higher Education increment will be 3.0.
Restrictions on use of approved Higher Education studies in schools

If your ATAR incorporates a Higher Education increment from any of the study areas of mathematics, English, languages, music, history or computer science/information technology then at most two VTAC scaled study scores and/or VET increments from that study area may be used.

All VCAA designated rules for Higher Education studies must be satisfied prior to a Higher Education study increment being available. Check the VCAA “VCE and VCAL Administrative Handbook” and current VCAA “Bulletin VCE, VCAL and VET” for the latest information.

The VCAA Handbook states that only one Higher Education Study may count towards satisfactory completion of the VCE. Similarly, only one Higher Education Study may contribute to your ATAR.

Restrictions on subject use in the ATAR calculation

The restrictions listed here are for studies completed after 2007. Additional restrictions may apply where earlier studies have been completed. Contact VTAC for further information.

Restrictions on studies in the ATAR

Only one of the following combinations can be used in the best six (that is, in the calculation of the ATAR):

- English/English as an Additional Language (EAL)
- Chinese (FL)/Chinese (SL)/Chinese (SL Advanced)
- Indonesian (FL)/Indonesian (SL)
- Japanese (FL)/Japanese (SL)
- Korean (FL)/Korean (SL)
- Mathematical Methods/Mathematical Methods (CAS).

In each of the study areas of English, mathematics, history, Contemporary Australian studies, information technology, languages and music:

- at most two results can contribute to the primary four
- at most three results can contribute to the ATAR, be they VCE results, Higher Education study results, or VET results.

The studies included in these study areas are those listed in the appropriate study area groupings (see page 12).

Please note: The VET industry area restrictions and VFE Block Credit restrictions also apply.
### Higher education

<table>
<thead>
<tr>
<th>Courses</th>
<th>Higher education courses provide professional qualifications with an emphasis on theory and the development of transferable skills. Some courses are vocational, leading to careers in clearly identified areas (e.g., Accounting) while others are ‘generalist’ with no particular vocational skills component. Although courses vary, many higher education courses include formal lectures and tutorials.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Length</td>
<td>The majority of higher education courses with applications through VTAC are bachelor degrees and a few associate degrees. A basic undergraduate degree usually requires a minimum of three to four years full-time study. Many courses such as combined degrees and industry-based learning (work experience degrees are longer). For further information about Higher education courses through VTAC see CourseSearch on the VTAC website.</td>
</tr>
</tbody>
</table>

### Vocational Education Training (VET) courses

<table>
<thead>
<tr>
<th>Courses</th>
<th>VET courses provide professional and para-professional qualifications with an emphasis on practical skills and vocational pathways that lead into higher level training, higher education or employment. A wide variety of study areas are offered; each one involving training for expertise in a particular skill area. VET qualifications are designed for close consultation with industry to ensure the training is current and relevant for industry requirements. Class sizes are usually small allowing for individual attention. These courses may be work based or involve a work placement. VET courses available through VTAC or directly include certificate II, certificate III, certificate IV, diplomas and advanced diplomas.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Length</td>
<td>Diplomas and advanced diplomas are normally equivalent to two years full-time study. Some courses offer one year accelerated programs. Refer to the individual course entries in the VTAC Guide 2013, under title and length, for specific details. Certificate IV can be (but are not always) equivalent to one year full-time study. For general VET course enquiries telephone 131 823.</td>
</tr>
</tbody>
</table>

### Teaching styles

<table>
<thead>
<tr>
<th>University</th>
<th>University teaching styles vary, however they generally include formal lectures, tutorials, seminars, practical workshops and/or laboratory classes and work experience placements.</th>
</tr>
</thead>
<tbody>
<tr>
<td>TAFE</td>
<td>TAFE teaching styles involve small classes, individual attention and diverse programs. They are devised to ensure that they are highly accessible, provide a range of pathways and ensure practical learning while bridging the gap between work and education.</td>
</tr>
<tr>
<td>Independent Tertiary Colleges</td>
<td>Independent tertiary colleges offer a diverse range of teaching styles including lectures, workshops, laboratory classes, seminars, small group tutorials, practical work placements, industry visits and self-paced virtual classrooms. Courses may lead to employment or further study at degree or postgraduate level. A number of these courses offer credit transfer or arrangements with other institutions.</td>

About selection

VTAC does not select applicants or influence decisions made by institutions. Selection is the responsibility of each institution’s course selection authorities. When considering your application, course authorities take into account published institutional and course entrance requirements, prerequisite studies and methods such as interviews, folios and supplementary forms.

For a list of the methods used for selection to a course, see Selection criteria under the course information in CourseSearch on the VTAC website.

Two models of selection:
Approximately 50% of all courses use a range of criteria that may include the ATAR as well as other factors such as interview, folio presentations, pre-selection tests, additional forms and so on. Within this mix of criteria there may be different requirements for Year 12 applicants and non-year 12 applicants.

ATAR and two-stage process
For courses using this selection method about 80% of places are determined by the ATAR alone. For the remainder of places in these courses additional information is considered for the applicants who do not have an ATAR high enough to guarantee automatic selection, but have an ATAR above that which leads to automatic rejection. These applicants are evaluated in accord with the subject bonus criteria published in each year’s course entries under additional considerations.

Information about factors other than the ATAR are published in the selection criteria within each course entry. See selection criteria under the course information in CourseSearch on the VTAC website for details about the subject bonus. These factors are used in addition to the prerequisites and selection requirements in course entries to rank applicants and fill the balance of the course quota.

Study area groupings

Mathematics studies
- Further Mathematics
- Mathematical Methods (CAS)
- Specialist Mathematics
- Mathematical Methods*
- Change and Approximation*
- Extensions–Change and Approximation*
- Reasoning and Data*
- Extensions–Reasoning and Data*
- Space and Number*
- Extensions–Space and Number*
- any Mathematics Higher Education study.

English studies
- English
- English (EAL)
- Literature
- English Language
- any English Higher Education study.

Music studies
- Music Styles and Composition
- Music Performance
- Music Investigation
- VCE VET Music Industry– Music Performance
- VCE VET Music Industry–Technical Production
- Music– History and Styles*
- Music Styles*
- Music Performance– Group*
- Music Performance–Solo*
- any Music Higher Education study.

Please note: There are a number of non-scored VET sequences available in the Music study area.

History studies
- Australian History
- Revolutions
- Renaissance Italy
- Asian History*
- The City in History*
- Koori History*
- History of Western Ideas*
- Nationalism and Modern State*
- any History Higher Education study.

Contemporary Australian studies
- Sociology
- Contemporary Society*
- Australian Studies*
- Contemporary Australian Society*
- any Contemporary Australian Study Higher Education study.

IT studies
- VCE Software Development
- VCE IT Applications
- VCE VET Information Technology
- VCE Information Systems*
- VCE Information Processing and Management*
- VCE Information Technology in Society*
- any IT Higher Education study.

Please note: There are a number of non-scored VET sequences available in the IT study area, including from the CISCO Networking Program.

All study grouping areas are correct as at 30 June 2014, but may be revised on the VTAC website and through VTAC Gazettes to schools as soon as revision is confirmed.

*Indicates that the study is no longer being offered as part of the VCE.
Courses with prerequisites available in 2017 and courses without prerequisites

Academy of Design Australia

All applicants for Academy courses are required to attend an individual interview and present a folio of recent creative work. While not expected to be of professional quality, the folio should demonstrate a range of creative and technical skills relevant to the course(s) applied for. Interviews are an informal, friendly discussion about the applicant’s work, ambitions and interests. The interview panel consists of no more than two people who will ask questions relating to the Academy’s Selection Criteria.

The interview panel seeks to identify potential students who are self-motivated and show initiative and the ability to successfully develop knowledge and skills in one of the disciplines offered at the Academy.

To assist applicants to present their work in the best way possible the Academy offers Folio Presentation workshops. For further information refer to http://www.designacademy.edu.au/careers_portfolio_presentation.html

Courses without prerequisites

- Communication Design
- Fashion & Costume Design
- Filmmaking & Photography
- Graphic & Digital Design
- Visual Arts

Academy of Interactive Entertainment

For all AIE Advanced Diploma programs, there is no prerequisite. Applicants will be required to attend an interview in person on campus, online or over the phone if the applicant is located in Victoria’s regional areas or interstate. For the Bachelor of Games and Virtual Worlds (Programming), applicants need to have demonstrated a completion in Year 12 or equivalent and with a minimum pass grade in English and mathematics (which includes Calculus) or an approved bridging program and/or skills assessment in mathematics and English.

Game Art and Screen: Folio should demonstrate your creativity and art skills. Examples can include sketches, paintings, video clips, animation, multimedia, sculpture, photography, life drawing and graphic design.

Software Development: Folio should demonstrate your aptitude for computer programming. You can include actual code samples in the folio or any compiled working applications, such as Visual Basic projects, Flash/ActionScript files, custom databases, iPhone or Java applications, multimedia projects or game models.

Students will need to demonstrate their enthusiasm and potential to complete the program to a high standard. Areas covered at the interview include communication and teamwork skills, personal motivation, educational history, long-term career aspirations and an awareness of the program objectives. Where it is necessary to collect additional evidence regarding the selection criteria, students might be requested to participate in an interview which may include a written or oral skills assessment test.

Courses with prerequisites available in 2017

- Games and Virtual Worlds (Programming)
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

Courses without prerequisites

- Game Art (Animation)
- Game Design and Production
- Game Programming
- Screen and Media (Animation)
Courses with prerequisites available in 2017

- Accounting and Finance
  Prerequisites: Units 3 and 4: any English.

- Applied Public Health
  Prerequisites: Units 3 and 4: any English.

- Applied Public Health/Global Studies
  Prerequisites: Units 3 and 4: any English.

- Arts
  Prerequisites: Units 3 and 4: any English.

- Arts (Psychology)
  Prerequisites: Units 3 and 4: any English.

- Arts/Commerce
  Prerequisites: Units 3 and 4: any English.

- Arts/Global Studies
  Prerequisites: Units 3 and 4: any English.

- Arts/Laws
  Prerequisites: Units 3 and 4: any English.

- Biomedical Science
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Biomedical Science/Applied Public Health
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Biomedical Science/Business Administration
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Business Administration
  Prerequisites: Units 3 and 4: any English.

- Business Administration/Global Studies
  Prerequisites: Units 3 and 4: any English.

- Business Administration/Laws
  Prerequisites: Units 3 and 4: any English.

- Commerce
  Prerequisites: Units 3 and 4: any English.

- Commerce/Business Administration
  Prerequisites: Units 3 and 4: any English.

- Commerce/Global Studies
  Prerequisites: Units 3 and 4: any English.

- Commerce/Laws
  Prerequisites: Units 3 and 4: any English.

- Counselling
  Prerequisites: Units 3 and 4: any English.

- Creative Arts
  Prerequisites: Units 3 and 4: any English.

- Early Childhood Education (Birth to Five Years)
  Prerequisites: Units 1 and 2: both of General Mathematics and Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

- Exercise and Health Science
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics, Outdoor And Environmental Studies, Physical Education, Physics or Psychology.

- Exercise and Sport Science
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics, Outdoor And Environmental Studies, Physical Education, Physics or Psychology.

- Exercise Science/Business Administration
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics, Outdoor And Environmental Studies, Physical Education, Physics or Psychology.

- Exercise Science/Public Health
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics, Outdoor And Environmental Studies, Physical Education, Physics or Psychology.

- Human Resource Management
  Prerequisites: Units 3 and 4: any English.

- Information Technology
  Prerequisites: Units 3 and 4: any English.

- Information Technology/Business Administration
  Prerequisites: Units 3 and 4: any English.

- International Development Studies
  Prerequisites: Units 3 and 4: any English.

- Laws
  Prerequisites: Units 3 and 4: any English.

- Laws/Global Studies
  Prerequisites: Units 3 and 4: any English.

- Marketing
  Prerequisites: Units 3 and 4: any English.

- Media Communication
  Prerequisites: Units 3 and 4: any English.

- Midwifery
  Prerequisites: Units 3 and 4: any English.

- Nursing
  Prerequisites: Units 3 and 4: any English.

- Nursing/Business Administration
  Prerequisites: Units 3 and 4: any English.

- Nursing/Paramedicine
  Prerequisites: Units 3 and 4: any English.

- Occupational Therapy (Pass and Honours)
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, Physical Education or Physics.

- Paramedicine
  Prerequisites: Units 3 and 4: any English.

- Psychology
  Prerequisites: Units 3 and 4: any English.

- Social Science
  Prerequisites: Units 3 and 4: any English.

- Speech Pathology
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, Physical Education or Physics.

- Teacher Education – Early Childhood and Primary
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics, Outdoor And Environmental Studies, Physical Education, Physics or Psychology.

- Teacher Education – Primary
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics, Outdoor And Environmental Studies, Physical Education, Physics or Psychology.

- Teaching/Arts (Humanities)
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics, Outdoor And Environmental Studies, Physical Education, Physics or Psychology.

- Teaching/Arts (Mathematics)
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

- Teaching/Arts (Visual Arts)
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

- Theology
  Prerequisites: Units 3 and 4: any English.

- Theology/Global Studies
  Prerequisites: Units 3 and 4: any English.

- Theology/Laws
  Prerequisites: Units 3 and 4: any English.

- Visual Arts and Design
  Prerequisites: Units 3 and 4: any English; and one of Art, Studio Arts or Visual Communication Design.

- Youth Work
  Prerequisites: Units 3 and 4: any English.
Australian College of Applied Psychology

Courses without prerequisites

- Applied Social Science
- Community Services (Case Management)
- Counselling
- Psychological Science

Australian College of Sports Therapy

To gain entry to a course an applicant must make an application through the Victorian Tertiary Admissions Centre in accordance with required timelines and the application procedures for the course, satisfy the minimum Victorian requirements as published in the VTAC Guide, satisfy any general entry requirements of the College together with other criteria such as achievement in, interview, folio, audition and/or submission of any required supplementary information; obtain an entry score or rank equal to or above the cut-off for the quota in that course; and be offered, and accept within the prescribed time, a place within the course.

Please refer to the full policy for more information: http://www.sportstherapy.edu.au/download/student_selection_admission_policy.pdf

Detail of Interview Preparation/Requirements

Applicants who are required to attend an interview or supply any additional information must demonstrate a range of attributes, e.g. personal motivation, relevant experience or previous study, an understanding of the course and/or potential employment opportunities.

Please refer to the course entries on the VTAC website or visit www.sportstherapy.edu.au or contact the College for confidential advice on (03) 9670 3735.

Courses without prerequisites

- Fitness
- Massage Therapy Practice (Certificate IV)
- Myotherapy (Advanced Diploma)
- Remedial Massage (Diploma)
- Sports Therapy (Advanced Diploma)

Australian College of the Arts (Collarts)

Courses without prerequisites

- Audio Production
- Entertainment Management
- Music Performance (Contemporary)

Australian Guild of Music Education

Courses without prerequisites

- Music
- Music (Degree)
Australian Maritime College

General Principle of Admission Policy

For more information on all the courses offered visit www.amc.edu.au or contact AMC directly on 1300 363 864 or refer to the VTAC Guide.

Courses with prerequisites available in 2017

- Engineering – Marine and Offshore
  Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any Science; and any English.

- Engineering – Marine and Offshore (Co-operative Education)
  Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any Science; and any English.

- Engineering – Naval Architecture
  Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any Science; and any English.

- Engineering – Naval Architecture (Co-operative Education)
  Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any Science; and any English.

- Engineering – Ocean
  Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any Science; and any English.

- Engineering – Ocean (Co-operative Education)
  Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any Science.

- Marine Environment
  Prerequisites: Units 3 and 4: any English; and any Mathematics; and any Science.

- Maritime Technology Management
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

Courses without prerequisites

- Applied Science (Marine Environment)

Bendigo TAFE

Bendigo TAFE’s certificate, diploma and advanced diploma courses have varying requirements in relation to literacy and numeracy, and all applicants are required to participate in an individual interview.

Applicants will be expected to demonstrate communication skills, literacy and numeracy skills and enthusiasm towards study, as well as demonstrate a basic understanding of the course and the related career outcomes.

It may also be requested that applicants attend an information session or present a folio of work, dependant on the course for which the application is being made.

Courses without prerequisites

- Agriculture
- Allied Health Assistance
- Beauty Therapy
- Building Design (Architectural)
- Community Coordination and Facilitation
- Community Services Work
- Conservation and Land Management
- Design
- Disability
- Early Childhood Education and Care
- Engineering – Technical
- Engineering Drafting
- Horticulture
- Human Resources Management
- Information Technology Networking
- Interactive Digital Media
- Laboratory Techniques
- Laboratory Technology
- Management
- Nursing
- Professional Writing and Editing
- Sound Production
- Tertiary Preparation
- Visual Arts
- Wool Classing
- Work Health and Safety
Courses and Institutions

Box Hill Institute

General Principle of Admission Policy

Many TAFE certificate I-IV courses have no prerequisites. Some diploma/advanced diploma courses will require the completion of pathway courses first, such as a certificate III or IV in the same course area.

The eligibility requirement for most degree courses is a study score of at least 20 in VCE English (any) Units 3 & 4. In addition some degree courses also require studies in VCE Units 3 & 4 Mathematics, Chemistry or Art.

Box Hill Institute encourages all applicants who do not satisfy course entry requirements to undertake some TAFE pathway or preparatory studies.

Folios

Some courses do require applicants to meet folio, audition or interview requirements. Other courses may simply require applicants to attend an information session, or submit a supplementary application form.

Detail of Folio and Audition Preparation

Folios: Applicants are usually required to demonstrate their proficiency as a musician/artist.

Auditions: Applicants are usually required to demonstrate their conceptual, creative and technical ability. See our online Guide to Folio Presentation at http://www.bhtafe.edu.au/courses/CI/Pages/auditions-interviews.aspx

Detail of Interview Preparation/Requirements

Interviews: Applicants are usually asked a series of questions relating to their suitability for the course, demonstration of clear career goals, citing of any relevant industry experience, and their general aptitude for the course.

Courses with prerequisites available in 2017

- **Commerce (Applied)**
  Prerequisites: Units 3 and 4: any English.

- **Computer Systems**
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

Charles Sturt University

General Principle of Admission Policy

The University’s Regional Bonus Scheme provides current Year 12 students attending a school in regional Australia with an automatic increase of 5 ATAR points. Students attending school in regional Victoria and regional New South Wales are also eligible to apply for the Principal Report Entry Program (PREP) which is administered through their school. Where a student does not meet entry requirements, CSU offers a number of pathway and supporting programs in areas such as Chemistry, English and Mathematics.

For more details on all the courses offered please see the University website www.csu.edu.au or contact CSU directly on 1800 334 733 or refer to the VTAC Guide.

  Prerequisites: Units 3 and 4: any English.

- Arts
  Prerequisites: Units 3 and 4: any English.

- Arts/Business
  Prerequisites: Units 3 and 4: any English.

- Arts/Community Welfare and Counselling
  Prerequisites: Units 3 and 4: any English.

- Arts/Education
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.
Higher Education Qualification

Prerequisites:

- Arts/Primary Education: Units 1 and 2: two units (any study combination) of General Mathematics or Maths; Mathematical Methods or Units 3 and 4; any Mathematics; and any English.
- Arts/Professional Writing: Units 3 and 4; any English.
- Arts/Visual and Media Arts: Units 3 and 4; any English.
- Behavioural Science: Units 3 and 4; any English.
- Biomedical Science: Units 3 and 4; any English.
- Biotechnology (Science): Units 3 and 4; any Biology, Chemistry, Geography, Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics, Physics or Psychology; and any English.
- Business (Gippsland): Units 1 and 2; two units (any study combination) of any Mathematics or Units 3 and 4; any Mathematics; and any English.
- Business (Mount Helen): Units 1 and 2; two units (any study combination) of General Mathematics or Units 3 and 4; any Mathematics; and any English.
- Business Systems: Units 1 and 2; two units (any study combination) of General Mathematics or Maths; Mathematical Methods or Units 3 and 4; any Mathematics; and any English.
- Civil and Environmental Engineering (Honours): Units 3 and 4; any English; and Maths: Mathematical Methods (CAS); and one of Chemistry or Physics.
- Civil and Environmental Engineering (Honours)/Business: Units 3 and 4; any English; and both of Chemistry and Physics; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.
- Civil Engineering: Units 3 and 4; any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.
- Civil Engineering Technology: Units 3 and 4; any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.
- Commerce: Units 1 and 2; two units (any study combination) of any Mathematics or Units 3 and 4; any Mathematics; and any English.
- Commerce/Management: Units 1 and 2; two units (any study combination) of any Mathematics or Units 3 and 4; any Mathematics; and any English.
- Community Welfare and Counselling: Units 3 and 4; any English.
- Computer Games and Digital Media: Units 3 and 4; any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.
- Criminal Justice: Units 3 and 4; any English.
- Education (Early Childhood): Units 1 and 2; two units (any study combination) of General Mathematics or Maths; Mathematical Methods or Units 3 and 4; any Mathematics; and any English.
- Education (P–6) or (P–10): Units 1 and 2; two units (any study combination) of General Mathematics or Maths; Mathematical Methods or Units 3 and 4; any Mathematics; and any English.
- Environmental Management: Units 3 and 4; any English; and one of Geography, any Mathematics or any Science.
- Exercise and Sport Science: Units 1 and 2; two units (any study combination) of General Mathematics or Maths; Mathematical Methods; and Units 3 and 4; any English.
- Fine Arts: Units 3 and 4; any English.
- Food and Nutritional Sciences: Units 3 and 4; any English.
- Geology: Units 3 and 4; any English; and one of any Mathematics or any Science.
- Graphic Design/Multimedia: Units 3 and 4; any English.
- Health and Physical Education: Units 1 and 2; one of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4; any English.
- Health Sciences: Units 3 and 4; any English; and one of Biology, Chemistry, any Mathematics, Physics or Psychology.
- Information Technology: Units 1 and 2; two units (any study combination) of General Mathematics or Maths; Mathematical Methods or Units 3 and 4; any Mathematics; and any English.
- Information Technology (Associate Degree): Units 1 and 2; two units (any study combination) of General Mathematics or Maths; Mathematical Methods or Units 3 and 4; any Mathematics; and any English.
- Information Technology (Professional Practice): Units 1 and 2; two units (any study combination) of General Mathematics or Maths; Mathematical Methods or Units 3 and 4; any Mathematics; and any English.
- International Studies: Units 3 and 4; any English.
- Management: Units 1 and 2; two units (any study combination) of any Mathematics or Units 3 and 4; any Mathematics; and any English.
- Mathematical Sciences: Units 3 and 4; any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.
- Mathematical Sciences/Education: Units 3 and 4; Maths: Mathematical Methods (CAS); and any English.
- Mechanical Engineering: Units 3 and 4; any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.
- Mechanical Engineering Technology: Units 3 and 4; any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.
- Medical Bioscience: Units 3 and 4; any Biology, Chemistry, Geography, Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics, Physics or Psychology; and any English.
- Metallurgy: Units 3 and 4; any English; and one of any Mathematics or any Science.
- Mining Engineering: Units 3 and 4; any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.
- Mining Engineering Technology: Units 3 and 4; any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.
- Music Theatre: Units 3 and 4; any English.
- Nursing: Units 1 and 2; any Mathematics; and Units 3 and 4; any English; and one of Biology, Chemistry, Health And Human Development, Physics or Psychology.
- Nursing Practice: Units 1 and 2; two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4; any Mathematics; and any English.
- Nursing Practice/Midwifery: Units 1 and 2; two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4; any Mathematics; and any English.
- Primary Education: Units 1 and 2; two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4; any Mathematics; and any English.
- Professional Communication (Arts): Units 3 and 4; any English.
Courses without prerequisites

- Accounting
- Beauty Therapy
- Building and Construction
- Building Design
- Building Surveying
- Computer Systems
- Conservation and Land Management
- Events
- Fashion Design
- Graphic Design
- Information Technology
- Information Technology (Networking)
- Interior Design and Decoration
- Laboratory Technology (Biological and Environmental Testing)
- Laboratory Technology (Biotechnology)
- Laboratory Technology (Forensic and Pathology Testing)
- Make-up
- Sport (Sport Development)
- Travel and Tourism

Gordon (The)

General Statement
For more information on all the courses offered visit www.thegordon.edu.au or contact course information on (03) 5225 0500.

Interview Criteria
In general terms the following areas may be covered during the interview process: communication and teamwork skills, personal motivation, careers outcomes and opportunities, and the ability to demonstrate an awareness and understanding of the course.

Art and Design Courses: Folios should contain items that best demonstrate the range of skills and abilities that the applicant has achieved in areas of art and design. Examples can include sketches, ideas, journals, print media, 3D models, photo media, digital arts, multimedia, painting, sculpture, drawings. Original examples are preferred where possible however photographic documentation is acceptable. Fashion folio preparation courses are available. This course is a practical, hands-on workshop to help you produce a tertiary level entry folio for fashion design courses.

Visit www.thegordon.edu.au or contact course information no (03) 5225 0500.
**Goulburn Ovens Institute of TAFE**

**Courses without prerequisites**

- Accounting
- Acting, Theatre
- Agriculture
- Events
- Graphic Design
- Hospitality
- Information Technology (Networking)
- Media Games Development
- Nursing
- Outdoor Recreation
- Sport Development
- Travel and Tourism
- Visual Art

**Holmes Institute**

**Courses without prerequisites**

- Accounting
- Business
- Fashion and Business
- Hospitality
- Information Technology
- Management
- Professional Accounting

**Holmesglen**

**General Principle of Admission Policy**

Information about prerequisites and selection criteria can be found at [www.holmesglen.edu.au](http://www.holmesglen.edu.au) or by calling 03 9564 1555.

For degree programs, the eligibility requirement is successful completion of VCE. Some courses may require studies in VCE Units 3 and 4 Mathematics, VCE Units 3 and 4 English, folio submissions or an interview. Pathways through TAFE studies are available to applicants who do not satisfy entry requirements for a degree. Students who successfully complete a Diploma or Advanced Diploma in a related field may receive up to 8 to 12 credits for a degree. Special entry requirements may apply to mature age applicants.

**Detail for Folio Preparation**

Folios that best demonstrate the ability of an applicant to undertake a program in a particular discipline should be presented at interview. Folio contents are not limited to, but could include, observational drawing, sketches, concept drawings, use of the design process, 2D and 3D work, photography, media, short films, storyboards, textiles, fashion garments and other art forms and media. Original artwork is preferred, but good quality photographic documentation is acceptable.

**Detail of Interview Preparation/Requirements**

Courses that require interviews will cover areas such as motivation for completion of a particular course, communication skills, ability to present artwork, knowledge of course structure and job outcomes.

**Courses with prerequisites available in 2017**

- **Early Childhood Education (Degree)**
  Prerequisites: Units 1 and 2: one of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

- **Nursing (Degree)**
  Prerequisites: Units 1 and 2: one of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

### Courses with prerequisites available in 2017

- **Bioscience**
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- **Business**
  Prerequisites: Units 3 and 4: any English.

- **Health Sciences**
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

- **Information Technology**
  Prerequisites: Units 3 and 4: any English.

- **Mass Media and Communications**
  Prerequisites: Units 3 and 4: any English.
La Trobe University

General Principle of Admission Policy

In pursuing its regional mission, the University may adjust upwards the aggregate of applicants from regional schools.

A range of schemes is available for applicants seeking admission to La Trobe University

ASPIRE Program (http://www.latrobe.edu.au/school/aspire)
Elite Athlete Bonus Scheme (http://www.latrobe.edu.au/sport/elite-athlete)
Hallmark Program (http://www.latrobe.edu.au/school/hallmark-program)

Some courses are available for commencement at other campuses.

Please check the VTAC Guide for accurate campus information.

Detail of Folio/interview preparation

Studies such as visual communication and design or studio arts will assist in the development of a portfolio for Creative Arts (Bendigo & Mildura)

Detail of Interview Preparation/Requirements

General awareness of and enthusiasm for aesthetics and design sense, initiative, personal motivation and the ability to communicate, an understanding of the course structure and a commitment to tertiary study.

Courses with prerequisites available in 2017

- Accounting
  Prerequisites: Units 3 and 4: any English.
- Accounting (Business)
  Prerequisites: Units 3 and 4: any English.
- Accounting and Finance
  Prerequisites: Units 3 and 4: any English.
- Agricultural Sciences
  Prerequisites: Units 3 and 4: any English.
- Agriculture and Technology
  Prerequisites: Units 3 and 4: any English.
- Animal and Veterinary Biosciences
  Prerequisites: Units 3 and 4: any English.
- Applied Science/Clinical Audiology
  Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.
- Applied Science/Clinical Prosthetics and Orthotics
  Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.
- Applied Science/Dietetic Practice
  Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.
- Applied Science/Occupational Therapy Practice
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.
- Applied Science/Orthoptics
  Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.
- Applied Science/Physiotherapy Practice
  Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.
- Applied Science/Pediatric Practice
  Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.
- Applied Science/Speech Pathology
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.
- Arts
  Prerequisites: Units 3 and 4: any English.
- Arts/Health Sciences
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.
- Arts/Science
  Prerequisites: Units 3 and 4: any Mathematics; and any English.
- Arts/Teaching (Secondary)
  Prerequisites: Units 3 and 4: any English.
- Biological Sciences
  Prerequisites: Units 1 and 2: two units (any study combination) of Geography, Health And Human Development, Information Technology, any Mathematics or Physical Education or Units 3 and 4: Geography, Health And Human Development, IT Applications, Software Development, any Mathematics, Physical Education or any Science; and any English.
- Biomedical Science
  Prerequisites: Units 3 and 4: any English; and Chemistry.
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Computer Science
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Computer Science (Honours)/Electronic Engineering (Honours)
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Computer Systems Engineering (Honours)
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Creative Arts
Prerequisites: Units 3 and 4: any English.

Early Childhood Education
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

Education
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

Educational Studies
Prerequisites: Units 3 and 4: any English.

Electronic Engineering (Honours)
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Electronic Technology
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Event Management
Prerequisites: Units 3 and 4: any English.

Event Management/Marketing
Prerequisites: Units 3 and 4: any English.

Exercise Science
Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

Exercise Science/Exercise Physiology
Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

Finance
Prerequisites: Units 3 and 4: any English.

Hallmark Program - Course Group A
Prerequisites: Units 3 and 4: any English.

Hallmark Program – Course Group B
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Hallmark Program - Course Group C
Prerequisites: Units 3 and 4: any English; and Chemistry.

Health Sciences
Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

Health Sciences (Medical Classification)/Health Information Management
Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

Health Sciences in Dentistry/Dentistry
Prerequisites: Units 3 and 4: any English; and Biology; and Chemistry.

Health Sciences/Business
Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, any Mathematics, Physical Education or Physics.

Human Nutrition
Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, any Mathematics, Physical Education or Physics.

Human Resource Management
Prerequisites: Units 3 and 4: any English.

Human Services/Social Work
Prerequisites: Units 3 and 4: any English.

Information Technology
Prerequisites: Units 3 and 4: any English.

Information Technology (Professional)
Prerequisites: Units 3 and 4: any English; and any Mathematics.

International Business
Prerequisites: Units 3 and 4: any English.

International Relations
Prerequisites: Units 3 and 4: any English.

Law (Undergraduate Entry)
Prerequisites: Units 3 and 4: any English.

Law/Arts
Prerequisites: Units 3 and 4: any English.

Law/Business
Prerequisites: Units 3 and 4: any English.

Law/International Relations
Prerequisites: Units 3 and 4: any English.

Law/Psychological Science
Prerequisites: Units 3 and 4: any English.

Law/Science
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Marketing
Prerequisites: Units 3 and 4: any English.

Mechatronic and Robotic Engineering (Honours)
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Media and Communication (Journalism)
Prerequisites: Units 3 and 4: any English.

Media and Communication (Media Industries)
Prerequisites: Units 3 and 4: any English.

Media and Communication (Sport Journalism)
Prerequisites: Units 3 and 4: any English.

Media and Communication (Strategic Communication)
Prerequisites: Units 3 and 4: any English.

Nanotechnology/Science
Prerequisites: Units 3 and 4: any English; and one of Biology; Chemistry; and Maths: Mathematical Methods (CAS); and one of Maths: Specialist Mathematics or Physics.

Nursing
Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics, Physical Education, Physics or Psychology.

Nursing/Midwifery
Prerequisites: Units 3 and 4: any English; and one of Biology; Chemistry, Health And Human Development, any Mathematics, Physical Education, Physics or Psychology.

Oral Health Science
Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Physical Education.

Outdoor Education
Prerequisites: Units 3 and 4: any English.

Outdoor Recreation Education
Prerequisites: Units 3 and 4: any English.

Paramedic Practice/Public Health Promotion
Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, Health And Human Development, any Mathematics, Physical Education, Physics or Psychology.

Pharmacy
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Physical and Health Education
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

Physical and Outdoor Education
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

Politics, Philosophy and Economics
Prerequisites: Units 3 and 4: any English.

Psychological Science
Prerequisites: Units 3 and 4: any English.

Psychology (Honours)
Prerequisites: Units 3 and 4: any English.

Public Health Promotion
Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics, Physical Education or Physics.
Science
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Science (Honours)/Nanotechnology
Prerequisites: Units 3 and 4: any English; and Chemistry; and Maths: Mathematical Methods (CAS); and one of Maths: Specialist Mathematics or Physics.

Science (Wildlife and Conservation Biology)
Prerequisites: Units 1 and 2: satisfactory completion in two units (any study combination) of Geography, Health And Human Development, Information Technology, any Mathematics or Physical Education or Units 3 and 4: one of Geography, Health And Human Development, IT Applications, Software Development, any Mathematics, Physical Education or any Science; and any English (EAL).

Science and Society
Prerequisites: Units 3 and 4: any English.

Science Double Degree Program
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Sport Management
Prerequisites: Units 3 and 4: any English.

Teaching (Outreach and Community Education)
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

Teaching (Primary)
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

Teaching (Secondary)
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

Tourism and Hospitality
Prerequisites: Units 3 and 4: any English.

Urban, Rural and Environmental Planning
Prerequisites: Units 3 and 4: any English.

Commerce
Prerequisites: Units 3 and 4: any English.

Computing
Prerequisites: Units 3 and 4: any English.

Engineering
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Health Sciences
Prerequisites: Units 3 and 4: any English.

Management
Prerequisites: Units 3 and 4: any English.

Media and Communication
Prerequisites: Units 3 and 4: any English.

Science
Prerequisites: Units 3 and 4: any English.

Tertiary Preparation Program

MIBT has general principles of selection which apply for entry to all courses. A study score of at least 20 in VCE English (any) Units 3 & 4 (or equivalent) is a prerequisite for all Diploma courses at MIBT. Further information about admission and selection policy can be found at http://www.mibt.vic.edu.au/apply-today/admissions-requirements
Courses with prerequisites available in 2017

- Engineering Technology (Telecommunications)
  Prerequisites: Units 3 and 4: any Mathematics.

Courses without prerequisites

- Business (Degree)
- Information Technology
- Networking (Degree)

Melbourne Polytechnic

General Statement
All selection mode and extra requirements for VTAC courses at Melbourne Polytechnic are contained in the VTAC Guide 2015 along with prerequisites for the Institute’s Degree and Associate Degree programs. Further information can be obtained on the Melbourne Polytechnic website www.melbournepolytechnic.edu.au

Audition/Folio/Interview
Applicants required to submit a folio must show technical competence, concept development, originality and creativity. Music audition applicants must display a technical competence on their principle instrument and a degree of expressive creativity in their performance (as required by the course qualification applying for). Applicants at interview must show commitment to study, an interest in the course, motivation to complete the course and their future career expectations.

Courses with prerequisites available in 2017

- Business (Degree, Associate Degree)
  Prerequisites: Units 3 and 4: any English.
- Hospitality Management (Degree, Associate Degree)
  Prerequisites: Units 3 and 4: any English.
- Information Technology (Degree, Associate Degree)
  Prerequisites: Units 3 and 4: any English.
- Writing and Publishing (Degree, Associate Degree)
  Prerequisites: Units 3 and 4: any English.
Courses without prerequisites

- Accounting
- Beauty Therapy
- Building and Construction
- Building Design
- Commercial Cookery
- Computer Systems and Electrotechnology
- Costume for Performance
- Creative Product Development
- Digital and Interactive Media (Gaming)
- Digital and Interactive Media (Web and App Design)
- Engineering - Civil
- Engineering - Jewellery
- Events / Hospitality
- Fashion Design
- Graphic Design
- Hospitality
- Information Technology (Diploma)
- Interior Design and Decoration
- International Business
- Justice
- Liberal Arts
- Live Production (Theatre and Events)
- Marketing
- Mediation
- Music (Foundation)
- Music Business
- Music Performance
- Patisserie
- Photography and Photoimaging
- Professional Writing and Editing
- Screen and Media (Film and Television)
- Sound Production (Audio Engineering)
- Sound Production (Music Technology and Production)
- Specialist Make-up Services

- Theatre Arts
- Tourism
- Travel
- Visual Art (Illustration / Painting / Textiles)
- Visual Merchandising
- Youth Justice

Monash College  www.monashcollege.edu.au

A Monash College Diploma provides specialised preparation for direct entry to first or second year of specific Monash University degrees. Each Diploma has been developed in consultation with Monash University faculties and academic staff to prepare international students for success. Monash College offers four Diploma programs:

- Art & Design Studies
- Arts
- Business
- Engineering Studies

The Diploma program consists of two parts - Part 1 and Part 2 - each of eight months duration. Each eight month period is divided into two trimesters (except Engineering Part 2 which is delivered over three trimesters).

International students are eligible for entry into Part 1 or Part 2 of the Diploma programs, as dependant on existing qualifications and results. Domestic students are eligible for entry into all Part 2 Diploma Programs and Part 1 of the Diploma of Art and Design studies, as dependant on existing qualifications and results. There are three intakes throughout the year for maximum flexibility: February, June and October.

Courses with prerequisites available in 2017

- **Art & Design**
  Prerequisites: Units 3 and 4: any English.

- **Arts (Human Behaviour Stream)**
  Prerequisites: Units 3 and 4: any English.

- **Arts (Psychology Stream)**
  Prerequisites: Units 3 and 4: any English.

- **Business (Business stream)**
  Prerequisites: Units 3 and 4: any English and any Mathematics.

- **Business (Commerce stream)**
  Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

- **Engineering**
  Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and one of Chemistry or Physics.
Monash University

General Principle of Admission Policy
Institutional Requirement
VCE: A minimum of four Units 3 and 4 study scores including a study score of at least 30 in English (EAL) or 25 in any other English is required. See course entries for further details and specific faculty requirements on the level of achievement in study scores.

Eligibility score
Monash University has set an eligibility score for courses (based on ATAR). A list of the University’s eligibility scores can be found at the Going to Uni website http://myuniversity.gov.au/CourseSearch. Please note that the University also has a minimum ATAR of 70.00 for all Bachelor Degree courses, even where subject bonus is not used or where a range of selection criteria is used. This applies to both Commonwealth Supported and International Full Fee places. Domestic applicants who receive a SEAS bonus may be selected under the eligibility score or the University’s minimum ATAR if the bonus lifts them above this rank.

Details of Folio Preparation/Requirements
The folio should contain 10 to 15 items that give the best indication of the standard and potential of the applicant’s work. Applicants should present a folio which best demonstrates skills in their chosen field. Examples can include design work/ideas, drawings, drawing models, paintings, photography, prints, 2D or 3D works. The submission of sketchbooks, art notebooks and journals is also acceptable. Original works are preferred, but where works are too large to bring to the interview, they can be presented in photographic form, preferably in colour. Applicants who live interstate or in remote areas, or who cannot produce their folio because it is required for external examination purposes, should present photographic evidence of their work in colour. You will also be required to submit a digital copy of the folio you present. Information on presenting a folio for interview is available at: www.monash.edu/mada/apply

Details of Interview/Preparation Requirements
Art Design and Architecture courses: An interview panel will study the quality and potential of the folio and assess ability and motivation for successful study and communication skills

Further details regarding Monash Music Auditions can be found at the Music Auditions Homepage (http://artsonline.monash.edu.au/music-auditions/).

Course offerings are correct at the time this information is published but additional double degree combinations are expected to be approved for introduction 2016 and 2017. Check the relevant VTAC Guide for the full list of available course combinations.

Courses with prerequisites available in 2017

- Architecture
  Prerequisites: Units 3 and 4: any English.

- Arts
  Prerequisites: Units 3 and 4: any English.

- Arts/Commerce Professional
  Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

- Arts/Fine Art
  Prerequisites: Units 3 and 4: any English.

- Arts/Music
  Prerequisites: Units 3 and 4: any English.

- Biomedical Science
  Prerequisites: Units 3 and 4: any English; and Chemistry; and one of Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics or Physics.

- Biomedical Science Advanced with Honours
  Prerequisites: Units 3 and 4: any English; and Chemistry; and one of Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics or Physics.

- Biomedical Science/Engineering (Honours)
  Prerequisites: Units 3 and 4: any English; and both of Chemistry and Maths: Mathematical Methods (CAS).

- Business
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Business Administration
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Business Professional – Accounting
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Business Professional – Banking and Finance
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Business Professional – Marketing
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Business Professional/Arts
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Business/Arts
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Business/Business Professional
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Commerce
  Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

- Commerce Professional – Actuarial Science
  Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

- Commerce Professional – Economics
  Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

- Commerce Professional – Finance
  Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.
Prerequisites: Units 3 and 4; any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Mathematical Methods or Units 3 and 4: any English.

Mathematics and any English.

Mathematics; and any English.

Mathematical Methods or Units 3 and 4: any combination) of General Mathematics or Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any Mathematics; and any English.

Chemistry or Physics.

Prerequisites: Units 3 and 4: any English; and any Mathematics; and any English.

Fine Art/Science
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Global Studies
Prerequisites: Units 3 and 4: any English.

Health Science
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Information Technology
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

Interior Architecture (Honours)
Prerequisites: Units 3 and 4: any English.

International Business
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Laws (Honours)
Prerequisites: Units 3 and 4: any English.

Laws (Honours)/Arts
Prerequisites: Units 3 and 4: any English.

Laws (Honours)/Biomedical Science
Prerequisites: Units 3 and 4: any English; and Chemistry; and one of Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics or Physics.

Laws (Honours)/Commerce
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Medicine/Surgery (Honours)
Prerequisites: Units 3 and 4: any English; and Chemistry.

Medicine/Surgery (Honours) (CSP Bonded)
Prerequisites: Units 3 and 4: any English; and Chemistry.

Medicine/Surgery (Honours) (CSP Extended Rural Cohort)
Prerequisites: Units 3 and 4: any English; and Chemistry.

Music
Prerequisites: Units 3 and 4: any English.

Nursing
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

Nursing/Midwifery
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; and any English.

Nutrition and Dietetics
Prerequisites: Units 3 and 4: any English; and Chemistry.

Nutrition Science
Prerequisites: Units 3 and 4: any English; and Chemistry.

Occupational Therapy (Honours)
Prerequisites: Units 3 and 4: any English.

Pharmaceutical Science
Prerequisites: Units 3 and 4: any English; and Chemistry; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Pharmaceutical Science Advanced with Honours
Prerequisites: Units 3 and 4: any English; and Chemistry; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Pharmacy (Honours)
Prerequisites: Units 3 and 4: any English; and Chemistry; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Physiotherapy (Honours)
Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics or Physics.

Psychological Science
Prerequisites: Units 3 and 4: any English.

Psychological Science Advanced (Honours)
Prerequisites: Units 3 and 4: any English.

Radiography and Medical Imaging (Honours)
Prerequisites: Units 3 and 4: any English; and one of Biology or Physics; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

Science
Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Environmental Science, Geography, Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics, Physics or Psychology.

Science Advanced – Global Challenges (Honours)
Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Environmental Science, Geography, Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics, Physics or Psychology.

Science Advanced – Research (Honours)
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and two of Biology, Chemistry, Environmental Science, Geography, Physics or Psychology.
Moorabbin Flying Services  
www.mfs.com.au

**General Statement**

The Diploma of Aviation (Instrument Flight Operations) applicants are required to hold a minimum of a CASA PPL (Private Pilot Licence).

**Detail of Interview/Preparation Requirements**

Applicants are usually asked a series of questions relating to their suitability for the course, demonstration of clear career goals and their general aptitude for the course.

**Courses without prerequisites**

- Aviation

Navitas College of Public Safety  
www.ncps.edu.au

**Courses with prerequisites available in 2017**

- Criminology and Justice
  Prerequisites: Units 3 and 4: any English.

Northern Melbourne Institute of TAFE  
www.nmit.edu.au

**General Statement**

All selection requirements for VTAC courses at NMIT are contained in the VTAC Guide 2015 along with prerequisites for the Institute’s Degree and Associate Degree programs. Further course information can be obtained on the NMIT website [www.nmit.edu.au](http://www.nmit.edu.au).

**Audition/Folio/Interview**

Applicant’s required to submit a folio must show technical competence, concept development, originality and creativity. Music audition applicants must display a technical competence on their principle instrument and a degree of expressive creativity in their performance (as required by the course qualification applying for). Applicants at interview must show commitment to study, an interest in the course, motivation to complete the course and their future career expectations.

**Courses with prerequisites available in 2017**

- Accounting (Degree, Associate Degree)  
  Prerequisites: Units 3 and 4: any English.

- Business (Degree, Associate Degree)  
  Prerequisites: Units 3 and 4: any English.

- Early Childhood Education  
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4: any English.

- Early Childhood Studies  
  Prerequisites: Units 3 and 4: any English.

- Education (Early years)  
  Prerequisites: Units 1 and 2: one of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4: any English.

- Engineering Technology (Civil) (Degree, Associate Degree)  
  Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

- Equine Studies (Degree, Associate Degree)  
  Prerequisites: Units 3 and 4: any English; and any Mathematics; and one of Biology or Chemistry.

- Hospitality Management (Degree, Associate Degree)  
  Prerequisites: Units 3 and 4: any English.

- Illustration (Degree, Associate Degree)  
  Prerequisites: Units 3 and 4: any English.

- Information Technology (Degree, Associate Degree)  
  Prerequisites: Units 3 and 4: any English.

- Music (Degree, Associate Degree)  
  Prerequisites: Units 3 and 4: any Music.

- Music Industry (Degree, Associate Degree)  
  Prerequisites: Units 3 and 4: any English.

- Writing and Publishing (Degree, Associate Degree)  
  Prerequisites: Units 3 and 4: any English.

Photographic Imaging College – PIC

Courses without prerequisites

- Photography – Digital/Analogue/Commercial/Art

Photography Studies College

PSC is a dual sector provider offering both the Higher Education Bachelor of Photography course with majors in commercial photography, photojournalism and art photography and the VET sector Advanced Diploma of Photography course.

Applicants to PSC are selected on the basis of meeting minimum tertiary entrance requirements attending an interview and presenting a folio that contains between 8 - 15 well presented final images. These should demonstrate the applicants’ aptitude for photography and potential.

At interview applicants will be given the opportunity to demonstrate their engagement with photography and showcase their skills, interest, strengths and personal motivation for study. Applicants should come to the interview prepared to discuss and answer questions about their folio, ideas, processes, inspirations and career aspirations.

Courses without prerequisites

- Photography
- Photography (Commercial/Art/Photojournalism) (Degree)
General Principle of Admission Policy

Tractor applicants will be required to attend an interview and present a folio of work in person or over the phone if the applicant is located in a regional area or interstate.

Detail of Folio

The Folio presented should demonstrate the applicant’s creativity and art skills. Folios can include illustrations, drawings, sketches, paintings, video clips, animation, multimedia, web design, photography, visual communication and graphic design.

Detail of Interview

Students will need to demonstrate their passion and enthusiasm to complete the course applied for to a high standard. Areas covered at the interview include communication, personal motivation, educational history and long-term career aspirations and goals.

Courses without prerequisites

- Beauty Therapy
- Business
- Graphic Design, Digital Design and Advertising
- Interior Decoration and Design

RMIT University

RMIT will admit students on the basis of satisfaction of their demonstrated capacity to succeed in their chosen course. In addition to general entrance requirements, applicants must also satisfy the relevant prerequisite studies and additional entry requirements for their course of interest.

Selection Requirements

In addition to the general entrance requirements, some courses may have extra requirements including (but not limited to):
- Form/Kit
- Interview
- Folio, folio presentation
- Course specific or other admissions test

The purpose is for an applicant to show that they have a good understanding of, and a strong desire to study the course they have applied for. If a course has selection requirements, detailed information will be available in the individual course entry in the VTAC Guide.

Detail of Folio/Preparation Requirements

Where applicants are required to submit a folio, generally the folio should comprise 15 to 30 pieces of original personal work. The folio could contain a variety of personal work in art, design or media which demonstrates the interests, creative thinking and conceptual, design and technical skills of the applicant. Examples of work may include drawings, paintings, graphic designs, photographs, digital images, models, sculpture, video, scripting, short stories and/or 2D and 3D flash animation. For design courses the folio presentation is an opportunity to present a folio of your work. Applicants may be asked to discuss their pieces of work, outlining why they chose a particular topic, what they were trying to achieve and the process undertaken to achieve the final product. In some cases selection staff may also ask about designers or areas of design that interest or inspire. Folio presentations are conducted in a friendly and supportive manner and are normally expected to take approximately 15 to 20 minutes. Applicants will be notified directly by RMIT as to whether or not they have been invited for a folio presentation. This notification will also include details of the folio presentation, and any further information.

Detail of Interview/Preparation Requirements

Interviews are part of the selection process for some courses. The interview process is an opportunity for applicants to demonstrate their understanding, ability and motivation for the course for which they are applying. During the interview, applicants present to a panel consisting of selection staff from the course to which they have applied. Applicants are asked questions about their work and interests in line with the selection criteria. Interviews are conducted in a friendly and supportive manner and are normally expected to take approximately 15 to 20 minutes.

Applicants will be notified directly by RMIT as to whether or not they have been invited for an interview. This notification will also include details of the interview and any further information.
Courses with prerequisites available in 2017

- Accountancy (Degree)
  Prerequisites: Units 3 and 4; any English.

- Accountancy (Professional) (Degree)
  Prerequisites: Units 3 and 4; any English.

- Advertising (Degree)
  Prerequisites: Units 3 and 4; any English.

- Animation and Interactive Media
  Prerequisites: Units 3 and 4; any English.

- Architecture
  Prerequisites: Units 3 and 4; any English.

- Aviation (Degree)
  Prerequisites: Units 3 and 4; any Mathematics; and any English.

- Aviation (Pilot) (Degree)
  Prerequisites: Units 3 and 4; any Mathematics; and any English.

- Aviation/ Business Management
  Prerequisites: Units 3 and 4; any Mathematics; and any English.

- Biomedical Science
  Prerequisites: Units 3 and 4; Chemistry; and one of any Mathematics or Physics; and any English.

- Biotechnology
  Prerequisites: Units 3 and 4; one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

- Biotechnology/Biomedical Science
  Prerequisites: Units 3 and 4; Chemistry; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

- Business (Associate Degree)
  Prerequisites: Units 3 and 4; any English.

- Chemistry/Engineering – Chemical (Honours)
  Prerequisites: Units 3 and 4; Chemistry; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

- Chinese Medicine/Health Science
  Prerequisites: Units 3 and 4; any English.

- Chiropractic/Health Science
  Prerequisites: Units 3 and 4; any English.

- Communication Design
  Prerequisites: Units 3 and 4; any English.

- Computer Science
  Prerequisites: Units 3 and 4; one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

- Computing Studies
  Prerequisites: Units 3 and 4; any English.

- Construction Management (Honours)
  Prerequisites: Units 1 and 2; two units (any study combination) of any Mathematics or Units 3 and 4; any Mathematics; and any English.

- Creative Writing
  Prerequisites: Units 3 and 4; any English.

- Criminal Justice Administration
  Prerequisites: Units 3 and 4; any English.

- Criminology and Psychology
  Prerequisites: Units 3 and 4; any English.

- Digital Media
  Prerequisites: Units 3 and 4; any English.

- Economics and Finance
  Prerequisites: Units 3 and 4; any English.

- Economics and Finance (Applied)
  Prerequisites: Units 3 and 4; any English.

- Education (Early Childhood)
  Prerequisites: Units 3 and 4; any Mathematics; and any English.

- Education (Primary and Disability Studies)
  Prerequisites: Units 3 and 4; any Mathematics; and any English.

- Education (Primary and Early Childhood)
  Prerequisites: Units 3 and 4; any Mathematics; and any English.

- Education (Primary)
  Prerequisites: Units 3 and 4; any Mathematics; and any English.

- Engineering – Advanced Manufacturing and Mechatronics (Honours)
  Prerequisites: Units 3 and 4; Maths: Mathematical Methods (CAS); and any English.

- Engineering – Advanced Manufacturing and Mechatronics (Honours)/ International Business
  Prerequisites: Units 3 and 4; Maths: Mathematical Methods (CAS); and any English.

- Engineering – Aerospace (Honours)
  Prerequisites: Units 3 and 4; Maths: Mathematical Methods (CAS); and any English.

- Engineering – Aerospace (Honours)/ Business Management
  Prerequisites: Units 3 and 4; Maths: Mathematical Methods (CAS); and any English.

- Engineering – Automotive (Honours)
  Prerequisites: Units 3 and 4; Maths: Mathematical Methods (CAS); and any English.

- Engineering – Automotive (Honours)/ Business Management
  Prerequisites: Units 3 and 4; Maths: Mathematical Methods (CAS); and any English.

- Engineering – Biomedical (Honours)
  Prerequisites: Units 3 and 4; any Mathematics; and any English.

- Engineering – Chemical (Honours)
  Prerequisites: Units 3 and 4; Chemistry; and Maths: Mathematical Methods (CAS); and any English.

- Engineering – Chemical (Honours)/ Biotechnology
  Prerequisites: Units 3 and 4; Chemistry; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

- Engineering – Chemical (Honours)/ Business Management
  Prerequisites: Units 3 and 4; Chemistry; and Maths: Mathematical Methods (CAS); and any English.

- Engineering – Civil and Infrastructure (Honours)
  Prerequisites: Units 3 and 4; Maths: Mathematical Methods (CAS); and any English.

- Engineering – Civil and Infrastructure (Honours)/Business Management
  Prerequisites: Units 3 and 4; Maths: Mathematical Methods (CAS); and any English.

- Engineering – Civil/ Mechanical/ Electrical/Aerospace/ Computer (Associate Degree)
  Prerequisites: Units 3 and 4; Maths: Mathematical Methods (CAS); and any English.

- Engineering – Computer and Network (Honours)
  Prerequisites: Units 3 and 4; one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

- Engineering – Computer and Network (Honours)/Business Management
  Prerequisites: Units 3 and 4; one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

- Engineering – Computer and Network (Honours)/Computer Science
  Prerequisites: Units 3 and 4; one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

- Engineering – Electrical (Honours)
  Prerequisites: Units 3 and 4; one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

- Engineering – Electrical (Honours)/ Business Management
  Prerequisites: Units 3 and 4; one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

- Engineering – Electrical (Honours)/ Commerce
  Prerequisites: Units 3 and 4; one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.
Higher Education Qualification

Engineering – Electrical and Electronic (Honours)
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Engineering – Electrical and Electronic (Honours)/Business Management
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Engineering – Electrical and Electronic (Honours)/Entrepreneurship
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Engineering – Electronic and Communication (Honours)
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Engineering – Electronic and Communication (Honours)/Computer Science
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Engineering – Environmental (Honours)
Prerequisites: Units 3 and 4: Maths: Mathematical Methods (CAS); and any English.

Engineering – Mechanical (Honours)
Prerequisites: Units 3 and 4: Maths: Mathematical Methods (CAS); and any English.

Engineering – Mechanical (Honours)/Biotecnology
Prerequisites: Units 3 and 4: Maths: Mathematical Methods (CAS); and any English.

Engineering – Mechanical (Honours)/Business Management
Prerequisites: Units 3 and 4: Maths: Mathematical Methods (CAS); and any English.

Engineering – Mechanical (Honours)/Industrial Design (Honours)
Prerequisites: Units 3 and 4: Maths: Mathematical Methods (CAS); and any English.

Engineering – Sustainable Systems (Honours)
Prerequisites: Units 3 and 4: Maths: Mathematical Methods (CAS); and any English.

Engineering – Sustainable Systems (Honours)/Industrial Design (Honours)
Prerequisites: Units 3 and 4: Maths: Mathematical Methods (CAS); and any English.

Entrepreneurship
Prerequisites: Units 3 and 4: any English.

Environment
Prerequisites: Units 3 and 4: any English.

Environment/Environmental Science
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Environmental Science
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Environmental Science/Business Management
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Exercise and Sport Science
Prerequisites: Units 3 and 4: one of Biology, Chemistry, Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics, Physical Education or Physics; and any English.

Fashion and Textiles Merchandising (Associate Degree)
Prerequisites: Units 3 and 4: any English.

Fashion Design (Associate Degree)
Prerequisites: Units 3 and 4: any English.

Fashion Design (Honours)
Prerequisites: Units 3 and 4: any English.

Fine Art (Expanded Studio Practice)
Prerequisites: Units 3 and 4: any English.

Fine Art (Object based Practice)
Prerequisites: Units 3 and 4: any English.

Fine Art (Print Imaging Practice)
Prerequisites: Units 3 and 4: any English.

Fine Art (Sculpture, Sound and Spatial Practice)
Prerequisites: Units 3 and 4: any English.

Food Technology and Nutrition
Prerequisites: Units 3 and 4: any Mathematics; and any English.

Food Technology/Business Management
Prerequisites: Units 3 and 4: any Mathematics; and any English.

Food Technology/Engineering – Chemical (Honours)
Prerequisites: Units 3 and 4: Chemistry; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Furniture Design (Associate Degree)
Prerequisites: Units 3 and 4: any English.

Games and Graphics Programming
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Games Design
Prerequisites: Units 3 and 4: any English.

Geospatial Science (Honours)
Prerequisites: Units 3 and 4: any Mathematics; and any English.

Graphic Design (Associate Degree)
Prerequisites: Units 3 and 4: any English.

Health Sciences (Associate Degree)
Prerequisites: Units 3 and 4: any English.

Human Resource Management
Prerequisites: Units 3 and 4: any English.

Industrial Design (Honours)
Prerequisites: Units 3 and 4: any English.

Information Systems
Prerequisites: Units 3 and 4: any English.

Information Systems (Applied)
Prerequisites: Units 3 and 4: any English.

Information Technology (Associate Degree)
Prerequisites: Units 3 and 4: any Mathematics; and any English.

Information Technology (Degree)
Prerequisites: Units 3 and 4: any Mathematics; and any English.

Interior Decoration and Design
Prerequisites: Units 3 and 4: any English.

Interior Design (Honours)
Prerequisites: Units 3 and 4: any English.

International Business (Applied) (Degree)
Prerequisites: Units 3 and 4: any English.

International Business (Degree)
Prerequisites: Units 3 and 4: any English.

International Studies
Prerequisites: Units 3 and 4: any English.

Journalism
Prerequisites: Units 3 and 4: any English.

Laboratory Medicine
Prerequisites: Units 3 and 4: one of Biology or Chemistry; and one of any Mathematics or Physics; and any English.

Landscape Architecture
Prerequisites: Units 3 and 4: any English.

Languages – Chinese
Prerequisites: Units 3 and 4: any English.

Languages – Japanese
Prerequisites: Units 3 and 4: any English.

Legal and Dispute Studies
Prerequisites: Units 3 and 4: any English.
Legal Practice (Paralegal) Associate Degree
Prerequisites: Units 3 and 4: any English.

Logistics and Supply Chain Management (Applied) (Degree)
Prerequisites: Units 3 and 4: any English.

Logistics and Supply Chain Management (Degree)
Prerequisites: Units 3 and 4: any English.

Management (Degree)
Prerequisites: Units 3 and 4: any English.

Marketing (Applied) (Degree)
Prerequisites: Units 3 and 4: any English.

Marketing (Degree)
Prerequisites: Units 3 and 4: any English.

Mathematics
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Media
Prerequisites: Units 3 and 4: any English.

Medical Radiations – Medical Imaging (Radiography)
Prerequisites: Units 1 and 2: one of Biology or Chemistry; and Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Medical Radiations – Nuclear Medicine
Prerequisites: Units 1 and 2: Biology; and Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and Chemistry; and any English.

Medical Radiations – Radiation Therapy
Prerequisites: Units 1 and 2: one of Biology or Chemistry; and Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Music Industry
Prerequisites: Units 3 and 4: any English.

Nanotechnology/Applied Sciences
Prerequisites: Units 3 and 4: one of Chemistry or Physics; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Nursing – Health Professional
Prerequisites: Units 1 and 2: any Mathematics or Units 3 and 4: any Mathematics; and any English.

Osteopathy/Health Science
Prerequisites: Units 3 and 4: any English.

Pharmaceutical Sciences
Prerequisites: Units 3 and 4: Chemistry; and one of any Mathematics or Physics; and any English.

Pharmacy (Honours)
Prerequisites: Units 3 and 4: Chemistry; and Maths: Mathematical Methods (CAS); and any English.

Photography (Arts)
Prerequisites: Units 3 and 4: any English.

Physical Education
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4: one of Biology, Chemistry, Maths: Mathematical Methods (CAS), Maths: Specialist Mathematics, Physical Education or Physics; and any English.

Physics/Engineering – Electronic and Communication (Honours)
Prerequisites: Units 3 and 4: Physics; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Professional Communication
Prerequisites: Units 3 and 4: any English.

Professional Writing and Editing (Associate Degree)
Prerequisites: Units 3 and 4: any English.

Project Management (Honours)
Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics or Units 3 and 4: any Mathematics; and any English.

Property and Valuation (Honours)
Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics or Units 3 and 4: any Mathematics; and any English.

Psychology (Applied Science)
Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics; and Units 3 and 4: one of Geography, any Mathematics or any Science; and any English.

Psychology (Social Science)
Prerequisites: Units 3 and 4: any English.

Public Relations (Degree)
Prerequisites: Units 3 and 4: any English.

Science – Dean’s Scholar Program (Honours)
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Science (Applied Science)/Business Management
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Science (Applied Sciences)
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Science (Associate Degree)
Prerequisites: Units 3 and 4: any Mathematics; and one of Biology or Chemistry; and any English.

Screen and Media Production
Prerequisites: Units 3 and 4: any English.

Social Work (Honours)
Prerequisites: Units 3 and 4: any English.

Social Work/Psychology (Social Science) (Honours)
Prerequisites: Units 3 and 4: any English.

Software Engineering
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Statistics
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Surveying (Honours)
Prerequisites: Units 3 and 4: one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and any English.

Textile Design
Prerequisites: Units 3 and 4: any English.

Urban and Regional Planning (Honours)
Prerequisites: Units 3 and 4: any English.

Youth Work
Prerequisites: Units 3 and 4: any English.

Southern School of Natural Therapies
www.ssnt.edu.au

Southern School of Natural Therapies (SSNT) is the longest established natural therapies college in Australia. Established in 1961, SSNT offers courses in Naturopathy, Nutritional Medicine, Western Herbal Medicine, Chinese Medicine, Clinical Myotherapy and Massage.

To be eligible for any of Southern School of Natural Therapies higher education courses, you will need to meet the ATAR requirements of the course.

Completion of a First Aid Certificate, Working with Children Check and a Police Check is required for clinical placement prior to undertaking clinical subjects.

Courses without prerequisites

General and Special Principles of Selection

Swinburne University of Technology has general principles of selection, which apply for entry to all undergraduate courses, while other courses have specific selection criteria. Information and selection criteria will be outlined in the criteria and subject bonus sections on the VTAC website in July 2016.

Scholarships: Swinburne offers a range of Vice-Chancellor’s and Dean’s Scholarships. Refer to the relevant VTAC Guide for details.

Note: A study score of at least 30 in English (EAL) or 25 in English other than EAL is a minimum prerequisite for most Swinburne undergraduate courses.

For details about TAFE course requirements please visit www.swinburne.edu.au/future

Courses with prerequisites available in 2017

- Accounting
  Prerequisites: Units 3 and 4: any English.

- Accounting and Finance
  Prerequisites: Units 3 and 4: any English.

- Advertising (Business)
  Prerequisites: Units 3 and 4: any English.

- Advertising (Communication)
  Prerequisites: Units 3 and 4: any English.

- Arts
  Prerequisites: Units 3 and 4: any English.

- Arts/Business
  Prerequisites: Units 3 and 4: any English.

- Arts/Science
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Aviation
  Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

- Aviation Management
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Aviation Management/Business
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Aviation/Business
  Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

- Biochemistry and Chemistry
  Prerequisites: Units 3 and 4: English; and any Mathematics.

- Biomedical Science
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Biotechnology
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- Business
  Prerequisites: Units 3 and 4: any English.

- Business (UniLink)
  Prerequisites: Units 3 and 4: any English.

- Business Administration (Associate Degree)
  Prerequisites: Units 3 and 4: any English.

- Business Information Systems
  Prerequisites: Units 3 and 4: any English.

- Business Information Systems/Business
  Prerequisites: Units 3 and 4: any English.

- Business/Communication
  Prerequisites: Units 3 and 4: any English.

- Business/Social Science
  Prerequisites: Units 3 and 4: any English.

- Chemistry
  Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS); and one of Biology, Chemistry, Maths: Specialist Mathematics or Physics.

- Commercial Law
  Prerequisites: Units 3 and 4: any English.

- Communication
  Prerequisites: Units 3 and 4: any English.

- Computer Science
  Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics; and Units 3 and 4: any English.

- Design (Communication Design)
  Prerequisites: Units 3 and 4: any English; and one of Art, Product Design And Technology, Media, Interactive Digital Media C, Studio Arts or Visual Communication Design.

- Design (Communication Design)/(Business)
  Prerequisites: Units 3 and 4: any English; and one of Art, Product Design And Technology, Media, Interactive Digital Media C, Studio Arts or Visual Communication Design.

- Design (Digital Media Design)
  Prerequisites: Units 3 and 4: any English.

- Design (Industrial Design)
  Prerequisites: Units 3 and 4: any English; and one of Art, Product Design And Technology, Media, Interactive Digital Media C, Studio Arts, Systems Engineering or Visual Communication Design.

- Design (Interior Architecture)
  Prerequisites: Units 3 and 4: any English; and one of Art, Product Design And Technology, Media, Interactive Digital Media C, Studio Arts, Systems Engineering or Visual Communication Design.

- Design (UniLink)
  Prerequisites: Units 3 and 4: any English; and one of Art, Product Design And Technology, Media, Interactive Digital Media C, Studio Arts, Systems Engineering or Visual Communication Design.

- Digital Media
  Prerequisites: Units 3 and 4: any English.

- Engineering (Associate Degree)
  Prerequisites: Units 3 and 4: any English; and Maths: Further Mathematics.

- Engineering (Biomedical)
  Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

- Engineering (Civil)
  Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).
Engineering (Civil)/Business
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Construction)
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Electrical and Electronic)
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Electrical and Electronic)/Business
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Electronics and Computer Systems)
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Electronics and Computer Systems)/Business
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Product Design)
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Robotics and Mechatronics)
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Robotics and Mechatronics)/Business
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Telecommunication and Network)
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Telecommunication and Network)/Business
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Engineering (Telecommunication and Network)/Computer Science
Prerequisites: Units 3 and 4: any English; and Maths: Mathematical Methods (CAS).

Environmental Science
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Entreprenuership and Innovation
Prerequisites: Units 3 and 4: any English.

Film and Television
Prerequisites: Units 3 and 4: any English.

Film and Television (Animation)
Prerequisites: Units 3 and 4: any English.

Finance
Prerequisites: Units 3 and 4: any English.

Games and Interactivity
Prerequisites: Units 3 and 4: any English.

Games and Interactivity/Computer Science
Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics; and Units 3 and 4: any English.

Games Development (Programming)
Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics; and Units 3 and 4: any English.

Health (Community)
Prerequisites: Units 3 and 4: any English.

Health and Community Care
Prerequisites: Units 3 and 4: any English.

Health Science
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Health Science (Public and Environmental)
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Human Resources
Prerequisites: Units 3 and 4: any English.

Information and Communication Technology
Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics; and Units 3 and 4: any English.

Information Technology (Scholarship Program)
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Information Technology (UniLink)
Prerequisites: Units 3 and 4: any English.

International Business
Prerequisites: Units 3 and 4: any English.

International Studies
Prerequisites: Units 3 and 4: any English.

International Studies (Chinese)
Prerequisites: Units 3 and 4: any English.

International Studies (Italian)
Prerequisites: Units 3 and 4: any English.

International Studies (Japanese)
Prerequisites: Units 3 and 4: any English.

International Studies (Japanese)
Prerequisites: Units 3 and 4: any English.

International Studies (Japanese)
Prerequisites: Units 3 and 4: any English.

Marketing
Prerequisites: Units 3 and 4: any English.

Mathematics (Applied)
Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Maths; and: Specialist Mathematics or Physics; and Maths: Mathematical Methods (CAS).

Media and Communication
Prerequisites: Units 3 and 4: any English.

Media Studies
Prerequisites: Units 3 and 4: any English.

Network Design and Security
Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics; and Units 3 and 4: any English.

Physics
Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Maths; and: Specialist Mathematics or Physics; and Maths: Mathematical Methods (CAS).

Professional Writing and Editing
Prerequisites: Units 3 and 4: any English.

Psychology (Arts)
Prerequisites: Units 3 and 4: any English.

Psychology (Arts)
Prerequisites: Units 3 and 4: any English.

Psychology (Science)
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Psychology (Social Science)
Prerequisites: Units 3 and 4: any English.

Psychology and Forensic Science (Arts)
Prerequisites: Units 3 and 4: any English.

Psychology and Forensic Science (Social Science)
Prerequisites: Units 3 and 4: any English.

Psychology and Psychophysiology (Arts)
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Psychology and Psychophysiology (Science)
Prerequisites: Units 3 and 4: any English.

Psychology and Sport Science (Arts)
Prerequisites: Units 3 and 4: any English.

Psychology and Sport Science (Social Science)
Prerequisites: Units 3 and 4: any English.

Public Relations (Business)
Prerequisites: Units 3 and 4: any English.
Courses without prerequisites

- Accounting
- Arts and Social Sciences (Dean's Scholarship)
- Arts and Social Sciences (Vice-Chancellor's Scholarship)
- Bookkeeping
- Building and Construction
- Business
- Business Administration
- Children's Services
- Computer Systems Technology
- Conservation and Land Management
- Design
- Design (Graphic)
- Design (Interior Design and Decoration)
- Design (Product Design)
- Digital and Interactive Games
- Digital Media Technologies
- Electrical
- Electronics
- Engineering (Civil)
- Engineering (Mechanical/Manufacturing)
- Engineering (Robotics and Mechatronics)
- Event Management
- Event Management/Marketing
- Horticulture
- Human Resources
- Information Technology Networking
- International Business
- Justice
- Laboratory Techniques
- Laboratory Technology (Biotechnology)
- Laboratory Technology (Forensic and Pathology Testing)
- Landscape Design
- Legal Practice
- Liberal Arts
- Library and Information Services
- Marketing
- Photography and Photo Imaging
- Professional Writing and Editing
- Public Relations
- Public Relations/Marketing
- Renewable Energy Technology
- Science
- Screen and Media (Broadcast Journalism)
- Screen and Media (Digital Media Animation)
- Screen and Media (Film and Television)
- Visual Arts
- Visual Merchandising

University of Canberra
The University of Melbourne has principles of selection and accompanying Academic Board Resolutions, which apply to individual undergraduate and graduate courses. These can be viewed at: www.futurestudents.unimelb.edu.au/admissions/entry-requirements.

All courses, except Arts (Extended) and Science (Extended), Diploma in General Studies, Fine Arts (all specialisations), Music and Music (Chancellor’s Scholars Program), use the Australian Tertiary Admission Rank (ATAR) and a two-stage selection process and have agreed to the selection of a significant proportion of applicants from below the Clearly-in rank. Consideration below the Clearly-in rank will be given to applicants eligible for University of Melbourne special entry schemes (all courses) and applicants with relevant work experience (Agriculture and Urban Horticulture).

**Detail of folio/audition preparation:**
Selection into the University of Melbourne’s Fine Arts and Music courses is talent-based. Each specialisation within Fine Arts requires an audition/interview and additional extra requirements. The selection process for our Music courses includes an audition and a musicianship test. Full details of the extra requirements for our Fine Arts and Music courses can be found at: www.coursesearch.unimelb.edu.au

**Preparatory subjects for specific majors:**

Commerce applicants intending to major in actuarial studies or complete an engineering sequence are encouraged to complete Units 3 and 4 Specialist Mathematics. Commerce applicants intending to undertake an engineering sequence in electrical or mechanical systems are encouraged to complete Units 3 and 4 Physics.

Environments applicants intending to major in construction, environmental science, geomatics/spatial systems or property, or undertake an engineering major are encouraged to complete Units 3 and 4 Mathematical Methods.

Science applicants intending to major in animal health and disease (the shortest pathway to the Doctor of Veterinary Medicine) are encouraged to complete Units 3 and 4 Chemistry.

**Courses with prerequisites available in 2017**

- **Agriculture**
  - Prerequisites: Units 3 and 4: any English; and any Mathematics.

- **Arts**
  - Prerequisites: Units 3 and 4: any English.

- **Arts (Chancellor’s Scholars Program)**
  - Prerequisites: Units 3 and 4: any English.

- **Arts (Extended)**
  - Prerequisites: Units 3 and 4: any English.

- **Biomedicine**
  - Prerequisites: Units 3 and 4: any English; and Chemistry; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

- **Biomedicine (Chancellor’s Scholars Program)**
  - Prerequisites: Units 3 and 4: any English; and Chemistry; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

- **Commerce**
  - Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

- **Commerce (Chancellor’s Scholars Program)**
  - Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.

- **Environments**
  - Prerequisites: Units 3 and 4: any English.

- **Environments (Chancellor’s Scholars Program)**
  - Prerequisites: Units 3 and 4: any English.

- **Fine Arts (Animation)**
  - Prerequisites: Units 3 and 4: any English.

- **Fine Arts (Contemporary Music)**
  - Prerequisites: Units 3 and 4: any English.

- **Fine Arts (Dance)**
  - Prerequisites: Units 3 and 4: any English.

- **Fine Arts (Film and Television)**
  - Prerequisites: Units 3 and 4: any English.

- **Fine Arts (Music Theatre)**
  - Prerequisites: Units 3 and 4: any English.

- **Fine Arts (Production)**
  - Prerequisites: Units 3 and 4: any English.

- **Fine Arts (Screenwriting)**
  - Prerequisites: Units 3 and 4: any English.

- **Fine Arts (Theatre Practice)**
  - Prerequisites: Units 3 and 4: any English.

- **Fine Arts (Visual Art)**
  - Prerequisites: Units 3 and 4: any English.

- **General Studies**
  - Prerequisites: Units 3 and 4: any English.

- **Music**
  - Prerequisites: Units 3 and 4: any English.

- **Music (Chancellor’s Scholars Program)**
  - Prerequisites: Units 3 and 4: any English.

- **Oral Health**
  - Prerequisites: Units 3 and 4: any English; and one of Biology or Chemistry.

- **Science**
  - Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and one of Biology, Chemistry or Physics; --OR-- Units 3 and 4: any English; and both of Maths: Mathematical Methods (CAS) and Maths: Specialist Mathematics.

- **Science (Chancellor’s Scholars Program)**
  - Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics; and one of Biology, Chemistry or Physics; --OR-- Units 3 and 4: any English; and both of Maths: Mathematical Methods (CAS) and Maths: Specialist Mathematics.

- **Science (Extended)**
  - Prerequisites: Units 1 and 2: one of Biology, Chemistry, General Mathematics, Maths: Mathematical Methods or Physics; and Units 3 and 4: any English.

- **Urban Horticulture**
  - Prerequisites: Units 3 and 4: any English.
Courses with prerequisites available in 2017

- **Accounting**
  Prerequisites: Units 3 and 4: any English.

- **Applied Finance**
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- **Arts**
  Prerequisites: Units 3 and 4: any English.

- **Arts (Community Development) – Australasia**
  Prerequisites: Units 3 and 4: any English.

- **Arts (Community Development) – International Development**
  Prerequisites: Units 3 and 4: any English.

- **Arts (Community Development) – Sport**
  Prerequisites: Units 3 and 4: any English.

- **Arts (Community) – Diploma**
  Prerequisites: Units 3 and 4: any English.

- **Arts (Degree)/Liberal Arts (Diploma)**
  Prerequisites: Units 3 and 4: any English.

- **Banking and Finance**
  Prerequisites: Units 3 and 4: any English.

- **Biomedical and Exercise Science**
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics or Physical Education.

- **Biomedical Sciences**
  Prerequisites: Units 3 and 4: any English; and one of Biology, Chemistry, Health And Human Development, any Mathematics or Physical Education.

- **Biomedicine**
  Prerequisites: Units 3 and 4: any English; and two of Biology, Chemistry, any Mathematics or Physics.

- **Business**
  Prerequisites: Units 3 and 4: any English.

- **Business – Enterprise (Diploma)**
  Prerequisites: Units 3 and 4: any English.

- **Communication (Digital Media)**
  Prerequisites: Units 3 and 4: any English.

- **Communication (Professional Writing)**
  Prerequisites: Units 3 and 4: any English.

- **Communication (Public Relations)**
  Prerequisites: Units 3 and 4: any English.

- **Creative Arts Industries**
  Prerequisites: Units 3 and 4: any English.

- **Creative Industries (Diploma)**
  Prerequisites: Units 3 and 4: any English.

- **Criminal Justice Studies**
  Prerequisites: Units 3 and 4: any English.

- **Education – Early Childhood/Primary**
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4: any English.

- **Education (P–12) (Footscray Park)**
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4: any English.

- **Education (P–12) (St Albans)**
  Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics or Units 3 and 4: any Mathematics; and any English.

- **Education (P–12) – Creativity and the Arts**
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4: any English.

- **Education (P–12) – Home Economics**
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4: any English.

- **Education (P–12) – Humanities and Social Sciences**
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4: any English.

- **Education (P–12) – Mathematics Teaching**
  Prerequisites: Units 3 and 4: any English; and any Mathematics.

- **Education (P–12) – Outdoor Education**
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4: any English.

- **Education (P–12) – Physical Education**
  Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths: Mathematical Methods; and Units 3 and 4: any English.
Higher Education Qualification

Education (P–12) – Science Teaching
Prerequisites: Units 1 and 2: two units (any study combination) of General Mathematics or Maths; Mathematical Methods; and Units 3 and 4: any English; and one of Biology, Chemistry or Physics.

Education Studies (Diploma)
Prerequisites: Units 3 and 4: any English.

Engineering – Architectural Engineering (Honours)
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Engineering – Civil Engineering (Honours)
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Engineering – Electrical and Electronic Engineering (Honours)
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Engineering Science – Sports Engineering
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Event Management
Prerequisites: Units 3 and 4: any English.

Exercise Science – Clinical Practice
Prerequisites: Units 3 and 4: any English.

Exercise Science – Sport Practice
Prerequisites: Units 3 and 4: any English.

Financial Risk Management
Prerequisites: Units 3 and 4: any English.

Health Sciences
Prerequisites: Units 3 and 4: any English.

Human Resource Management
Prerequisites: Units 3 and 4: any English.

Information Systems Management
Prerequisites: Units 3 and 4: any English.

Information Technology (Degree)
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Information Technology (Diploma)
Prerequisites: Units 3 and 4: any English.

Interactive Media
Prerequisites: Units 3 and 4: any English.

International Hospitality Management
Prerequisites: Units 3 and 4: any English.

International Studies
Prerequisites: Units 3 and 4: any English.

International Studies/Business
Prerequisites: Units 3 and 4: any English.

International Tourism Management
Prerequisites: Units 3 and 4: any English.

International Trade
Prerequisites: Units 3 and 4: any English.

Kyinandoo (Indigenous Studies)
Prerequisites: Units 3 and 4: any English.

Law
Prerequisites: Units 3 and 4: any English.

Law/Arts
Prerequisites: Units 3 and 4: any English.

Law/Business
Prerequisites: Units 3 and 4: any English.

Legal Services
Prerequisites: Units 3 and 4: any English.

Legal Studies
Prerequisites: Units 3 and 4: any English.

Management and Innovation
Prerequisites: Units 3 and 4: any English.

Marketing
Prerequisites: Units 3 and 4: any English.

Midwifery
Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics or Units 3 and 4: any Mathematics; and any English; and one of Biology, Chemistry, Health And Human Development, Physics or Psychology.

Music
Prerequisites: Units 3 and 4: any English.

Music Industry
Prerequisites: Units 3 and 4: any English.

Nursing
Prerequisites: Units 1 and 2: two units (any study combination) of any Mathematics or Units 3 and 4: any Mathematics; and any English; and one of Biology, Chemistry, Health And Human Development, Physics or Psychology.

Osteopathy
Prerequisites: Units 3 and 4: any English; and one of Biology or Chemistry; and one of any Mathematics or Physics.

Paramedic
Prerequisites: Units 3 and 4: any English.

Physical Education (Secondary)
Prerequisites: Units 3 and 4: any English.

Psychological Studies
Prerequisites: Units 3 and 4: any English.

Psychological Studies/Business
Prerequisites: Units 3 and 4: any English.

Psychology (Honours)
Prerequisites: Units 3 and 4: any English.

Psychology (Science)
Prerequisites: Units 3 and 4: any English; and any Science.

Science – Alternative Entry
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Science – Biotechnology, Chemistry or Environmental Management
Prerequisites: Units 3 and 4: any English; and any Mathematics.

Science/Psychological Studies
Prerequisites: Units 3 and 4: any English; and one of Maths: Mathematical Methods (CAS) or any Science.

Social Work
Prerequisites: Units 3 and 4: any English.

Sport Coaching – Physical Education
Prerequisites: Units 3 and 4: any English.

Sport Coaching – Sport Science
Prerequisites: Units 3 and 4: any English.

Sport Management
Prerequisites: Units 3 and 4: any English.

Sport Management/Business
Prerequisites: Units 3 and 4: any English.

Sport Science – Exercise Science
Prerequisites: Units 3 and 4: any English.

Sport Science – Human Movement
Prerequisites: Units 3 and 4: any English.

Sport Science (Human Movement)/Psychological Studies
Prerequisites: Units 3 and 4: any English.

Supply Chain and Logistics Management
Prerequisites: Units 3 and 4: any English.

Youth Work
Prerequisites: Units 3 and 4: any English.

Youth Work/Sport Management
Prerequisites: Units 3 and 4: any English.

Vocational Education and Training Qualification

Youth Work/Business
Prerequisites: Units 3 and 4: any English.

Youth Work/Commerce
Prerequisites: Units 3 and 4: any English.

Youth Work/Management
Prerequisites: Units 3 and 4: any English.
Courses without prerequisites

- Accounting
- Alcohol and Other Drugs
- Beauty Therapy
- Building and Construction
- Building Design
- Community Services
- Disability Services
- Education Support
- Electrical
- Engineering – Civil
- Engineering – Mechanical/Manufacturing
- Fitness
- Gateway to Nursing (Health Science Foundations)
- Graphic Design (Diploma)
- Information Technology (Certificate IV)
- Interactive Digital Media
- Legal Practice
- Liberal Arts
- Library and Information Services
- Logistics (Diploma)
- Massage/Myotherapy
- Music Performance
- Professional Writing and Editing
- Screen and Media – Games Development
- Sound Production
- Specialist Make-up Services

---

**Victorian Institute of Technology**

Courses without prerequisites

- Automotive Mechanical Technology
- Basic Information, Digital Media and Technology
- Business
- Commercial Cookery
- EAL
- Hospitality
- Information Technology (Networking)
- Interactive Digital Media
- Patisserie
- Spoken and Written English
- Training and Assessment

---

**William Angliss Institute of TAFE**

Courses without prerequisites

- Advanced Baking
- Butler Service Management
- Commercial Cookery
- Culinary Management (Degree)
- Events
- Food Science and Technology
- Hospitality Management
- Hotel Management
- Patisserie
- Resort Management – Alpine
- Resort Management – Dive
- Resort Management – Spa and Wellness
- Resort Management – Water Recreation
- Tourism and Hospitality Management (Degree)
- Tourism and Travel
Courses without prerequisites

- Allied Health Assistance
- Applied Fashion Design and Technology
- Building Design
- Children’s Services
- Design
- Engineering – Mechanical/Manufacturing
- Events
- Fitness
- Interactive Digital Media
- Interior Design and Decoration
- Nursing (Enrolled – Division 2 Nursing)
- Outdoor Recreation
- Paramedical Science (Ambulance)
- Photography and Photo Imaging
- Printing and Graphic Arts
- Sound Production
- Tourism
- Travel

Swinburne University of Technology: Aviation Management, Aviation Management/ Business, Aviation/Aeronautics.

Animal Husbandry
Northern Melbourne Institute of TAFE: Equine Studies (Degree, Associate Degree).
Sunraysia Institute of TAFE: Animal Studies, Equine.

Architecture
Bendigo TAFE: Building Design (Architectural).
Deakin University: Architecture, Architecture/Construction Management.
Melbourne Polytechnic: Building Design.
Monash University: Architecture, Engineering (Honours)/Architectural Design.
Oceania Polytechnic Institute of Education: Building Design.
RMIT University: Architecture, Building Design.

Architecture and Building
Deakin University: Architectural Technology.
University Of Melbourne (The): Environments, Environments (Chancellor’s Scholars Program).

Architecture and Urban Environment
Oceania Polytechnic Institute of Education: Residential Drafting.
RMIT University: Industrial Design (Honours).

Audio Visual Studies
Deakin University: Film and Television.
Holmesglen: Screen and Media (Radio and TV).
RMIT University: Live Production and Technical Services.
SAE Creative Media Institute: Sound Production – Studio Production.
Swinburne University of Technology: Digital Media, Film and Television, Film and Television (Animation), Games and Interactivity/Computer Science, Screen and Media (Film and Television).
University Of Melbourne (The): Fine Arts (Film and Television).
Wodonga Institute of TAFE: Sound Production.

Audiology
La Trobe University: Applied Science/Clinical Audiology.

Australian Indigenous Languages
Victoria University: Kinyandoon (Indigenous Studies).

Automotive Engineering
RMIT University: Engineering – Automotive (Honours), Engineering – Automotive (Honours)/Business Management.

Automotive Vehicle Operations
Victorian Institute of Technology: Automotive Mechanical Technology.

Baking and Pastrymaking
Box Hill Institute: Patisserie.
Holmesglen: Hospitality (Patisserie).
Melbourne Polytechnic: Patisserie.
Northern Melbourne Institute of TAFE: Patisserie.
Victorian Institute of Technology: Patisserie.
William Angliss Institute of TAFE: Advanced Baking, Patisserie.

Banking and Finance
Australian Catholic University: Accounting and Finance.
Box Hill Institute: Bookkeeping.
Holmesglen: Banking Services, Bookkeeping.
La Trobe University: Finance.
RMIT University: Finance, Financial Services.
Swinburne University of Technology: Finance.
Victoria University: Applied Finance, Banking and Finance.
Banking, Finance and Related Fields
CQUniversity: Financial Planning.
Federation University Australia: Finance and Investment.
La Trobe University: Accounting and Finance.

Beauty Therapy
Bendigo TAFE: Beauty Therapy.
Box Hill Institute: Beauty Therapy.
Chisholm Institute: Beauty Therapy.
Elly Lukas Beauty Therapy College: Beauty Therapy.
Federation University Australia: Beauty Therapy.
Gordon (The): Beauty Therapy.
Melbourne Polytechnic: Beauty Therapy.
Northern Melbourne Institute of TAFE: Beauty Therapy.
Victoria University: Beauty Therapy

Biological Sciences
Federation University Australia: Medical Bioscience.
Monash University: Laws (Honours)/Biomedical Science.
RMIT University: Biotechnology, Biotechnology/Biomedical Science.
Swinburne University of Technology: Engineering (Biomedical).

Biological Sciences
Box Hill Institute: Laboratory Techniques, Science.

Building
Box Hill Institute: Building and Construction, Building Design.
Chisholm Institute: Building and Construction, Building Design.
Federation University Australia: Building Design.
Holmesglen: Building and Construction (Building), Building Design.
Northern Melbourne Institute of TAFE: Building and Construction, Building Design.
RMIT University: Building and Construction.
Swinburne University of Technology: Building and Construction.
Wodonga Institute of TAFE: Building Design.

Building Construction Economics
Holmesglen: Construction Management and Economics (Degree).

Building Construction Management
Deakin University: Architecture/Construction Management, Construction Management.
Melbourne Polytechnic: Building and Construction.
RMIT University: Construction Management (Honours).
Sunraysia Institute of TAFE: Building.
Swinburne University of Technology: Building Design.

Building Science and Technology
Oceania Polytechnic Institute of Education: Architectural Building Design.

Building Surveying
Federation University Australia: Building Surveying.
Gordon (The): Building Surveying.
Holmesglen: Building Surveying, Building Surveying (Degree).
Northern Melbourne Institute of TAFE: Building Surveying.
Victoria University: Technology – Building Surveying.

Business and Commercial Law
Swinburne University of Technology: Commercial Law.

Business and Management
Australian Catholic University: Commerce, Commerce/Business Administration, Commerce/Global Studies.
Box Hill Institute: Business.
Charles Sturt University: Business Studies.
Chisholm Institute: Administration.
Deakin University: Business (Sport Management), Exercise and Sport Science/Business (Sport Management), Food and Nutrition Sciences/Commerce, Management.
Federation University Australia: Business, Civil and Environmental Engineering/
VICTORIAN TERTIARY ENTRANCE REQUIREMENTS

Business, Commerce, Commerce/Management, Sport Management/Business.

Human Services: Administration, Business Administration (Degree).

Kangan Institute: Business Administration.

La Trobe University: Accounting/Business, Business (Sport Development and Management), Sport Management.

Melbourne Institute of Business and Technology: Commerce.

Melbourne Institute of Technology: Business.

Melbourne Polytechnic: Music Business.

Monash College: Business (Business stream).

Northern Melbourne Institute of TAFE: Business (Degree, Associate Degree).

RMIT University: Accountancy (Professional) (Degree), Administration, Business (Associate Degree), Entrepreneurship.

Swinburne University of Technology: Accounting and Finance, Business, Business (Dean’s Scholarship), Business (UniLink), Business Administration (Associate Degree), Business Information Systems, Business Information Systems/Business, Engineering (Civil)/Business, Engineering (Electronics and Computer Systems)/Business, Engineering (Robotics) (Business, Engineering (Robotics and Mechatronics)/Business, Engineering (Telecommunication and Network)/Business.

University of Canberra: Business (Executive Administration), Business (Marketing Management), Business Studies (online).

Business Management

Australian Catholic University: Arts/Commerce, Business Administration, Business Administration/Global Studies, Business Administration/Law, Commerce/Commerce, Business Administration/Global Studies, Business Administration/Information Technology, Business Administration, Nursing/Business Administration.

Charles Sturt University: Management, CQUniversity: Business, Management (Diploma)/Business/Bachelor.

Federation Training: Business.

Federation University Australia: Management, Sport Management/Business.

Holmes Institute: Business, Management.

Holmesglen: Management, Travel and Tourism (Guiding).

La Trobe Melbourne: Business.

La Trobe University: Business, Law/Busines.

Melbourne Institute of Business and Technology: Management.

Melbourne Institute of Technology: Business (Degree).

Melbourne Polytechnic: Business (Degree, Associate Degree).

Monash University: Arts/Business.

Swinburne University of Technology: Arts/Business, Business, Business (Vice-Chancellor’s Scholarship), Business Administration, Business/Communication, Business/Social Science, Design (Communication Design)/Business, Management.

Vicotorian Institute of Technology: Business.

Cabinet Making

Holmesglen: Furniture Design and Technology.

Sunraysia Institute of TAFE: Cabinet Making.

Care for the Disabled

Victoria University: Disability Services.

Carpentry and joinery

Sunraysia Institute of TAFE: Carpentry (Non-apprentice).

Chemical Engineering

RMIT University: Chemistry/Engineering – Chemical (Honours), Engineering – Chemical (Honours), Engineering – Chemical (Honours)/Biotechnology, Engineering – Chemical (Honours)/Business Management, Food Technology/Engineering – Chemical (Honours).

Chemical Sciences

Monash University: Biomedical Science/Engineering (Honours).

RMIT University: Chemistry/Engineering – Chemical (Honours), Engineering – Chemical (Honours), Engineering – Chemical (Honours)/Biotechnology, Engineering – Chemical (Honours)/Business Management, Food Technology/Engineering – Chemical (Honours).

Children’s Services

Bendigo TAFE: Early Childhood Education and Care.

Box Hill Institute: Children’s Services (Early Childhood Education and Care).

Chisholm Institute: Children’s Services.

Federation University Australia: Early Childhood Education and Care.

Sunraysia Institute of TAFE: Early Childhood Education and Care.

Swinburne University of Technology: Children’s Services.

Children’s Services

Wodonga Institute of TAFE: Children’s Services.

Chiropractic and Osteopathy

RMIT University: Chiropractic/Health Science, Osteopathy/Health Science.

Victoria University: Osteopathy.

Civil Engineering

Box Hill Institute: Engineering - Civil.

Deakin University: Engineering (Civil).

Federation University Australia: Civil and Environmental Engineering (Honours), Civil and Environmental Engineering - Business.

La Trobe University: Civil Engineering (Honours), Civil Engineering (Honours)/Science, Civil Technology.

Melbourne Institute of Business and Technology: Engineering.

Northern Melbourne Institute of TAFE: Engineering – Civil, Engineering Technology (Civil) (Degree, Associate Degree).

RMIT University: Engineering – Civil and Infrastructure (Honours), Engineering – Civil and Infrastructure (Honours)/Business Management, Engineering Technology - Civil (Advanced Diploma).

Swinburne University of Technology: Engineering (Civil), Engineering (Civil)/Business.

Victoria University: Engineering – Civil, Engineering – Civil Engineering (Honours).

Communication and Media Studies

Academy of Design Australia: Communication Design.

Academy of Interactive Entertainment: Screen and Media (Animation).

Australian Catholic University: Media Communication.

Bendigo TAFE: Interactive Digital Media.

Box Hill Institute: Sound Production.

Chisholm Institute: Interactive Media Design, Screen and Media (Video/Animation).

CQUniversity: Digital Media.

Deakin University: Media.

Footscray City Films / Footscray City College: Film and Television Production.

Holmesglen: Screen and Media (Animation).

La Trobe Melbourne: Mass Media and Communications.

La Trobe University: Media and Communication (Media Industries), Media and Communication (Strategic Communication).

Melbourne Institute of Business and Technology: Media and Communication.

RMIT University: Advertising (Degree), Digital Media, Interactive Digital Media, Media, Professional Communication, Screen and Media (Film and Television Production), Screen and Media (Television Production), Screen and Media Production, Screenwriting.

SAE Creative Media Institute: Sound Production – Live Sound.

Sunraysia Institute of TAFE: Screen & Media.

Swinburne University of Technology: Advertising (Communication), Communication, Media and Communication, Media Studies, Screen and Media (Broadcast Journalism).

University of Canberra: Screen Production.

University Of Melbourne (The): Arts, Arts (Chancellor’s Scholars Program), Arts (Extended).

Vicotorian Institute of Technology: Interactive Digital Media.

Wodonga Institute of TAFE: Interactive Digital Media, Sound Production.

Communications Equipment Installation and Maintenance

Melbourne Institute of Technology: Engineering Technology (Telecommunications).

Communications Technologies

RMIT University: Telecommunications.

Swinburne University of Technology: Engineering Technology (Telecommunications and Network), Engineering (Telecommunication and Network)/Business.

Community Health

Swinburne University of Technology: Health (Community Care), Health and Community Care.

Victoria University: Health Sciences.

Community Nursing

Swinburne University of Technology: Health Science.

Complementary Therapies

Australian College of Sports Therapy: Massage (Clinical Practice Certificate IV), Myotherapy (Advanced Diploma), Remedial Massage (Diploma), Sports Therapy (Advanced Diploma).

Holmesglen: Massage/Myotherapy.

Northern Melbourne Institute of TAFE: Massage/Myotherapy.

Southern School of Natural Therapies: Clinical Myotherapy, Health Science (Diploma), Naturopathy, Nutritional Medicine, Western Herbal Medicine.

Victoria University: Massage/Myotherapy (Advanced Diploma).

Computer Engineering

RMIT University: Engineering – Computer and Network (Honours)/Business Management.

Computer Graphics

Academy of Interactive Entertainment: Game Design and Development.

Chisholm Institute: Game Development.

RMIT University: Games and Graphics Programming.

Computer Science

Academy of Interactive Entertainment: Game Design and Production.

Australian Catholic University: Information Technology.

CQUniversity: Information Technology.

Deakin University: Computer Science, Game Design and Development.

La Trobe University: Computer Systems Engineering (Honours), Information Technology (Professional).

Monash University: Computer Science.

Swinburne University of Technology: Computer Science, Digital and Interactive Games, Digital Media Technologies, Engineering (Electronics and Computer Systems), Engineering (Electronics and Computer Systems)/Computer Science, Engineering (Telecommunication and Network)/Computer Science, Games and
General Nursing
Australian Catholic University: Nursing, Nursing/Busines Administration, Nursing/ Paramedicine
Box Hill Institute: Nursing.
Charles Sturt University: Nursing.
CQUniversity: Nursing.
Deakin University: Nursing, Nursing/ Midwifery, Nursing/Physiological Science, Nursing/Public Health and Health Promotion.
